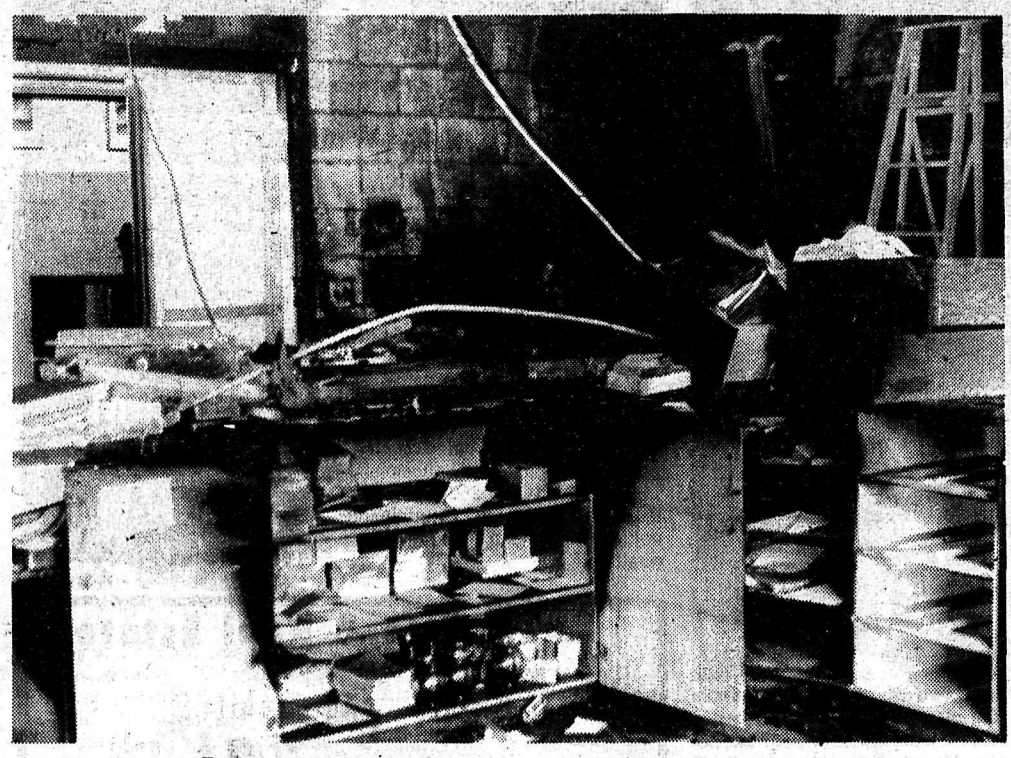
Come To AHS Carnival Friday



Each year schools think of a way to raise money for projects and most frequently this takes the form of an annual production - a drama, a musical or something similar. This year Aldergrove secondary school is putting on a carnival. The last time a carnival was held it was highly successful - more students were involved and more money was raised. Certainly a carnival is not as cultural as an annual production, however, since there is almost total mass participation, a carnival definitely has its advantages.

On Friday, March 20th, Carnival '70 will be presented by the students and staff of Aldergrove secondary in the school gymnasium. The fun fest begins at 4:30 and runs through until 11:00 p.m.

There is something for everyone - children, teenagers and mom and dad.

Just imagine - bingo games, bazaars, pony rides, games, teen dance, barbequed chicken, pizza, hamburgers, root beer, home cooking, cake walk, babysitting, Queen crowning - all in one spot - at Aldergrove secondary school.

Tickets for barbequed chicken supper are on sale for $1.75. There are three sittings: 5 - 6 p.m., 6 - 7 p.m. and 7 - 8 p.m. Get your tickets from any student of Aldergrove secondary school. The studends are also selling raffle tickets at 10 cents, which count for Queen votes and give you a chance on no less than 30 prizes.

Proceeds of Carnival '70 go directly to local school projects - library, athletics, students' council.

Saturday Evening Fire Destroys School Offices

The students of Aldergrove high school got an unexpected day off Monday, while teachers and office staff put in a full day's work rearranging office facilities.

The commotion was all due to a fire which broke out somewhere in the administration office Saturday evening completely destroying the offices and thousands of dollars worth of equipment.

The Aldergrove volunteer fire brigade was called at 9:26 p.m., but already at this time the fire had a good strong hold.

Desks, electric typewriters, an intercom system, Gestetner machines and files were severely damaged and destroyed.

Norm Sherritt, principal of the highschool told The Star that the files with the students' permanent records were damaged, but it would, however, be possible to reconstruct these.

All day Monday the teachers and staff were busy rearranging to make room for a temporary office in one of the classrooms, while room was being provided for the school counsellors in the library.

Apart from a slight rearrangement of home class schedules there will be no other changes in the ordinary school pattern.

The Carnival slated for Friday will go on as planned. The ticket stubs from the raffle are all safe; this seemed to be a big concern of the students.

Sherritt's office, the front office, and the offices of the vice principal and the counsellors were all destroyed and will have to be rebuilt.

Cause of the fire had not been determined at press time, but the estimated damage was set at approximately $35,000.00.

Board Of Health Meets Thursday

The next meeting of the Central Fraser Valley Union Board of Health will be held Thursday, March 26th, at 1:30 p.m. in the Kin Health Centre, 5549 Topping, Langley.

Chamber Set Committee For Centennial Project

The first meeting of the Aldergrove and district chamber of commerce under the leadership of the new executives, was held last Tuesday with President Don Charlton in the chair.

Past president Dr.Rob.Mout, told the members that he attended the meeting held at The Star office recently, regarding a centennial project for Aldergrove in 1971. The meeting, said Mout, was called by the Aldergrove Parents Swim Club, and the subject was a small hall and a cover over the existing swimming pool in the Aldergrove park.

Dr.Mout gave an outline to the membership of what had been discussed at that meeting, and asked that two or three members of the chamber join him on the committee and be present at the ne t meeting which is slated for Thursday, March 26th at 8 p.m. at The Star. Rev.Gordon Hyde, Irwin Enns and Mr.Kinna volunteered to attend.

Dr.Mout asked if the members supported the swim club's idea of a cover for the pool, or if there were any suggestions he could bring from the chamber to the ne t meeting. Mrs.Cathy Lehman suggested that thought be given to a senior citizens' housing project, while Cliff Watt proposed that rather than a cover over the existing pool which, he said, 'is too small' — a better idea would be to get the grant for a 25-metre covered pool which possibly could be built in connection with the Aldergrove high school, on existing school property. Another suggestion was an agricultural hall where horse and cattle shows could be held. The committee will bring these suggestions to the meeting.

Watt further was of the opinion that Aldergrove stands a good chance of getting the centennial grant this year, since the 1958 centennial grant was spent on the centennial museum in Fort Langley, and in 1968 the money went to Williams Park, and the city grant towards the library in Langley City. 'It should be our turn,' Watt statedm 'But we only stand a chance if we agree upon a project and make a united presentation to the centennial committee.'

Ideas Wanted For Centennial Project

It is expected that $28,000 will be available in grants from the provincial government and the Langley district for a permanent centennial project for B.C.'s 1971 centenary.

The Langley centennial committee is asking for ideas for a suitable project, to be submitted in writing before April 1st.

Aldergrove Girl Qualifies For Commonwealth Trials

An Aldergrove girl has qualified for the British Commonwealth sports trials in Winnipeg later this year.

Arlene Henderson, daughter of Lieutenant Commander and Mrs. W.D.Henderson of C.F.B.Aldergrove, achieved qualifying times at the Canadian Dolphin International Swim Meet held in Vancouver last week. She placed in 200 metre butterfly, 200 metre free style, and 200 metre individual medley. On March 1st, Arlene took gold in the 200 metre free style and 400 metre individual medley, silver in 400 metre free style, and bronze in 100 metre free style, at the Canadian International Swim Meet.

Arlene will be teaching swimming at the Aldergrove pool this summer.

Public Hearing Slated For Zoning Bylaw

A public hearing of the proposed zoning bylaw for Langley municipality will be held Monday, April 13 at the municipal hall in Murrayville. The meeting starts at 8 p.m.

The intention of the bylaw is to control the number of houses or dwelling units built or located on land within the municipality.

The proposed bylaw stipulates that only one dwelling or a duplex can be built on one lot, except where the property is subdividable under the subdivision control bylaw.

A copy of the proposed bylaw can be inspected at the Langley municipal hall during business hours.

Moccasin March Picking Up Momentum

Butch Smitheram, of 'Moccasin Miles', said last week the program is picking up momentum as the dates for the walk, April 3rd, 4th and 5th draws near.

Thirty secondary schools have indicated that they will be sending walkers to Vancouver to take part in the trek. Dawson Creek and Kitimat secondaries are the farthest points from Vancouver that will be sending in students to walk for the Indian cause.

Mrs. Terry Evans of Abbotsford, Mrs.Fallowfield, Mrs.Bergen, and Mrs.Dianne Nielsen of the Langley-Abbotsford area have been most active in creating interest and organizing help from the communities. Several service clubs of the Fraser Valley have donated either food or money for the walkers.

The Ladner Rotary Club is sponsoring a walker from the Delta area. Other interested businessmen are calling to learn how they may sponsor a walker or a relay team. Don McLaren, well-known World War 1 airforce ace, is backing Rocky Amos in the walk, and is canvassing some of the larger business firms for pledges for the relay teams.

The most heartwarming support, says Smitheram, is given Moccasin Miles this year by churches of all denominations. Radio station CJJC in Langley has donated $500 worth of radio advertising. CTV has donated $1000 worth of advertising also, and CBC is assisting by giving news publicity. 'And many of the weekly newspapers throughout B.C. have given us very good coverage and helped us a great deal,' says Smitheram.

Al Moberg has donated the use of his song, 'Walk in His Moccasins' to help create interest in the walk.

Smitheram says the only possible thing that can beat the project now is a cloudburst or a thunderstorm on the first day of the walk. He said he expects 1000 walkers to start out from Vancouver City hall on April 3rd, and four or five relay teams to start from the same spot on April 5th.

How's the Weather?

Last Week's Temperatures

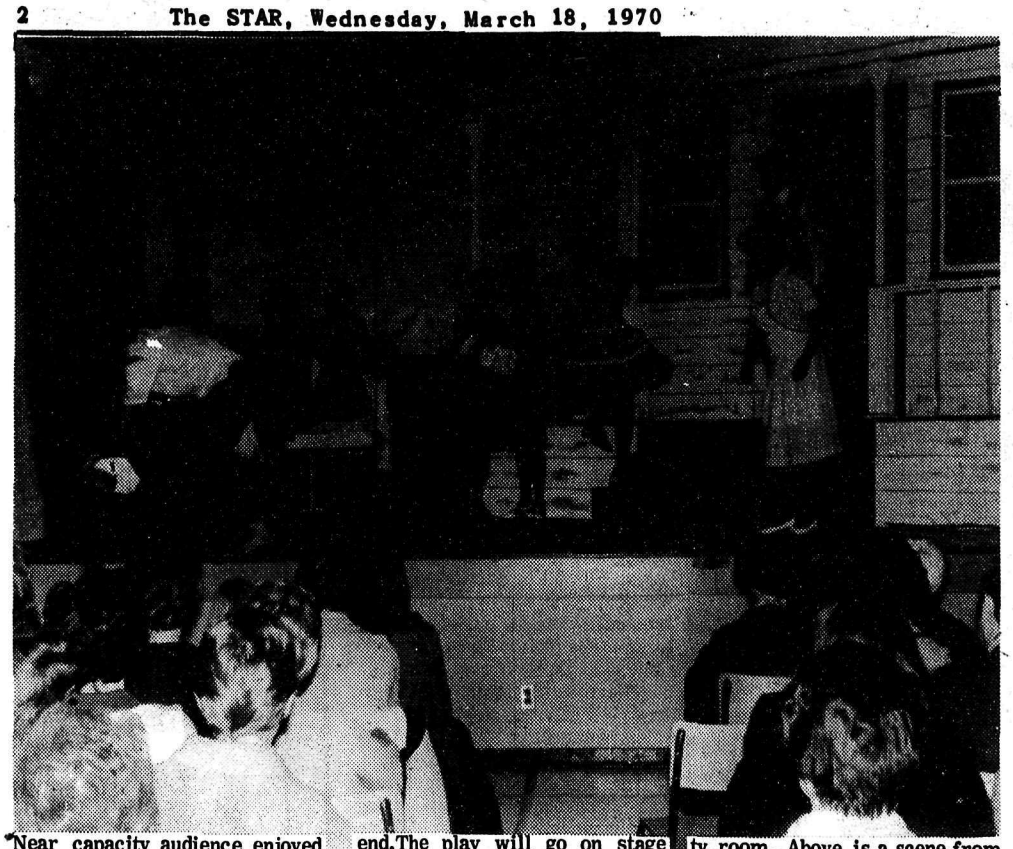
1970 Date	Temperatures High	Low	Rain
Mar 8.	54	26	-
Mar.9.	59	25	-
Mar.10	59	26	-
Mar.11	50	30	.18"
Mar.12	52	38	.24"
Mar.13	59	45	.27"
Mar.14	50	44	.70"

Normals for period: High 47-48, Low 32-33, Precipitation 1.36".

Mild weather has been the rule since January 19th. In that period (55 days) only eight days have had means below normal and only four days have had max. below normal (Jan.30, Feb.4, Feb.5, March 2). The mean on Friday (52 deg.) was 12 deg. above normal and the highest since Oct. 31 which had 53 deg. (low 47 deg., high 59 deg.)

Prior to the wet weather which commenced on the 11th only 0.96" had fallen in the twenty days, Feb. 19 to March 10. In that period 17 days were sunny and 18 had frost.

Total snowfall this winter totals 7.8". Only three winters in 19 have had less - 1952-53 with 5.0", 1957-58 with 0.2" and 1960-61 with 4.7". Normal is 37.4". Last winter had 91.8".



Near capacity audience enjoyed the Langley Players Spring performance of 'Picnic' last weekend.The play will go on stage again this Friday and Saturday night in the Murrayville activity room. Above is a scene from the play with Mickey Armstrong Jerry Watson,Carol Englund,Beda Marten,Judy Misculin,Patty Caplette, Eileen Bowcott and Jean Graham. Also in the play is Mary Stuart, Peter Coles and Geor-Cascadden. Lee Taylor is directing.Curtain time is 8:00 p. m. For reservation of tickets phone 856-8303.

Mark Rose M.P. On The Move

– St.Jean, Quebec ... Fraser Valley West ... B.C. Legislature ... Teach-in – with the assurance that a moving target is harder to hit.

during the past fortnight I've travelled from the extremes in temperature of sub-zero St.Jean, Quebec to the springtime sunshine of Fraser Valley West.

When I come home to visit the riding I am sometimes greeted with 'What are you doing here, Mark, I thought we sent you to Ottawa to speak for us and why aren't you there?' Or I may be hailed by 'It's good to see you, Mark, the last fellow we elected went away for four years and the ne t time we saw him was when he came around to ask for re-election.'

Seriously, only part of an MP's job is in Ottawa and I've endeavoured to be both visible and available in our Riding as well.

This time, my fifth series of 'personal interviews' were held through the auspices provided by the municipal councils of Pitt Meadows, Port Moody and Langley City. The cooperativeness of the councils in Fraser Valley West in this joint effort is a measure of their interest in serving the public.

Two-hour meetings were scheduled for each centre but the time had to be extended to more than four hours because 20-30 people attended for information and assistance. There has been a growing interest in the practice of being readily available to constituents, and while, like the lawyers, I can't 'win 'em all', citizens do have the opportunity to lay their beefs or appeals directly before their Member.

ST.JEAN

Two weeks ago I spent five days at the Royal Military College here, 18 miles southeast of Montreal, taking an 'immersion' course in the French language. Despite three years of the subject in highschool, I am unable to communicate in the language of French-speaking fellow-Canadians.

Recently 350 Quebec dairy farmers appeared before our group to bring their problems to our attention. The only member of our caucus present who did not have to rely on translation to understand what these people were saying, was Grace McInnis. I do not believe the ratio would vary greatly within the other parties.

To those of you who say that Canada would be better off and have fewer problems as a unilingual country, I agree (that is, if we close our eyes to the United States problems) but the decision to become bilingual was taken a hundred years ago and not by me.

FIRST IN CANADA

... and the third in North America, an Environmental Teach-In sponsored by the University of Victoria's biology department attracted 1500 people to discuss pollution and population.

In addition to the university experts present, there were representatives from the government and the oil and forest industries. The latter emphasized being 'realistic' and were preoccupied with the cost of the clean up.

The citizenry face this cost because of too much 'realism' in the past from industry and all levels of government and too little realization of the alternatives for humanity without it.

BENNETT's BAILIWICK

Had the experience on the 6th of March of visiting the legislature in Victoria for the first time since becoming an MP, and I was introduced by Dave Barrett, MLA for Coquitlam. The response came from Prime Minister Bennett.

Mr.Bennett, who was my landlord in Kelowna for five years, said he couldn't understand how I strayed. But a person's choice of a political party is determined really by one's view of life and of people. I guess mine's different from his.

TAXATION 'REFORM'

... as proposed by Finance Minister Benson's White Paper has inundated my desk with letters and briefs from various concerned groups. One of the most sensible briefs received to date came This organization is to be congratulated for putting the interest of the 'average guy' above enlightened self-interest.

Chamber Welcome New Members

The Aldergrove and district chamber of commerce welcomed eight new members into the organization at their regular March meeting.

The new members were Mrs. G.W.Goertz, Mrs.Sheila Oros, J. Butler, Rev.Father Sorel, Mrs. P.Justice, Rev.Gordon Hyde, J. Price and G.W.Kinna.

THE CORPORATION OF THE TOWNSHIP OF LANGLEY

PUBLIC HEARING

Zoning Bylaw No1302

A Public Hearing will be held in the Municipal Hall, Murrayville, B.C. on Monday, April 13th, 1970 at 8:00 p.m. to give consideration to the above Bylaw.

The Bylaw controls the number of houses and other dwelling units, which may be erected or located on land within the municipality.

The basic stipulation of the Bylaw is that only One Dwelling or Duplex will be permitted on any one piece of propert; except where the property is subdividable under the Subdivision Control Bylaw. All types of dwelling units are permitted in designated Urban Areas.

A copy of the Bylaw may be inspected at the Municipal Hall, Murrayville, B.C. (Monday to Friday from 8:30 a.m. to 5:00 p.m.)

D.J.DOUBLEDAY,
MUNICIPAL CLERK.

OAPO

Supper Postponed

The OAP pancake supper in Aldergrove has been postponed until further notice.

Whist will be played Friday, March 20th at 1:30 as usual.

Coghlan News

P.T.A. Thursday

by Mary Butler

A PTA meeting will be held Thursday, March 19th at County Line elementary school. Time is 8 p.m. Mr .Babchuk will show slides from Jamaica.

Mr.and Mrs. R.Clark, of Kelleher, Sask., are visiting Mr. Clark's sister and family, Mrs. H.Kirkham, of Kendall Road.

The Clarks are going on to visit Mrs. Kline, of Crescent Beach, and friends in Vancouver. They arrived Feb.26th and have toured all of the lower mainland, enjoying the warm Fraser Valley weather.

'Grove Will Represent Fraser Valley In Provicial Championship

Aldergrove will represent the Fraser Valley in the provincial championships as a result of the division 5 soccer team's 4-0 win over Mission in Langley City Park Sunday, March 15th.

Before the game, Ed Chieduck presented the team with the Aldergrove SuperValu trophy for winning the Fraser Valley league championship in division 5.

The halfback line was made up of centerhalf Brian Makela, who also scored the first goal of the game, Bill Tucker, who came through with the second goal, and Deane Miller and Murray Beggs, who both played a very fine game. Bruce Ferguson scored twice. Soren Larsen, Alan Craig, Brian Hart, Ralph Zillich, Karl Friesen and Gary Chard, were all in the forwardline, where they had to put up a strong fight sion defence, and had to content with the mud in the goal mouth where the ball suddenly stopped, finishing a good passing attack.

Barry Makela was great in goal and earned the shut out, and the two fullbacks, Mark Breier and Reid Johnston did not make any mistakes, helping Barry to his shutout, by turning back the Mission forward line.

All the players put up a very fine performance.

Sugar Coated Soccer Players

In division 7 knock-out cup play, Aldergrove Navy coach Henry Larsen, despite a 1 - 0 victory over Fort, was left talking to himself. 'We will want six or so new players ne tyear,' he said. 'I'm sick and tired of team members who can't play because 'Mummy says it's too wet'.' Navy was able to field just ten men. Chris Larsen, harry's son turned the trick scoring the contest's only marker. Sid Davies was picked as the outstanding player for the winners.

Larsen was not the only coach to suffer. For his exhibition with Surrey United, div.6 IOOF coach Don Frinskie was short-handed – so badly that he had to run in a pickup goalie from the sidelines – in gumboots yet. The lad played very well. End product: IOOF 2, Surrey United 2.

Also in sixth division play, Fort fell 3 - 1 to Abbotsford Legion. Fort scored first on a penalty and the goal stood up for twenty minutes, but the visitors had just a bit too much in every department – particularly beef. Fort, incidentally, was at full strength despite the rain.

Also on Saturday, Northwest Langley United qualified for the div.3 K.O.cup, shutting out Sumas 2 - 0. Both goals came from the big left boot of John Tomlinson.

Provincial Cup Showdown

The tops in every division met at Langley City Park Saturday and had it out to see who will represent the Fraser Valley in the provincial cup championship. It was a gala day despite the downpour, with several hundred people putting in appearances Division 7 went the way the experts had picked it. Langley Legion, undefeated in league play was the eventual qualifier over Langley Sports Club Hawks. Hawks put on a creditable performance, coming close on several occasions but unable to capitalize. Final score was Legion 2, Hawks 0.

The division 6 finale was a classic. Abbotsford Legion, who finished second in league play had qualified by upsetting favored IOOF. Their opponent, Langley Sports Club had longer odds against them than did Cinderella, but at the end of regulation time there was no score. After just three minutes of extra time, Sportsmen hit the cords. The goal stood up throughout. Final score: Langley 1, Abby 0. Had the goal not been notched, Abbotsford would have been declared winners as they were far in the lead on corner kicks.

Division 5 went as coach Wolf Zillich had predicted, 4 - 0 to Aldergrove over Mission City. The game was really no contest. 'Grove scored early and kept up steady pressure until the final outcome.

What the division 4 Langley Kin – Langley Sports Club match lacked in soccer ability, it made up for in desperate action. To an impartial observer the spectacle must have been entertaining indeed. Play was about even, as were scoring opportunities, but Sports Club carried far more punch up front and were able to capitalize three times, while Kin were blanked. The winner gets to play Cliff Avenue United in Burnaby.

The division 3 win was the only one to go out of Langley. League champion Abbotsford Legion slugged through the muck and mire that City Park had become, to drub Langley Rotary by a big six-nil difference. Rotary has a good backfield while Abby's foreward line sparked by Larson and Ross, is superb. The weak link appeared to be the Langley front end men who were not able to control the ball and work together long enough to ease the pressure. Result – the backfield succumbed and despite the efforts of goalie Greg Palmer – who was often indistinguishable from the topsoil, the home town club's hopes and dreams went up the flue.

The winners in each division will tackle champions from other leagues, losers being eliminated. It will go on until there are only two left in each class to slug it out for the B.C. title. And the B.C. title, Ladies and Gentlemen, is real status.

Bradner Looses To Langley

On Sunday, Langley Borsatos gained the first victory at Bradner in several years. At issue was the Bradner cup semi final, and in spite of the downpour a fair crowd was on hand.

Our reporter at the game comments that goalies Brady for Bradner and Poolevoorde for Langley both performed magic and with just three minutes remaining the score was still nil-nil. At that point Borsato centre Wayne Sater, who until then had been masterfully checked, beat his man to the ball and stroked the winner home. The winners will now face Semiahmoo Saints in the final.

In an earlier contest on the same pitch Pat Mulhern's div. 2 juveniles were spanked 4 - 1 by Bradner Royals of the Fraser Valley senior second division. 'We stunk the place out,' said Mulhern. 'It's my first loss to a Bradner team in eight years of coaching soccer.' Bradner's coach, McMath, could not be reached for comment.

SHARE YOUR GOOD HEALTH

Belated Thanks To Mrs. White

Several rather heated phone calls from both teachers and students have pointed out that in handing around bouquets on the late elementary schools volleyball championships, we missed out one lady, without whose leadership and willingness to do more than her job calls for, the whole show could not have happened.

The staff of The Star wishes to e tend to Mrs. Melitza White of Aldergrove elementary, both our apologies for the oversight and our congratulations on a job well done.

John Young Comes On Strong

Jolting John Young took another long stride toward being a contender in next month's B.C. boxing championships by belting out a unanimous decision over Vancouver Firefighters' Phil Ethier in the 100 lb. class of a rather poorly officiated card held at Ladner last Saturday evening. As a point of interest Langley handlers, wishing to find out the margin of victory on the judges slips asked to see same. 'Coaches of fighters who win bouts may not see the slips,' said B.C.'s head referee Tommy Ponessa.

'Yes, they can, there is no such rule,' averred Boxing Commission chairman Mr. McLusky. Club manager Walt Austin did not press the matter further, but was heard to wander rather thoughtfully just what was going on.

John Young, in any case, knew what he was doing. The red-haired local scrapper has never looked sharper hitting with authority to head and body, while chaining together combinations that would have done credit to a boxer with many more years experience.

Rugger Club Knocks On The Door

Langley Rugby fifteen will be threatening first spot ne t Saturday when they tackle the highly rated scribes at Fort Park, 1:00 p.m. Scribes are undefeated in six starts and Langley, after their 1 - 11 triumph over University of Western Washington are sporting one loss and a five game victory binge.

Saturday's contest was a squeaker. The locals, sparked by tries and kicks from Bill Muir and Tom Steele had rambled to an 11 - 0 lead by half time. As the second interval wore on the U.S. lads, despite a weaker scrum, appeared to be gaining strength and fought back to an 11 - 8 difference. Each club notched three more points, and in the words of our contact, 'The final moments were somewhat rougher than usual.' Anyone who has witnessed English rugby will interpret this as meaning that the action closely resembled the international game held at Hastings in 1066.

Everyone interested in the showdown is cordially invited – Fort Park, 1:00 p.m. Saturday.

Totem Race Results

About 200 spectators watched 50 riders battle through the mud to the finish at Totem Raceways Sunday. The race results were:

125 cc., Peter VanBreugel, of Aldergrove, on a Fred Deeley Ltd. Yamaha.

250 cc. junior, Dennis Skjerpen, Surrey, on a Bultaco.

250 cc. senior, John Westgate, of Coquitlam, on Ossa.

Open junior, Brock Bailey, of Victoria, Maico.

Open senior, Jerry Hall, of Burnaby, on a Bultaco.

Open expert, Peter Van Breugel, Aldergrove, on a Yamaha.

Grand Prix, Bob Mutch, of Chilliwack, on a Husky.

The ne t race at Totem Raceways will be held March 29th.

The Aldergrove secondary school junior boys basketball team did quite well this year, placing fifth in a 10-team league that provided such opposition as MEI an Abbotsford who later went on to the provincial finals.

Excellent performances were put forward by Doug Makela (the league's second highest scorer, averaging 15 points per game) and by Ken Moore who placed fourth, one point out of third place. Ken's average for the year was 14 points per game.

Bottom row, left to right: Brian Makela, Tom Forester, Doug Makela, Leonard Goin, Roy Miller. Top row, left to right, Ken Moore, Jerry Anderson, Don Simpson, Doug Olson, Pat Hatchwell, Kim Pedersen, Bill Singer (coach).

What's This

Very Interesting

by Eric Flowerdew

I note two interesting statements from a local alderman, one deals with certain private nursing homes who want more money to care for our senior citizens at a profit. Of course, the alderman could have said that it is about time that a municipality which can find ways and means of operating public owned road and school, then it certainly could find the means to take care of our old people as well. The government could protect the senior citizens from exploitation at the so-called golden years.

The trouble is that too many aldermen and mayors do not want to embarrass our provincial government. The whole business could be operated under the B.C.Hospital Insurance — but, again, who cares?

In Vancouver, Alderman Harry Rankin spoke about the Vancouver vote for the $50-million five year plan. He did support the plan, but as he said, 'Money, at least for municipal loans, should be available cheap, namely two percent, and should be borrowed from one bank, namely the Bank of Canada.'

Some people might call me a Communist for mentioning the Soviet Union, but that country, nonetheless loans money to community improvements at two percent. I think all municipal finances should be done through our Bank of Canada, whether for roads schools, water or sewer services, or what have you.

In the meantime Langley district has one of the highest unemployment rolls and more people on social assistance than any other place in B.C. So when our council draws up the budget our need for social assistance will be very high. Is this what's called 'the Just Society'. Just, yes, for those who are getting 10 to 20 percent interest on their money.

I Do Object

I watched the opening of the so-called World's Fair — Expo '70 in Japan, on t.v.

How come, once more, they forgot to invite Red China. This is a nation that has a larger population than all of the white race put together — 800 millions of human beings.

It's time we learned something about just what starts a war. When the world money leaders saw to it that the Chinese were left out — this hurts and hurts — and insults can very often start a war. The show suggested Peace — I hope they believe it.

Speaking of Japan, I can remember how the Allies were going to pension of this country's emperor after 1945. Well, he still looked good on t.v.

To my mind the treatment of China during the sixties, as carried on into the 'seventies, is a colossal blunder.

I Wonder

Do the Japanese propose to pay workers for not working? Or should I say farmers not working at growing wheat. But our government does — in a world that goes to bed hungry the same night you read this column.

I Was Glad

Two districts voted against proposed money bylaws for schools. One day, I think, the people are really going to get mad over the steadily rising municipal taxes; councils have no power, except to cut their board of works budgets. The Union of B.C.Municipalities used to fight the provincial government — they don't do that too much any more, and not too many local politicians are elected MLAs.

Birth

Born February 19th, 1970 in the Langley Memorial Hospital, a daughter to Mr.and Mrs.Rod Engman (nee Dawn Haid), of 19617 48th Ave.,Langley.

The baby, named Christine Elaine weighed 7 lbs.9½ ozs., and is a sister to Ricky and sheryl.

Proud grandparents are Mr. and Mrs.Charles Haid, of Aldergrove.

Annual Rock Club Meeting To Be Held In Princeton

The regular meeting of the Fraser Valley Rock & Gem Club was held Saturday evening at the Aldergrove OAPO hall.

Twenty members and three visitors were present.

The annual meeting of the B.C. clubs will be held at Princeton this year. No date has been set yet.

Roger LeGentil and Stewart Evans will give the rock talk at the April meeting.

Door prizes were won by Craig Jackman, Elsie Young, Mrs.S.C. Lehman and Mr.Janzen.

The Coquitlam Club's rock show will be held April 5th in the Elks Hall on Shaughnessy St. Cases by clubs or individuals are welcome. The Rock Swap will be at Bear Creek Park on June 14th.

Two of the club members who have birthdays in March, Ernie Pfister and John Buehler, were surprised with a beautifully decorated cake (rock theme) complete with candles and presented by ten of the junior members.

The next meeting is April 11th in the Aldergrove OAPO hall at 8 p.m. Visitors are welcome.

Langley Centennial Committe

COMMEMORATIVE CENTENNIAL PERMANENT PROJECT

It is anticipated that there will be some $28,000 grant available with which to build a permanent project to commemorate the 1971 Centenary.
The Committee will entertain ideas for a permanent project. Such ideas to be submitted in writing, to the undersigned, to be received not later than 5:00 p.m., Wednesday, April 1st, 1970.

(Miss) E.V.COATES,
Secretary,
c-o Municipal Offices,
Murrayville, B.C.

THE CORPORATION OF THE DISTRICT OF MATSQUI

NOTICE Of Meeting Change

The next regular meeting of the Council will be held on Wednesday, March 25th at 7:30 p.m. and not Thursday, March 26th.

B.E.STRONG,
MUNICIPAL CLERK

THE CORPORATION OF THE DISTRICT OF LANGLEY

REMAND HOME

The Municipal Council will receive applications from persons who are willing to make their home available for use as a remand home. The home would be used for placing juveniles who come before the Juvenile and Family Court.
The written offer should give details of the home and the type of supervision to be provided and fee required. Address offers to:

D.J.DOUBLEDAY,
MUNICIPAL HALL,
MURRAYVILLE, B.C.

HELMUT GLAWISHNIG
Service Manager

Large Group From US Expected For Can-Am Race

The third race of the year is being held at Totem Raceways on March 15th. Conditions should be greatly improved now, with the track dry and fast.

More riders are arriving for each event. Alarge group is expected from the U.S. for to sharpen up for the Can-Am challenge later this year.

Dry weather, and bigger and better jumps will make it a great crowd attraction. Come out and see the fastest and roughest sport in Canada today.

The races start at 1:00 p.m., with practices commencing at 10:00 a.m., at Totem Raceways on LeFeuvre Rd., just east of Aldergrove. All the races are CMA sanctioned.

Planterboxes Become Agg. Assn. Charge

The Aldergrove and district chamber of commerce received a letter last week from the Aldergrove Agricultural Association, asking the chamber's permission to plant roses in the planter boxes in town, and to take over the general care and maintenance of these boxes.

The chamber agreed to shift the responsibility for the boxes to the Agricultural Assn., and since the question of whether or not these planterboxes should be painted or not had been raised recently, this decision was left to the agriculturists as well.

If at any time the Agricultural Assn. should decide to give up the responsibility for the boxes, this will automatically revert to the chamber.

Iguana Visits Elem School

Mrs.Farenholtz, the grade five and six teacher at Aldergrove elementary, brought an iguana to school last week. Two boys, Daniel Brama and Terry Barkwell brought the stuffed specimen to each class in the school. This is the report Dan Brama wrote:

THE IGUANA

The members of this family of lizards differ greatly in their looks and habits. Most of them are green. Some take on the color of their surroundings. Many of them have unusual saw-like teeth. They also have large pouches, or dewlaps under the crests along their backs. They feed on leaves and other plants.

Most iguanas are found in the Western hemisphere. There are two kinds, however, in the Malagasy Republic and one kind in the Fiji and Tonga Islands and in Northern Me ico. They usually live in trees and burrows. their flesh tastes like the white meat or flesh of a chicken to the Latin Americans.

Terry went through all the rows in the class to give each boy and girl a chance to feel and see the iguana, while Daniel read his report. The pupils asked so many questions we hardly knew what to say. These are some of the questions:

How long are their claws? Can it kill you? — Did you shoot it with a rifle?.

Daniel's and Terry's stomachs ached a little because they were so nervous. After all the commotion we went back to our room.

The stuffed iguana belongs to Brian Ashdown, of Abbotsford. Brian's parents, Mr.and Mrs. J.A.Ashdown brought it back with them from one of their trips to Mexico.

Chamber Will Push For Crosswalk

Clarence Sherlock asked the Aldergrove district chamber of commerce at their regular March meeting to send a request to the B.C.Dept of Highways for a cross walk and signs to be erected on Fraser Highway by Goldstream Ave. He told the meeting that the request was from the old age pensioners who were afraid to cross the highway on their way from the Langley Memorial Hospital to the bus stop on the other side of the road.

The chamber will send a letter with this request to the department, with copies going to the municipal council, Langley city chamber of commerce and Fort Langley board of trade.

The OAP organization also asked for a shelter by the Murrayville bus stop. This request will be forwarded to Langley district council.

30 Mile Speed Zone To Be Extended

Margaret O'Leary suggested to the regular meeting of the Aldergrove chamber of commerce that the provincial highways department should be contacted and requested to move the 30 mph. speedzone a quarter of a mile further east and west of the heart of the town than it is at present, and that a double white line be painted on Fraser Highway up to the signs.

'Every day we hear trucks and cars zooming by, passing each other on that heavily trafficked stretch,' Mrs.O'Leary said. 'As soon as they see the 50 mph zone sign they speed up and pass other vehicles in front of on-coming traffic.' Fred Dams stated that the same was the case in the west end of town.

The matter will be investigated and a recommendation brought before the ne t chamber meeting.

Don't Miss The Carnival

by Teresa Hogan

My article this week is devoted entirely to our Carnival '70,which is this Friday, March 20th. This year's carnival can definitely boast of something for everyone. The following are just a few of the many interesting events you will find at Carnival '70.

The Mod Room (a 'Light' show), bingo (a popular event), 'dunk the girl', chicken dinner, shooting gallery, pony rides (one the children won't want to miss), bazaar, 'shave the balloon' (a real test of skill), 'add three balls', adults dart game and children's dart game, target golf (for all the golf enthusiasts), 'hit the nail', fish pond (a real favorite, so come early), and a cake walk.

Now that isn't everything,there is lots more, so you better come and see for yourself. A new addition this year is the adult dance with our own school band providing the music. As at the last carnival, babysitting will be provided for those who desire it. And for those interested in refreshments, there is a wide selection of home baking, pizza parlor, Uncle Bill's Chuckwagon (hamburgers), ice cream parlor (a favorite of both the kiddies and adults alike), cake walk, and chicken dinner.

In the evening the Carnival Queen will be crowned. The candidates are: (Haida) Kathy Braun, (Nootka) Dale Johnson, (Salish) Lottie Braun, and (Tsimshian) Audrey Englot. The lucky girl will be chosen by the house that sells the most tickets.

Tickets will also be drawn for our big raffle, with such articles to be won as a pair of antique lamps, a plaque, spotlight, a service setting for four, ten games of open bowling, dresser set, lighter, jade pendants and earring sets, jade bracelet and many, many more.

So you see, there is a lot at Carnival '70, so come and see us and join in the fun ... this Friday, March 20th, starting at 4 p.m. We are looking forward to seeing you!

Liquor Report

by Hunter Vogel, M.L.A.

The long awaited Liquor Inquiry Report is in the hands of your MLAs. It will be most interesting to see how many of the recommendations will be implemented. The first thing to do is to get the information out and induce a giant feed-back of opinion. That is the purpose of this article. I would like to hear widely from the people of Langley constituency. Opinion on any issue is interesting and important. With a sensitive issue like liquor good judgment is imperative.

First of all – the moderates will say that the report allows every device for proliferating booze that any witness submitted. The report goes to an extreme, they will say. Let's look at a few.

First, the matter of lowering in the recommendations, has already been covered by the Majority Act. There is a further recommendation which is –that a parent or guardian be permitted to pour a glass of wine or beer for a minor whether in the home or in a public dining room.

A recommendation that I favor is one calling for sale of beer with a lower alcoholic content. People could enjoy then the social aspect of sipping a beer with friends without becoming intoxicated.

A good suggestion I think is that the Liquor Control Board could only e ercise its powers after a hearing and not in an arbitrary manner.

The 2 a.m. closing time for restaurants seems reasonable to me. People do not all work the same hours. Many people prefer to dine late. There is no wine and a late dinner.

I like the idea of sidewalk cafes and patio areas even if our climate is a bit cool. If we are going to have civilized dining with drinking, let us bring it into the open.

The Commission makes a good service on ROOMSERVICE, which is: "That miniature bottles of distilled spirits, wine and beer, can be available through room service hours, and beyond, by means of a mechanical device." This means slot machine distribution as I read it.

A few things for us to think about.

Obituaries

Hugh Nicholl

Hugh Nicholl, of 28183 McTavish Road, Bradnern passed away at home March 12th.

Mr.Nicholl was born Oct.30, 1909 in the county of Antrim, Ireland. He limed in the Aldergrove district for 13 years and was employed as a grounds man with B.C.Hydro and B.C.Electric for 42 years. He was a member of the Internat.Brotherhood of Electrical Workers.

Mr.Nicholl is survived by his wife Edna, and two brothers, Gilbert in Vancouver, and Ed in Coquitlam, two sisters, Mrs. Margaret Glibberg of Wash., U.S.and Mrs.Marie Marsh, of Burnaby. His mother, Mrs. Lydia Nicholl still lives in Burnaby, as do several nephews and nieces.

The Fort

by Anthony J. Ruffo

Although it wasn't really Sunday, March 15th, 1840, the colorful history of that era become vividly apparent as soon as you walk through the stockade door at Fort Langley.

The Fort was established in 1827 by the Hudson's Bay Company to serve as a base to promote the British Pacific Coast fur trade. It was located at the furthest point up river that ocean going vessels could navigate. Protected by the palisade was the 'Big House' which ensconced the chief trader, the clerk, and visiting company officers. There were the artisans' buildings which housed their workshops as well as their dwellings. The trading store, the cook house and warehouses.

Outside the Fort was an approx. 2,000 acre spread of Langley farms, owned and operated by the H.B.C. The produce grown on these farms were sent to Alaska on a contract with the Russian American Fur Co. in e change for permission to establish a fur trading post in the northern territory.

The Fort thrived on the gold rush of the 1850s, supplying miners with tools and provisions before their trek to the Fraser River gold fields. The H.B.C. was authorized by the Crown to accumulate gold exchanged for goods at the rate of $16 per ounce.

Not to be forgotten Fort Langley was Canada's first salmon e porter. During the 1830s when the Columbia River was consider ed the best route to the interior, the Fort was made into a profitable post through salmon exporting and its related discipline, barrel making.

1858 was to be the year of the boom and the year of the fall. The gold rush was in full flight and the profits realized were considerable; but an American steamer, the 'Surprise', managed to navigate the Fraser as far upstream as Fort Hope. Immediately following this feat Fort Langley's position became obsolete. British Columbia became a Crown Colony, which ended the H.B.C.'s exclusive rights in trading. Alaska was sold by the Russian to the U.S. thus terminating the lease with the Russian-American Fur Co. Slowly the fur trade declined. In 1878, Langley farms were subdivided and sold and in 1896 Fort Langley ceased to exist as a trading post, was abandoned and fell into ruin.

In 1931 the remaining building was purchased by the Native Sons of B.C. and preserved as a museum. In 1956 an agreement was made by federal, provincial and municipal governments, with the support of local organizations to partially reconstruct Fort Langley. The reconstruction of the trading store, the only original building left, was completed in 1958, the B.C. centennial year. To date the palisade, the main gate, the 'Big House and the carpenter shop have been reconstructed.

In the 'Big House' there are many of the original furnishings which have somehow survived. Uneven glass bottles, used for candle holders; the original safe, used to store the gold, and some old maps and pictures are but a few of the items. In the artisans' shop there are four work areas. a boat builders, blacksmiths, carpenters, and coopers. Each is outfitted with the tools of the trade, much like it would have been in the early days over a hundred years ago. Inside the museum many articles found in the area are on display. These include cannon balls, arrow heads traps, kitchen utensils, and one of the store's daily record books.

Something happens when you leave the Fort, when you look back to the stockade, much like Alice with her looking glass, another world, so real, so very very real.
