Walking To School

It's Too Hazardous, Says Local Father

An Aldergrove man, who is of the opinion that five miles is too far for any child to walk in order to get back and forth to school every day, is collecting protest notes and signatures to a petition being passed around in the area at the present time.

Gunther Gropp, of 25468 Fraser Hwy., finds it a "most serious hazard for a young child to walk five miles a day especially during the dark and wet winter months along the side of badly paved, heavily trafficked and poorly lit country roads."

Gropp has made a plea for parents who sympathize with his idea, to contact him at his home phone number, 856-2131 or better yet, he says, to write him a short letter of support.

"I'll need a lot of support to be able to do something about this matter," he says, "and I hope to get this not only from Aldergrove, but from Fort Langley, Langley, and Matsqui district as well."

Gropp, who is himself a father of school aged children, started the campaign a couple of weeks ago and has a couple of canvassers taking petitions around at the moment.

Nancy Greene Raine congratulates Bob Dornan

Make Your Own Life, Nancy Tells AHS Students

Leading all around student at Aldergrove senior secondary school, Bob Dornan, was congratulated at awards day ceremonies Friday afternoon by Mrs. Nancy Greene Raine.

Bob was one of five B.C. students receiving the $500. Nancy Greene scholarship for 1971, and was doubly honored by receiving it straight from the hands of Mrs. Raine.

In introducing Dornan to the audience, principal Norm Sheritt called him "one of the most outstanding students I have come across in the past 25 years," and Bob's homeroom teacher D.C. Urquhart described him as an A-average student who "excelled in everything — you name it." He said Bob was first in athletics, drama, leadership and academics, having taken part in all musical productions and achieved top marks in high jump and football.

Dornan has also been president of the AHS students council for the past two years and is a Queen's Scout.

In addressing the predominantly student audience Mrs. Raine urged all grade 12 students to "decide what to do" about their futures. "Find your talents," she said, "and whether it be basket weaving or what have you, try to excel."

Mrs. Raine, the Olympic ski champion and gold medal winner who is a native of Vancouver, said that anybody could make a happy and successful life for himself by following this formula.

In less than two hours a total of $4,600 was given away to 33 Aldergrove high school students at the 14th annual awards program.

The students receiving various scholarships, bursaries and grade awards were:

Hank Kostering, Myrna Beggs, Richard Friesen, Lois Eden, Sinikka Kellosalmi, Lynn Horton, Jackie Bick, Vicki Copp Warren Mayes, Bob Dornan, Debby Grovue, Erwin Golke, John Nouwens, Yvonne Kahn, Wendy Borden, Bruce Durkie, Julie Mout, Nancy Petersen, Eric Babey, Loretta Mudri, Arthur Bandenieks, Judy Harms, Dougal Shewan, Eileen Schopff, Larry Sebelley, Eliz. Watson, Don Fraser, Kathy Petersen, Marg. Babey, Carol Harvey, Myrna Beggs, Bernie Kushnir, and Lance Conway.

Fort Parents Agree

Also concerned about the welfare of young school children are the parents of the Fort Langley Elementary parents' auxiliary, who this week in a letter to the editor express their worries about the non-existant crosswalks on Glover Road, at 88th Avenue and St. Andrews in Fort Langley.

The parents group had requested the provincial department of highways install crosswalks at the two locations, but have so far received no answer.

At the present time 425 children attend the elementary school, east of Glover Rd. and 441 students attend the junior secondary school on the opposite side.

Many of these students have to cross Glover in one direction or the other, the parents claim, and without proper crossings on the heavily trafficked provincial highway, they feel that sooner or later a child will be hurt.

One Down - Many More To Go

There is good news for turkey farmers in British Columbia.

Fraser Valley East M.P. Jerry Pringle (Lib.) said Tuesday that the federal agriculture minister Bud Olson told the Commons that the Agriculture Products Board has been author ized to purchase turkeys for processing with the canned meat going to the world food program.

According to Olson this will offset the impact of the 10 per cent U.S. surtax on agricultural products entering the U.S.

Pringle said this should help stabilize the turkey prices in B.C.

New Riding Club

A new riding club has been formed in the Aldergrove area under the auspices of the Pine Grove community club.

The new club is for juniors to age 17, and recently an executive was formed from among the charter members of this new equestrian body.

Marjorie McKay, of Mount Lehman was elected president and Christine Ramsay, of Townshipline Road, was named vice president.

The club had a bottle drive last Saturday to raise money towards development of a riding rink behind the Pine Grove hall at the corner of Fraser Hwy. and Mt. Lehman Rd.

About 25 to 30 juniors have expressed interest in joining the club, a spokesman for the community club says.

Tenders To Be Called

Tenders are to be called for the new police and justice facility for Matsqui. Tenders will be due October 29th, after which they will be examined by Matsqui council.

The new police and justice facility will provide greatly expanded facilities for the municipal police and court.

Spud May Run - After Checkup

Former Matsqui reeve, J.A. "Spud" Murphy may run for mayor in the municipal election in December.

Murphy said last week, that before he makes a final decision he will get a complete physical check up.

When asked why he wants to run for election, Murphy said that he thinks there needs to be a lot of improvement of administration and workings of the district, as well as changes in planning being done in the municipality.

To Tokyo

Cattle Go By Air

Forty-one head of Hereford cattle left Abbotsford airport October 6th bound for Tokyo.

As part of a shipment of 2,100 destined for farms in Japan, they flew in a Pacific Western Airlines turboprop Hercules transport.

On the flight were five Japanese agricultural personnel and a representative of the importing firm handling the shipment.

Bob Sayers, chief cattle hauler for PWA, said the cattle were from Saskatchewan and Oregon.

LETTERS TO THE EDITOR

Crosswalk Wanted

Editor, The Star, Dear Sir,

At our last meeting of the Fort Langley Parents Auxiliary it was revealed that no reply was received from the Department of Highways regarding our request for crosswalks on the Glover Road at 88th Ave., and St. Andrews.

The Fort elementary school enrolment increased to 425, and since the housing development is to the west of Glover Road this increases the number of children who must cross Glover Road going to and from school. Many students from the junior secondary school located on Trattle St. also cross Glover Road at St. Andrews.

During the summer months there is much pedestrian traffic crossing Glover Road to reach the Fort Langley park situated at the west end of St. Andrews Avenue.

The traffic on Glover Road through Fort Langley is very heavy due to the Albion Ferry terminus and also to the fact that it and 88th Ave. are arterial roads to the 401 freeway.

Many schools in the Langley district have school patrols to insure the safety of their students. However, this is not possible without a crosswalk. We feel that if no action is taken a child will be hurt.

Yours truly,

Mrs. C. Fletcher, secretary, Fort Langley Elementary Parents' Auxiliary.

Petition Received

Editor, The Star, Dear Sir,

Your petition opposing the Amchitka nuclear test has been noted, and I thank you for your concern.

The Canadian government has made it clear to Washington that an underground test of this magnitude, in this locale, is ill-advised. I hope that President Nixon will accede to pressures favoring cancellation of the Amchitka test.

Enclosed is a copy of a speech I made on the subject earlier this month. You will also find two documents: the Canadian position on nuclear testing; and the substance of the note delivered to the Department of State, Washington, concerning the Amchitka test.

Thank you for your support,

Yours sincerely,

Jack Davis,
Minister Environment Canada,
Ottawa.

Enjoyed Article

Dear Mrs. Langmann,

I sure hope the 16-year-old hockey aspirant got his bag of equipment back — that was a good article, which I really enjoyed!

Sincerely,

Stanley H. Churchill,
Langley.

Ice Arena Meeting

Editor, The Star, Dear Sir,

Re.:. Proposed Ice Arena Complex.

Planning has been underway for some considerable time concerning the building of an Ice Arena Complex, on the land owned by the Langley Agricultural Association to the north of the Langley secondary school. A special committee comprising of three members of the municipal council, and three members of the city council have been working with the architects, the Gardiner Thornton partnership, in preparing plans for the project, and these plans are now ready for approval.

Your organization is invited to send two representatives to a meeting to be held in the H.D. Stafford senior secondary school on Thursday, October 28th at 7:30 p.m. The reason for restricting the number of delegates to two, is that a large number of organizations are being invited to send representatives.

The full details of the proposed project and its operation will be presented to this meeting, and it is possible that the individual organizations may wish to have a speaker at one of their own meetings or at a public meeting sponsored by their organization during the month of November. The arrangements for such meetings can be made with the committee during the evening.

It is requested that you make every effort to ensure that two representatives of your organization are in attendance at this meeting.

Yours truly,

D.J. Doubleday, clerk-administrator, The Corporation of the Township of Langley.

FREDRICK WINTER WHEAT

Federal agricultural scientists have developed a new soft white winter wheat, Fredrick, which has been licensed for sale in Canada. The new variety is named in honor of the late Fredrick Gfeller, who was in charge of the winter wheat breeding program at the Canada Agriculture Ottawa research station.

Eric Kierans To Speak At UBC

Eric Kierans, the fiery critic of the Trudeau government's economic policy, will be the feature speaker at a dinner to be held at the University of British Columbia on Wednesday, November 10th.

Kierans, the former federal minister of communications, will speak on "Canadian Economic Policy: An Assessment.' The function, being held at the UBC Faculty Club, will begin with a reception at 6 p.m., followed by dinner at 7 p.m., and the address by Kierans at 8:30 p.m.

Kierans resigned from the federal cabinet on April 29th, 1971 after seriously disagreeing with the government's employment and economic policies. In essence, Kierans argued that present government policy tends to foster the export of raw materials at the expense of creating job-intensive secondary industry. He maintained that all economic policies should instead dovetail to work towards expanding employment. Kierans is expected to have more to say on this topic on November 10th.

Doctrine Of Atonement

What does the life of Christ Jesus mean to people in today's world?

An answer to this question will be given Sunday at Christian Science church services in a Bible lesson-sermon entitled "Doctrine of Atonement."

"God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life," a Bible text states.

From Science and Health with Key to the Scriptures by Mary Baker Eddy, this citation will be read: "Jesus aided in reconciling man to God by giving man a truer sense of love, the divine principles of Jesus' teachings, and this truer sense of love redeems man from the law of matter, sin, and death by the law of spirit, - the last of divine love."

Services at Christian Science Society - 5086-200 Street, Langley, are held at 11.00 a.m. The public is invited to attend.

Special Panel Program

REMINDER

THE KEY TO THINKING AHEAD

— October 21, 8:00 p.m. H. D. Stafford Jr. Secondary School
— Avoid Grief - Worry - Expense
— How to plan estate details

There is a crisis for which too few people are prepared, particularly women. Today great emphasis is placed on preparation for marriage and as a woman can expect to out-live her husband by seven years chances are she will spend more than ten years as a widow. Little thought is given to the day when the marriage will come to a natural end. Complex legalities will have to be faced when in all likelihood the only person in the family who knew how to deal with these things is gone. Ignorance in such matters costs time, money and additional grief.

This one-evening panel presentation will discuss WILLS, LEGAL MATTERS, BANKING, INSURANCE, TAXATION, CANADA PENSION, FINANCES and FUNERALS.

Panel members will include:

- CANADA PENSION REPRESENTATIVE - Mr. R.G. Wayne
- A LAWYER - Mr. N. Severide
- A BANKER - Mr. W. Muir
- A FUNERAL DIRECTOR - Mr. A. Anderson
- A CREDIT UNION REPRESENTATIVE

Panel moderator will be Mrs. A. E. Chapman of Vancouver, author of the AEC Estate Guide Personal Record.

Presented without charge by the Langley School Board as a public service to the community.

Market Report

Total receipts for the week at West Coast Auctions, Cloverdale, were 858 cattle, 184 sheep, and 123 hogs. Market was quite steady on packer cattle while feeders – especially Holstein steers and heifers – were strong.

The following prices were noted: Good steers $31 to 33.25, medium Holstein steers $24 to $30.50, good heifers $26 to $28.80, plain and medium heifers $22 to $25.50, best Holstein cows $18.50 to $22.50, good beef cows $19 to $23.25, canners and cutters $13 to $18, and bulls $22 to $25.80.

Butcher hogs sold for $18.75 to $22, sows for $10 to $14.25, and weaners (each) for $5.50 to $10.50.

Ewes were $5.75 to $11, lambs $20.50 to $25.50, good veal $41 to $47, medium veal $34 to $40.50, baby calves (each) $10 to $62, good feeder steers $37 to $34.50, feeder heifers $27.50 to $30.10, heavy Holstein feeder steers $24 to $28.50, and light Holstein feeder steers $27 to $32.50.

Today, 60 Charolais cross calves will be sold.

Calves from the Douglas Lake Ranch will be sold on November 17th and December 1st. At the first sale 1,100 heifer calves will be auctioned off, and at the later date 1,600 steer calves.

Blood Donor Clinic

The second blood donor clinic of the year was held in Abbotsford yesterday.

Five hundred units was the goal of the clinic, which will go toward building the blood stocks in MSA Hospital.

Earlier this year 443 units were collected, and there were 92 new donors.

MSA Hospital administration reports that the year's requirements are 1200 units.

bob and anne buy their first home

No family yet. But maybe. Someday. How big a house to buy today — for tomorrow? How much is a realistic down payment? Bob s salary is modest. But his ambitions are high. Anne works too. How much can they afford to pay each month?

Can they get a first mortgage? And how big should it be? What if they need a second mortgage?

At your local credit union we have the answers to all those questions and some that Bob and Anne haven t even thought up yet.

Not only will we answer their questions, we'll arrange a first or second mortgage for them at one of the best interest rates in town.

If you need a mortgage drop in to your local credit union. You won t regret it. We lend a helping hand.

Centennial Caravan In Langley

The Centennial Carvan Will open Thursday October 14th at 1.00p.m. at the Municipal grounds in Murrayville.

The Caravan will form around a court yard where tables and chairs are set up and a slide show is projected on a daylite screen.

The Aldergrove Legion Ladies will set up a concession and will be selling refreshments.

The Langley Legion have volunteered to assist the public and keep control.

The caravan consists of three trailers with 11 displays telling of B.C.'s History and development during the past 100 years.

The exhibits are open again Friday and Saturday from 10 a.m. to 10 p.m.

Arrangements have been made for grade five students of School District 35, Langley, to view the display on Friday between 10 a.m. and 2.15p.m. They will be transported by School Buses.

But Not For All

Happy Ending

by Inge Langmann

It is with great pleasure that I can inform our readers that the boys hockey equipment has all been found intact, the only thing missing were the skates. A great big heartfelt THANK You goes to the person who returned it.

Perhaps it might be an idea for all mothers of hockey players to dress up their charges before leaving the home, and not allowing them to take any of it off again before they return home. Most of the kids arrive dressed in full uniform-easier all the way around, you know how kids are, and much of their equipment looks alike.

★

Had a phone call from Glen Clark, secretary os the Aldergrove Soccer Club.

He was a bit upset, and rightly so. They have about 140 boys seven years and under registered for soccer in Aldergrove, and not enough coaches. Unfortunately it is now going to be impossible for about 25-30 of these boys to play soccer, because of the lack of coaches.

He had contacted 20 to 30 parents asking for help coaching and got no response, now he is getting phone calls from angry and upset parents because their boys will not be able to play. As it stands now it is too late to register any more teams into the league, 25 to 30 boys will have to be turned away, and who is going to have the job of telling the boys they can't play? Mr. Clark and the coaches. Not a nice job, is it? And they are also the ones who have to take it from the parents when the boys come home with the sad news. You have to have a lot of community spirit in order to do that. But it is good to know that there are a few people who will do this sort of work, or else there would have been many more disappointed kids.

One more coach is needed to take one of the teams that Glen Clark is coaching, please parents come forward. You don't have to know how to play soccer, a soccer coach clinic will be held very shortly. And parent — if you don't want your or other kids disappointed next year, why not give it some thought now? If you have the time but not the know how, why not attend the clinic now and be prepared for next season. Phone Glen Clark at 856-2629 for information on the clinic and if you are able to take one of the teams off his hands he would appreciate it.

Pleasure Site Returned To Nature

The Dewdney Trunk Road Pleasure Faire site has been returned to nature.

According to the terms of the agreement between Faire organizers and Mission District, the premise of the Faire, North of Mission, was vacated Sept. 30.

Opponents of the Faire feared that squatters would remain on the site well after the Faire had concluded.

The Faire was head of the Labour Day weekend, and a large number of people attended.

Fort Report

Success Through Effort

by Cindy Rickey & Sheena MacKay

Students have begun a new school year at Fort Langley junior secondary and have settled down to another term of studying and hard work. During this time of year it is wise for the students to consider the school's motto — "Success Through Effort."

There have been many new faces at F.L.J.S.S. Last year the attendance was 373 students and is now 441. There are 178 grade 8's, 137 grade 9's, and 126 grade 10's. There are also six new teachers: Mrs. Calder, Miss Knox, Mr. Francis Mr. Tocher and Mr. Ruginis.

On September 23rd, Fort Jun. boys were defeated in a soccer game by 2 to 1 with the Aldergrove team, on home grounds. On September 30th at Langley, our junior girls volleyball team competed in a playday and defeated Stafford, Aldergrove and Langley. Fort Langley junior boys soccer team lost to Langley by a score of 3 to 0. The coaches of these teams are Miss Monahan and Mr. Hoenig.

Student elections will be held shortly and many students will be given the opportunity to become representatives of their class or the school.

Individual student pictures were taken last Friday.

In an effort to raise money, for a band excursion, band and choir students are staging a Halloween dance October 29th. Concert band will begin shortly and is expected to be very successful.

It is anticipated that this year F.L.J.S.S. will have the same enthusiasm, participation and success - through effort.

The Ecology And Economic Expansion

by Mark Rose, MP

Someone said recenlty (I think it was me) that we are leaving the era dominated by the technological man and entering upon a new one in which environmental man will emerge triumphant.

Projects with vast environmental implications such as the Amchitka underground tests, the flooding of the Skagit Valley and the proposed Alaskan oil tanker route no longer go unopposed by the rank and file citizen. Government proposals which would in earlier days have been accepted without question, now excite great public activity.

Who would have expected people to get upset about the Skagit? After all, there was no equivalent public controversy when huge acreages in the Kootenays were inundated by the Columbia Dams. Hardly a murmur of objection. And it was unthinkable even five years ago for the school kids to demonstrate as they have recently at the Peace Arch and in front of the American Consulate. But they did it, and with the encouragement of most moderate and thoughtful Canadians.

Of course, those who object to demonstrations will critize public militancy as ill-mannered and useless—if not an outright example of disrespect for the law and a direct insult to our large and friendly neighbours. But the polite requests of yesterday are the demands of today— and I for one believe that it is healthy for traditionally mild-mannered and deferential Canadians to show how they really fell about things that affect their quality of life and to show their feelings in the most effective way possible.

British Columbians to my knowledge, never objected to Esso, BA and Shell tankers in Burrard Inlet. At least some oil spills have been a certainty for about two generations. But just wait, when those huge bulk carriers start moving from Alaska to Bellingham, the new awareness of future ecological disasters will stimulate demonstrations that will make the Viet Nam and Amchitka ones look like a Sunday School picnic.

The proposal to dam the Fraser (Moran Dam) is another issue we have to face squarely. The question of ecology really is up to the city. However, in the final analysis B.C.'s demands for energy double every seven years, you know. It's us - you and I—with our washer and dryer, our neon displays, and our second T.V., who translate comfort into electrical energy demands. Governments (including the Bennett government) respond as always to the aspirations of the average citizen. Because that means votes.

Is a second toaster, T.V. or what-have-you really worth the price of a Fraser Dam? Is the cost to fishing really worth the benefit of additional kilowatt hours? Its up to you and me to decide and soberly.

But what I was attempting to say in the title to this piece was that there is a current reassessment of traditional values in the wind. Progress is great, but not at any price. Canada has the fastest growing work force in the Western World. The problem facing Canadian governments today is the problem of how we might best provide job opportunities for our growing work force, and at the same time protect our ecology for the generations to come. This is a new varation introduced into the equation. But solve it we must. And it is imperative that we solve this one because Canada must concurrently provide greater vocational opportunities for an increased work force and also protect what nature provided so that those who are alive and those Canadians yet unborn can live of satisfying quality.

New Gold Medal Sire

The Jersey bull, Barbros Pathfinder, has just been designated a gold medal sire by the Canadian Jersey Cattle Club on the high production of three of his daughters. This bull has 10 tested daughters that average 10,380 lbs. milk, 573 lbs.fat, 5.52 per cent, and 10 classified with an average of 83.8 per cent.

His sire is Pathfinder's Pioneer, very good, with a rating of 163 - 9,701 - 481 - and 71 classified 84.2 per cent in U.S.A. His dam, Barbros Royalist Jean 15K, very good, is a silver and gold medal, twice ton of gold cow, with a lifetime production of 100,614 lbs.milk, 4,892 lbs.fat in nine lactations.

Barbros Pathfinder was bred by Ralph J. Barichello, of Langley, and is now in the A.I. Centre at Milner.

The three daughters that qualified him as a gold medal sire are: Brae Lynn Madame Butterfly, good plus, with a record at 3 years, 44 days, in 305 days, of 10,606 lbs. milk, 623 lbs.fat, 5.87 per cent; Kierholm Pathfinder Cindy 3X, good plus, with a record at 4 years, 31 days, in 305 days, of 12,343 lbs.milk, 670 lbs. fat, 5.43 per cent; and Valtallina Pathfinder Bonnie, good plus, with a record at 3 years, 20 days, in 305 days, of 10,727 lbs. milk, 637 lbs. fat, 5.94 per cent.

What's This?

News Item

by Eric Flowerdew

First there is a chap called Hess, one of the German War criminals who has been in jail since 1945. I admit its a good place for him. The other chap in the block — one of the worst war mongers of our time, is the holy Emperor of Japan. These two fellows, together with another good old war lord, Mr.Nixon, president of the USA make a great trio.

I wonder what they would talk about if they got together? Perhaps who was responsible for the destruction of most Asiatic citizens. Nixon, of course, could boast that he had the better air force of the three, witnessed by the fact that he has dropped more bombs and killed more people than the Japs and Germans put to gether.

I see now the Emperor is going to Britian to see the Queen, rather disgusting I would say. Both Nixon and the Emperor could go down in the Hall of Fame as the best killers the 1900's ever had.

Now A Better Story

I've read an interesting book on China. Then I saw Chetney Rooney on tv. The new way of life in China will make us Canadians sick, because the last thing they talk about is profit. Their religion is only to help others to help themselves. I was given the impression listening to Rooney that New China with peace will make our so called Christian Society as it is today look terrible.

What is our society from a religious point of view? I can remember when there were no churches on Otter Road, at a time when young and old wanted to use them. When they wanted help who would go out and help them? We now have seven churches on the Otter Road, with seven different ideas on how to get to Heaven. Everyone, however is too busy struggling to make a buck they have no time to use them.

I have come to the conclusion that the people of China, with their co-operative principles will show us a new way of life.

"I DON'T KNOW MUCH ABOUT ART, BUT I KNOW WHAT I LIKE!"

A Signal In Time May Save A Life

The B.C. Automobile Association says a signal in time may save lives. Alate or too brief signal from drivers is little better than no signal at all. And remember that signaling in accordance with minimum legal requirements set long ago may not allow sufficient time for today's traffic conditions. Drive with care, commonsense and courtesy—and 'Bring 'em Back Alive!'

When driving directly towards the sun, the B.C. Automobile Association advises, motorists should adjust their speed to the limited visibility. At intersections with traffic lights, extra care is needed because the sun may make signals difficult to see. Sun visors should be properly adjusted so they do not impair vision. Keep alert....

Around Town

by Irene Orwick

Mr. and Mrs. Young of North Surrey were Sunday visitors to the home of Mrs. Whitehead.

Mr. and Mrs. Bob Gledhill have returned to their home at Vavenby, B.C. after spending some time visiting around Aldergrove and Vancouver Island.

A recent visitor to the J. Scharf home was Mr. Brewer, of North Vancouver.

Mr. and Mrs. John Batch, returned from a ten day trip to Ft. St. John, where they visited their niece, while in that area they experienced both heavy frosts and snow. They went on to Hudson's Hope, had a look at the Bennett Dam, Peace River Valley, and from their reports found it all very interesting. But as always it's so nice to be back home again, and catch up on all the lost sleep.

Mr. and Mrs. Wilf Law of Aldergrove Trailer Court motored to 100 Mile House for "Thanksgiving" weekend.

Mr. and Mrs. Reg Birchard from Saskatchewan were visitors at the M. Woods last week.

Mel and Iris Wood and family of North Surrey accompanied by Iris's sister and husband were "Thanksgiving" guests at the M. Wood home on Boundy Road.

Norman Orwick, Douglas and myself were dinner guests at Jim and Dawna Orwick's on Sunday. I did enjoy being with my family at Thanksgiving time. My two little grand daughters are such a treat. I always did know the Irish — grew the potatoes—but Jim and Dawna sure can grow the Tomatoes, they have three varieties growing in their back yard. The Pixie type, especially for Nadine, what a crop. I came home with a bag of the lovely "Bonnie Best" Uhmmm! they are good.

I went with Norman and grand sons on Monday to fish, it was very nice down by the Fraser River, had a picnic lunch—sure did enjoy the afternoon, of course we didn't bring home any fish, but the one that got away—with the hook and part of the line, — can't-tell how big it was. Douglas said, it nearly pulled me into the river. While we all watched a young boy hauling in his line with a nice fish —a dog made off with our chunk of (Roe), when Norman recovered it there was not too much left—this created much laughter along the river bank! All in all it was a very nice "Thanksgiving" for me. We all have so much to be thankful for—if only we would pause sometimes to count our Blessings and truly give Thanks. How to count your Blessings
Count your garden by the flower
Never by the leaves that fall
Count the days by golden hours,
Don't remember clouds at all!
Count your nights by stars—not shadows:
Count your life with smiles—not tears;
And with Joy on this pleasant "Thanksgiving Day"
Count your age by friends — not years.

Back To The Good Old Days

by Olga Belisle

People might not miss what they don't have, but in "the old days" everyone knew the presence of trees, flowers and birds. Now, in our lifetime those creations and wild animals, who have a right to co-exist, continue to diminish.

An enchanting book for small children is Timothy's Flower, with colorful realistic illustrations. Written by Jean Van Leuwen, it tells about a small negro boy's lonely life in a New York tenement. A few adults, however, transform his dreary days by helping him to acquire a small plant. This the child tries to grow in a paper drinking cup filled with soil. This and the following books are coming to your library and will be available if you request it.

With everyone taking to bicycles these days, one author claims anyone — even a woman who doesn't understand mechanical things — can learn to fix a bicycle. (This might be on the bottom of a list of things some women don't care to learn). The book contains much advice and illustrations, entitled Anybody's Bike Book (An original manual of bicycle repairs), by Tom Cuthbertson. He has no use for some bicycle accessories as readers will gather from the last page.

The 1901 Eaton Catalogue displays ladies bicycle skirts for $5. Blouses were called waists, and other ladies' wear included tea gowns, petticoats and cloaks Umbrellas were sunshades and parasols. Ladies fans were in evidence, as well as ostrich boas. Times must have been tough for birds then, also, for many feathers and natural gull wings were in style. Impressive were ladies' caperines, and fancy shoulder scarfs of seal, Alaska sable or Persian lamb were low-priced. Men also had an array of bicycle clothing.

Alongside guns, rifles and ammo, the catalogue lists Bibles, hymn and prayer books. The family horse isn't forgotten for there is shown a horse net-a woven covering for only $1.35, completely covering the animal. It kept the flies off while plowing or treshing.

Dons Dump Coquitlam

It was a good league opener for Aldergrove Dons, Sunday. Opposition was provided by Port Coquitlam as was the contest's first goal, in the tenth minute. Before the interval though, Don's centre forward Sid Anderson made it a brand new ball game and in the 35th minute of the second half, Anderson co-operated with John Potter to sink the winner.

Individual standouts were coach-captain Glen O. Clark, goalie Ted Warmerdam and Russ Bradley who, though new to senior play, has shown up very well in recent games.

Fort Hotel Humbles

Not exactly—it takes more than one loss to humble that outfit. Our informant, who did not divulge his name offered no excuses. He did, however say that the referee was obviously a Protestant and probably an Orangeman to boot. The final damage stood Haney 5, Fort Hotel 2, an undefeated skein rudely marred. Individual stars were George Timmins who scored both counters, and Don Frinskie who stood in at goal, shutting out the hordes for a full thirty minutes. It was his inaugural appearance in that role and the only real danger was that he may get to like it.

Next Sunday the Hotel squad hosts Port Coquitlam at the Fort grounds. Fans are requested to come on foot or on bicycles where possible as parking facilities are limited

Scheduled for 2:00 p.m.

House League Action

This is something else again and for immense participation ranks with anything in the country. Div. Ten went like this as of Saturday:

Belmont 1-Aldergrove B 0
Aldergrove A 0-Simonds 2
West Lang. 1-Lang Cent. 1
Fort 1-Peterson Rd. 1
Sperling Bye
Division Nine:
West Lang. 0-Aldergrove 1
Murrayville 0-Central 3
Fort 2-Belmont 0
Peterson Rd. Bye
Division Eight:
West Lang 2-Grove 2—This one was a bit shocking. Aldergrove led 2-1 until the final minute when a handball penalty shot gave away the draw.
Lang. Cent. 0-Sperling 3
Simonds 1-Murrayville 1
Fort 0-Central 5
North Otter Bye.
Division Seven
Murrayville 2-Central 2
Simonds 5-Aldergrove 2
West Lang. 0- Fort 0
Langley Central Bye
Mixed League:
Murrayville 9-Glenwood 0
Belmont 2-Peterson Rd. 2
Fort 0-West Lang. 1

Cross Country Race

If You Want To Run

If you like to run and run—and if you are between the ages of eight and sixteen —and if you are a boy or a girl, then here's the news that you want to hear. Abbotsford Track and Field Club, guided by clansman Bill Ross is to hold a cross-country race. It will be Sunday 2.30 P.M. Oct. 17th at the Matsqui Drug Centre on King Road.

It is open to anyone who cares to enter regardless of ability or experience. There will be medals for first place and ribbons for second to fifteenth plus team championship ribbons.

The classes and distances are arranged like this.

Tykes-9 and under as of Jan.1, 1971. They run eight tenths of a mile.

Peewees-11 and under as of Jan. 1, 1971. Boys run one and one tenth miles. Girls run eight tenth of a mile.

Bantam - 13 and under as of Jan. 1, 1971. Boys run one and a half miles. Girls run one and one tenth miles.

Midget-15 and under as of Jan. 1, 1971. Boys run two miles. Girls run one and one half mile.

It is a grass course. Spikes or sneakers will be optional as footwear. The trails are uphill and down dale and it is an excellent situation for beginners and veterans alike.

Cost is twenty-five cents per athlete and one may register on the spot.

Further particulars can be had by talking to Bill Ross (859-9540). He lives at 2136 Primrose Street, Abbotsford.

There are lots of kids in the Langley-Aldergrove area who would like to make a bid in cross-country running who have never been allowed the chance. A good many others are grooming themselves for the B.C. Elementary Schools Cross Country Championships. And they need a warming up. Here is an opportunity for both.

Late News

Div. 5, Aldergrove Navy ground out another pair of wins this weekend. Saturday they rolled over Riverdale 3-1, with goals by Jeff Mayer (1) and Enrico Giustra (2). Sunday in an exhibition they defeated Fort 2-1. Dan McLean (1), Jeff Mayer (1).

Georgians Busy

Georgians, ever busy, humbled hapless Riverdale 4 - 1. Coach Ken Robinson reported the game as more of an experimental effort.

On Saturday The Sun Shone

And the ball bounced. Representative teams again went out to do battle and to carry the community honor. Div.7 LSC guided by a grinning Rick Mowles moved against top-rated Bel Aire. Before full time Mowles' smile had turned just a bit wolfish, but it was still there and the Coquitlam club had foundered 1-0 on their own pitch. "The boys are not playing badly," was his comment.

Also in the seventh, Aldergrove Navy hammered its way to a win. Coach Sid Anderson was outspoken in praise of his eleven, but unable to choose a standout. "There was no weakness whatsoever," he said. "They all played very well." Don Desjarlais struck for a hat-trick -Rob Hatchwell, James Ferguson and Ray Norfolk scored singles. The latters was a converted penalty shot. Final score Grove 6, Surrey United 0.

Aldergrove Legion Vs. Georgians was the match of the season. And the day was perfect. Over the last couple of winters, Georgians have been able to fashion no better than the odd draw with Legion and those were very infrequent and uphill. On Saturday dawned a new era—or the rebirth of an old one. With Ken Robinson again at the helm and an infusion of new players, the Georgian side was very refreshing to see. Aldergrove—also under new management had lost none of its effectiveness.

Play began hot and heavy—not polished by any means, but with the wild abandon of two sides intent on winning at expense of life and limb is necessary.

Grove hit home first. Langley replied. Grove went ahead again and were tied again. Then Langley took the lead making the score 3-2. There was no doubt that the Aldergrove club was shaken up, by this reversal, but they rallied, notching two. Georgians fought back bitterly, applying relentless pressure, but were throttled at the goal line. If anyone in the contest could be picked as a standout it had to be Makela in the net. Final score Aldergrove 4, Langley 3. The next meeting of this pair of clubs will be worth waiting for.

Defending B.C. Champions Langley LSC Legion were held to a scoreless draw by and at Blue Mountain in Div. 5. The only interview that we were able to arrange was with Legionaire's centre forward Ian Strachen. "It was a lousy game. We stunk the place out."

Div. 4 IOOF shut out Surrey United but only just. With one minute remaining all wise money was on a double shut out. Big Kevin Fraser chose that moment for one of the more spectacular moves drilled into him by his father, Silent Stan Fraser of former coaching fame—a point-blank blast ricocheted from the buttocks of a defender and the clock ran out. Langley IOOF 1, Surrey United left with 0.

LSC Div. 4 rep. team played Bel Aire at City Park and got hammered. The visitors were big and played fairly sound soccer, but could not be described as first-raters. Langley just never came untracked. Backed into their own end from the opening whistle they never were able to tie plays together well enough to be effective.

Preston Kin Wins

Div. 2, Langley Kin posted their first shutout of the year Sunday at Coquitlam. The home side by virtue of considerable luck, fashioned a scoreless first half. Straight off the second half though, Langley centre Rick Massey romped one right down the middle for the go-ahead and after that it was all exercise. Rick tallied once more. Robin Neilson continued his torried scoring pace with another pair—Phil Bridson sank two including a penalty, and Rob Nagy put one in. Particularily effective were Vic De Gianni, Phil Bridson, and Mike Alston. Their positional play and deft ball control is beginning to bring the Langley side's forward line up to its potential.

Preston's of Div. 1 were deprived of a shutout at Delta, but came home winners anyway. The down-valley club made up for a rather unbalanced appearance with endless hustle and it was only an inspired Reg Swint in the nets who kept them off the scoreboard. Further along the line Reg stopped a penalty shot and has to be classed as the individual hero of the match.

In any case half-time score stood 4-0 on the basis of goals by Ferguson (1), Crawford (2) and Richardson (1). The home club fought back and managed their counter in the dying minutes. Final Score-Prestons 4, Delta 1.

Borsato 0 - Bradner 0

The two local perenial rivals, juggernauts of the Fraser Valley senior league, like two giant pythons in mating embrace got together in the traditional soaked pitch at Bradner and thrashed out a scoreless tie. That, too, was on Sunday. Langley, says our informant, carried the play. They blew the game too, he said, on a muffed penalty shot. C'est la vie.
