Second class mail registration number 1270.
WEDNESDAY, FEBRUARY 4, 1970
10¢ PER COPY

Following a session in the classroom where the grade 6 students of Mrs. Farenholtz' class at Aldergrove elementary school dissected nine chickens they wrote essays on the subject. Said one, "I always wanted to be a doctor but now the chance is very slight." Other comments were: "I don't think eating chicken will ever be the same to me anymore";

"I really don't think I'll be a nurse after all", and "It wasn't too bad, but I wouldn't want to repeat this day for a long, long time." The children all agreed with their teacher that it was a most interesting experience. "I just wish we had better lab facilities," said Mrs. Farenholtz.

Organizations Meet

Centennial Project Sought

The Aldergrove Parents Swim Club met last Thursday night in the Aldergrove Star office to decide on a program for 1970. The secretary, Mrs. D. Thompson reported that \$1,230.03 had been collected to date from the pledges made last year in connection with the children's swimathon at the Aldergrove Pool. About \$150 were still expected to come in, Mrs. Thompson said. The meeting, attended by about 15 people, decided to in-

vite a joint meeting of the executive from the various Aldergrove service clubs and organizations, to agree upon a centennial project for '71. The swim club hopes to put a permanent cover over the Aldergrove Park pool in order to make this into an all-year pool, but would welcome suggestions from other groups in the community. Mrs. Thompson was asked to send invitations to about a dozen organizations for a meeting later this month.

Six Months Prison For Breaking, Car Theft

James Gordon Labelle, 17-yr. old resident of Coquitlam, was raised to adult court and appeared in magistrate's court in Langley on Thursday, Jan. 29. Labelle was charged on two counts of breaking, entering and theft, and theft of an automobile from Keith Beadle Motors Ltd., in Langley. The accused was found guilty and sentenced to six months definite and eighteen months indeterminate. **String Of Offences Draws \$375 Fine** John Harvey Miller, of Fort Langley, appeared in Langley municipal court on Thursday, Jan. 29. The 24-year-old Miller was charged with speeding, driving without insurance, driving without a licence, and failing to stop at the command of a police officer. Found guilty, Miller was fined a total of \$375.

Undecided On Trailer Question

At a special meeting of Langley municipal council, Tuesday, Jan. 27, the planning officer presented a report to council regarding the number of existing mobile home parks, and the space provided in these parks. The report indicated there are a total of 338 licenced spaces in existence now, and some of the mobile home parks have approved expansion plans which would provide a further 114 spaces. The report also noted there are 223 trailers located on privately owned land in the district. A lengthy discussion was then held regarding the number of applications that have been made for the construction of new mobile home parks and, also, for permission to expand existing mobile home parks. Council decided that the whole matter needed further review and consideration. On motion of Ald. Blair and Breier the question of mobile home parks was tabled for further consideration of council.

Langley Council OK's Building Of Soccer Pitch

Langley district council, at a special meeting last week, decided to go ahead with the development of a new soccerfield on Brown Road. Alderman Ralph Barichello referred to a request made by a large number of residents for the development of the municipal-owned Brown Road property for sports purposes. A local contractor, Ed Walsh, had offered to clear and prepare the gravel pit property with his bulldozer for \$2,500. Barichello recommended that this offer be accepted.

Alderman Joseph Breier questioned the need for a soccerfield so far away from the centre of a community. "To my way of thinking," Breier said, "soccerfields are something a boy should be able to jump on his bike to get to." The biggest problem in soccer is transportation. After considerable discussion it was generally agreed that no matter where a soccer pitch was located there would still be transportation problems, and the main question at the moment was to supply the 900 soccer-players in the district with adequate fields.

Chetwynd Youth Faces Drug Charge

Clarence Clifford Burlinger, of Chetwynd, B.C., was committed to higher court on Wednesday, Jan. 28. He is to face charges of possession of hashish for the purpose of trafficking, and possession of L. S.D.

Although Burlinger is only 17, his case was raised from juvenile to adult court.

Chamber Installation Dinner Next Tuesday

Tickets are now available for the annual installation dinner of the Aldergrove and district chamber of commerce. The dinner will be held at the Alder-Inn on Tuesday, Feb. 10th at 6:30 p.m. Tickets are \$2.50 per person and are available from chamber members.

Guest speaker will be Mr. Neil McKechnie, president of Pacific GMC and president-elect of the B. C. Chamber.

Officers to be installed are Don Charlton who is taking over the chairman's post from Dr. R. Mout; vice-president Cliff Watt; recording secretary Mrs. R. Langmann; corresponding secretary Emory Fraser, and treasurer Mrs. D. O'Leary. Directors are Fred Dams, Les Williams, I. Enns, M. Courtemanche, Jack Nachbar and Clarence Sherlock.

Petition Circulated

A petition regarding new hunting regulations for B. C. is currently being circulated throughout the province. The petition, drawn up by a

Three More Ski Trips Planned

The Langley Recreation Commission is planning to extend the ski trips to Manning Park to three more sessions. "We have done this on popular demand," said recreation director Pete Swensson. "and we plan to leave Langley Hotel at 7 a.m. and Aldergrove Inn Hotel at 7:15 a.m. starting this coming Sunday, Feb. 8th." The fee for the three additional trips will be \$12 with instruction included. At least 30 skiers are needed to make this extension possible, so anyone interested is asked to either contact Mrs. B. Watt at 856-2622 (daytime) or 856-8102 (eves.), or mail the \$12 fee to box 26, Aldergrove.

No Smoking In School

The Langley board of school trustees last week discussed a request put to the board by the students of Aldergrove high school. The students council, backed by principal Norman Sherritt, asked for the permission to arrange for a smoking room in the school. The board, however, which meets under a self-imposed smoking ban, turned down the request.

New Regulations Needed

A petition regarding new hunting regulations for B. C. is currently being circulated throughout the province. The petition, drawn up by a taxidermist in Vernon, will be forwarded to Premier W. A. C. Bennett. Earl Carlson, of Vernon, B. C. drew up the petition as a result of his concern over the destructive hunting of big game in B. C. Says Carlson, "To date, every sportsman contacted, have approved the recommendations as they realize that if immediate steps are not taken to protect the game from depletion, soon there will be no hunting left in the province. The Star last week interviewed a local sportsman and hunter who completely agreed with the recommendations made by Carlson. John Heppner, of Langley, asked about his view said, "Mr. Carlson is absolutely right, I've been hunting for 18 years, and I have seen how big game year after year is becoming more and more scarce. Deer, moose, and even bear are about to become extinct, because of indiscriminate hunting practices." Anyone wishing to read the petition can do so at The Star office in Aldergrove.

Permit Refused On Condominiums

On Tuesday, Jan. 27 Langley municipal council held a special meeting. At this meeting an application from the Shamrock Golf Club, concerning the building of a condominium in connection with the golf course's development plan, was reviewed. This condominium project would contain 400 housing units. Municipal clerk D. J. Doubleday noted the population of this community would be approximately 1,500. This would be larger than Fort Langley or Aldergrove. After reviewing the circumstances, council on motion of Ald. Jensen and Ald. Ralph Barichello decided that this development will not be permitted because it is contrary to the planning programmes for the municipality.

How's the Weather?

Last Week's Temperatures Reported by Norm Green

1970	Temp.	Max.	Min.	Rain	Snow
Jan. 25	43°	38°	21"	-	-
Jan. 26	42	32	.43"	trace	-
Jan. 27	44	30	.08"	0.1"	-
Jan. 28	41	25	trace	-	-
Jan. 29	44	29	-	-	-
Jan. 30	40	26	1.02"	-	-
Jan. 31	49	34	.13"	-	-

Normals for the period: Max. 40-41°, Min. 28-29°, Precipitation 1.96".

January temperatures were a little above normal, and precipitation below normal. The mean temperature, 35.10 was 1.4° above normal. Temperatures ranged from 21° on the 10th to 55° on the 21st. Three days reached the fifties (21st, 22nd and 23rd) and two, the 15th and 17th, had maximums of only 32°. January 1969 had only ten days with temperatures above 32 deg. and seven had maximums below 20°. Nine days were mostly sunny, two more than normal. Precipitation totalled 7.06", 80 percent of the normal 8.78", and the driest January since 1963 which had only 2.69". Six consecutive Januaries had above normal precipitation, 18 days were wet, three less than normal. Snowfall totalled 7.0" compared to normal of 15.6", the least for January since 1963 that had 5.5". Five Januaries have had less snow and four have had less precipitation in 19 years. Januaries with 25 or more days of frost are 1957 (28), 1963 (25), 1965 (25), 1969 (30) a record, and 1970 (25). Only two other months have had 25 or more: Dec. 1964 (26) and March 1965 (28).

From Parliament Hill

Our Life Style May Be Altered

by Mark Rose, M. P.

"The Three Ps of World Concern" was how I described the threat of population, pollution and poverty in my maiden speech to the Commons on September 17, 1968. At that time I stated that, "A very serious problem confronting my riding concerns the waters of the Fraser

River and its tributaries and also Burrard Inlet. With the pressure of expanding population and the limited means available to municipalities to raise revenue, it is inevitable that our waters will become polluted." And, "Much more federal leadership in the standards and control of pollution is vital if we are to avoid poisoning ourselves."

A year and four months later the government brought before the House last week for debate Bill C-144 (providing for management of Canada's water resources).

Commenting on this rather flimsy document, I stated that I do not believe enough will be done to halt or reverse pollution until it is too late.

Bill C-144 has about as much resemblance to any solution to the problem of water pollution as a stage backdrop has to real trees in the forest. The bill is but a political response to justify the government in the face of public outcry for clean water.

Regretfully, it is largely a snow job or, with deference to Mr. Green, a "Joe" job. And I suggested to the minister that he must surely have been embarrassed to present this Canada Water Act as anything more than a government masquerade to quell the clamour.

Rather than an additional administrative federal super-structure (which the bill amounts to) what is required is specific financial assistance. The implementation of the provisions in the water quality and water resource clauses of the bill must be questioned when the extent of urban growth is taken into consideration. Urban areas and municipalities, with limited financial resources, cannot afford to finance the kind of treatment systems necessary to effectively combat pollution.

Robert Wenman (S. C. - Delta), opened the debate. Second was Burt Campbell, newly arrived from his victory in Kaslo-Slocan formerly held by the N. D. P.

Wenman said he had been disappointed with the cost of the compulsory insurance. He said, "if we say you must buy this insurance, then we as government must also control the price." -- This statement seems to imply that in making a feature compulsory a government supplies a captive market which can be exploited.

I don't follow the logic here. Vehicles should not be on the road without insurance. We know what happened to a Langley trucker who was hit by an uninsured automobile. However, we should police the price and see that the public is not exploited.

Burt Campbell is one of the bright new boys on the government side. He called for an increase in the 5 percent sales tax to fight pollution. No harm in emphasizing that pollution is a real problem. We had better crack down hard and fast. As far as the supply of dollars is concerned let's first look at the budget. Budget day is February 6th.

Finally, Campbell bitterly criticized the B. C. T. F. He said the B. C. teachers' organization imposed a levy on all teachers and gave the money to the NDP. Thus teachers of all political persuasions were forced to donate to the left wing party. He said they had spent \$500,000 on a futile attempt to elect the NDP.

Two Famous Leaders Speak Friday In City

Two outstanding world peace leaders will be guest speakers at a public meeting in Vancouver on Friday, Feb. 6th at 8:00 p.m. in the John Oliver High School, 41st Ave. and Fraser.

Controversial protestant minister Pastor Martin Niemöller, who defied Hitler's Nazi church doctrines, for which he was tried for high treason and sent to Dachau concentration camp, will be the first speaker.

With the advent of the 'cold war' Niemöller became a leading spokesman for international conciliation and anti-militarism and favored a neutral, united Germany under United Nations' supervision. He is an ardent advocate of peaceful co-existence.

In 1961 Niemöller was elected one of six co-presidents of the World Council of Churches, and has received honorary doctorates from a number of educational institutions, including Canada. In 1967 he visited Hanoi with A. J. Muste and Rabbi Abraham Feinberg.

The second speaker will be the world renowned Indian statesman Krishna Menon. Menon was a member of Nehru's cabinet and an early fighter for Indian independence. For more than 10 years he made headlines as India's outspoken delegate to the United Nations General Assembly. He also took an active part in ending the Korean war. Krishna Menon's dedication to Socialism brought him into conflict with current Prime Minister Indira Gandhi, but it is claimed that no man has had greater influence in the Indian government.

The public meeting is held under the auspices of the Vancouver Moratorium Committee to end the War in Vietnam.

Professor Robin Harger, of the department of ecology at University of B. C. will chair the meeting.

PTA's Go To Victoria

P. T. A. members from the lower mainland and Vancouver Island will visit the Legislature on Wednesday, Feb. 11th to discuss a number of points with the members of the legislative assembly.

Last Wednesday

Auction Prices

On receipt of 457 cattle, 33 hogs and 13 sheep, the market was strong on all kinds of livestock at last Wednesday's sale at West Coast Auctions, in Cloverdale.

No good steers were on offer, but other livestock prices were as follows:

Med. & plain steers	\$27.35-29
Good heifers ..	\$27.75-33.50
Plain & medium heifers	\$24.10-27.00
Beef cows	\$19.10-24.85
Holstein cows ..	\$19.00-23.00
Guernsey cows	\$16.00-20.50
Canners, cutters	\$17.75-19.00
Old bulls	\$23.00-24.75
Young bulls ...	\$24.00-34.50
Sows	\$26.75-31.75
Feeder hogs ...	\$29.50-32.00
Good lambs ...	\$35.50
Choice veal ...	\$42.00-47.75
Med. veal	\$35.50-42.00
Baby calves ...	\$ 6.50-53.00

(each).
Feeder steers . \$30.50-36.25
Light feeders .. \$33.75-39.25
Holsteins & cross \$26.50-29.25

A purebred Hereford sale will take place Saturday, April 25, with 20 heads consigned to date.

THE CORPORATION OF THE DISTRICT OF MATSQUI

MATSQUI WATER UTILITY

Take Notice that the Council has adopted By-Law No. 920 establishing a water utility for the whole of the municipality to include all of the special water areas which have previously been established. It is the intention of Council to request the Legislative Assembly to dissolve these special areas so that the assets and liabilities become a part of the utility. Our consultants have recommended this so that the financing and administrative problems in undertaking our renewal and expansion work can be handled more efficiently.

Anyone who would like further information on this action or who feel that their interests would be adversely affected, is invited to contact the undersigned or the Public Works Superintendent, Mr. R. W. Chester, at the Municipal Hall before February 28, 1970.

Dated this 28th day of January, 1970.

B. E. Strong, Municipal Clerk,
32383 South Fraser Way,
Abbotsford, B. C.

Navy Wives Plan To Send Boys To Camp

by Sheila Brown

New arrivals at the Aldergrove Navy Base are Mr. and Mrs. M. Thomas and family; Mr. and Mrs. Ernst and family; and Mr. and Mrs. R. Metcalf and family.

Congratulations to Mr. and Mrs. C. King on the arrival of their chosen daughter.

Mr. and Mrs. R. Judson and family have moved into their new home on 36th Ave. We all wish you lots of happiness!

The monthly bingo will be held in the CPO's mess Friday, Feb. 6th at 9 p.m. Come out and enjoy the fun.

The ladies auxiliary will hold their meeting tonight, Wednesday, Feb. 4th, in the wardroom of CFS Aldergrove. Plans are

being made to hold a bake sale March 21st at Super-Valu. The money raised during the year is used to send two boys to youth camp. Let's all get out and help! Last year, through our efforts, two boys who would otherwise not have gone enjoyed ten days at camp. It's wonderful to hear from these boys, what they did and how they enjoyed the summer. Let's do it again this year.

The most sincere sympathy from the entire PMQ is extended to Mrs. J. Kirk on the loss of her beloved father.

FVMPA Buys Delivery Business

Jersey Farms has sold its Lower Mainland home delivery milk business to the Fraser Valley Milk Producers' Association. It will be merged with the FVMPA Dairyland Division, commencing February 1st.

A spokesman for the association said the employees of the Jersey Farms home service department would be assured of employment in the Dairyland operation.

Jersey Farms will continue to supply wholesale customers from their Cambie plant.

Family Night

Planned For Feb. 13

by Molly Flamond

A meeting held in the County Line school auditorium Thursday, Jan. 29th was brought to order by the P. T. A. chairman, Mrs. Kirkham, and the minutes were read by secretary Mrs. Turbanisch and the treasurer's report by Mrs. Peterson.

Sunshine convenor Mrs. Elsie Molle submitted her report. Gifts were distributed to the following who were on the sicklist: Rhonda, Dale and Kim Griffiths, Joe Molle and Jackie Rennie.

The planned Family Night was discussed, and it was agreed to hold this on Friday, Feb. 13th at 8 p.m.

Mr. Bryenton praised the pupils of County Line for the fine records set at the long distance races at UBC. The boys and girls won trophies at these races.

The meeting which was well attended by parents enjoyed the showing of slides from the Christmas concert. These were taken by Mr. P. Justice.

Mr. Bryenton introduced Mr. & Mrs. Cuthbert, the chief administrator and superintendent of Langley school district.

Mr. Cuthbert's speech was on the following subjects: Looking Ahead, Research and Opinion of Parents, Population Growth to 1980. He emphasized the need of parents to participate in school activities of their children. He also dealt with the need of the individual child, and the requirements of each child at the different levels of mentality.

The meeting was adjourned by Mrs. Kirkham and a light lunch served.

AGRICULTURAL EQUIPMENT SALESMAN

Required by Mainland Ford Equipment Sales Ltd., B.C.'s newest farm and industrial supply centre.

The person we seek is:
Experienced . . . Looking for long term employment .

Kindergarten And It's Purpose

Coghlan P.T.A. held their first meeting of the new year on Jan. 26th. The meeting was very well attended.

The topic of the evening was "Kindergarten." Mrs. McIntosh, this year's teacher at the kindergarten in Coghlan elementary school, gave a very interesting talk on the subject, and as an added attraction she had a tape ready made of the children's activities at the morning and afternoon sessions. The parents paid very close attention to this record.

Under the business of the meeting it was decided to send a letter to the department of education in Victoria, protesting the current "freeze" on government spending in the education field.

At the previous meeting which was held Dec. 15th, grade 5 and 6 entertained the parents with their annual carol singing. There were no Christmas treats at this occasion because the children had decided to donate

Mrs. Fransen Elected W A Chairman

The annual meeting of Otter W.A. to Langley Memorial Hospital was held at the home of Mrs. L. Howse on Friday, Jan. 23, with Mrs. S. Fransen in the chair.

There was a good turnout of members. Mrs. Fransen was chosen as president and Mrs. L. Simson as secretary-treasurer for the coming year. Mrs. L. McLeod was unable to continue as vice-president so an election will be held at the next meeting.

On the committee reports Mrs. Fransen thanked Mrs. A. R. Pybus and Mrs. L. Hartman for their work at the Beauty Parlor in Cedar Hill. Mrs. J. Brand gave a detailed report on the Gift Shop. Mrs. V. Williams reported on Sunshine and Mrs. M. Genberg gave the auditors report. Mrs. Fransen thanked the members for their cooperation, and it was gratifying to hear, she said, that so much had been accomplished with the various activities of the members.

Committees appointed are: Auditor Mrs. M. Genberg; Telephone Mrs. Howse; Sunshine, Mrs. H. E. Penzer and Mrs. V. Williams; Gift Shop, Mrs. J. Brand; Publicity, Mrs. Penzer. Delegates to the Hospital Society, Mrs. S. Fransen, Mrs. M. Genberg and Mrs. L. Howse.

The W. A. dinner to be held in the Masonic Hall in Langley in March was discussed and approved.

The two draws for the Christmas grocery hampers were won by Mrs. Penzer, of Aldergrove, and Mrs. Cluney, of Langley. The draw donated by Mrs. E. Corbett was won by Mrs. V. Williams. The draw donated by Mrs. L. Hartman was won by Mrs. J. Brand.

Mrs. G. Turner and Mrs. R. Andress donated knitted baby articles for the gift shop.

The next meeting will be held at the home of Mr. and Mrs. S. Fransen on February 27th, with Mrs. Penzer and Mrs. McLeod as co-hostesses.

the money to the Red Cross special fund for needy children. The money will be used so a girl from the Yukon can have an eye operation.

The kids had set themselves a goal of \$100; one third of this amount was reached.

The bake sale and the cake walk were also successful.

Mrs. Gilbert won the Christmas class count dollar. In January Mrs. McIntosh's kindergarten class was the winner.

What's This?

by Eric Flowerdew

I See

According to a news item the leaders of the Mennonite Central Committee of Canada have complained that Prime Minister Trudeau has refused to meet them and hear their brief on opposition to war.

The Committee have presented their brief every year since 1920, and they have tried this time for over a year to get a hearing, but the Prime Minister won't see them.

I give the Mennonites credit for their perseverance with regards to their principles.

One of the Reasons

What does it cost to kill? -- Well, according to a certain magazine the 1969 Arms Control and Disarmament Agency reports that global expenditures for arms have climbed to a high of \$182-

billion -- seven percent of the world's gross product!

This sum is the equivalent to the total income of Latin America, South America and the Near East. It exceeds by forty percent world wide expenditures on education, and more than three times the investment in public health. Who is the worst culprit? -- None other than the "Land of The Free" -- the U. S.

I hope you all believed President Nixon's Address to the Nation?

After All

Wars have solved the population explosion. -- Killing and learning to kill cost a pretty sum of money, and today we know more about gases, bombing and burning than we did at any other time of our civilization -- if you like to call it by that name.

Some Have to Strike

Our district council who have only been in office one month, at a special meeting decided to raise their indemnity to \$2,400 a year, plus fringe benefits such as \$24 a trip to Vancouver.

What I object to is the fact that these things are always done not before, but after elections. Public officials have the preference over ordinary working stiffs that they don't have to strike in order to get a raise. They just vote themselves one -- after they have been elected.

This latest move is, however, to my mind one more reason why we should amalgamate the city and the municipality. One council instead of two would obviously save us money.

It's Interesting

A friend of mine is on a world tour. She always writes interest-

ing letters home.

For example, she just visited a "very nice" town in South Africa where the black people must only walk down the streets on the special "black streets" in the "black parts of town."

The blacks are not allowed to walk on "white streets" in the "white section of town." Of course, the blacks are not allowed to buy from the best or most economical stores -- these are reserved for "God's Chosen People" -- the white men.

Maybe this is something like the Legislative Ball in Victoria. The unemployed are not allowed near this affair, -- they are, well you know what the Hon.

Minister of Welfare calls them.

With some interest this friend of mine visited a broiler farm in the Cape State, and she was amazed by the size of the operation. They turn out 600,000 fryers every week, she reports. And, of course, they only turn out "white meat."

I Received

a letter which says that thousands of farmers are going to march on the Parliament Buildings for a fairer deal.

But, as some professor said, the day is not far away when the private ownership of land will cease. The land will then be publicly owned and will be leased by the government to farmers and other users.

up in the handing out of text books, and the placement of new students. The rest of the day ran fairly smoothly, considering this was our first semester change over.

During the noon hour a basketball practice for the boys was held in the gym.

The grade 8 band practiced in the music room Tuesday noon, while the dance band held a rehearsal period four. Afterschool the junior girls' basketball team held a practice.

The Jeunesse Musicale forms were made available Wednesday. The noon hour was filled with meetings, with something for everyone. The ISCF group met for the first time of the new year. The publicity committee for "Carnival 70" also met for the first time. The grad committee met to report on their progress and discuss their plans.

Thursday was filled with events -- some of them musical. Rehearsals resumed for the musical, "The Emperors New Clothes."

The junior and senior choirs met to practice their musical numbers for the play. During period 5 the grade nine band held a practice.

School sweatshirt sales resumed during the noon hour. The choir and the band held a hot-dog sale during the lunch hour, also. In the gym, the junior boys and grade nine played each other in a game of basketball.

On Friday morning, 9C & E and half of 9B were bused into the Vancouver Planetarium. Friday was the last day to change courses for this last semester.

Immanuel Lutheran Hosts Prayer Service

Immanuel Lutheran Women's Missionary League is hosting the annual prayer meeting of the Fraser Valley - Cariboo zone next Sunday, Feb. 8th at 8 p.m. at Immanuel Lutheran Church, Jackman Road, Aldergrove.

Special feature will be a series of colored slides shown by Rev. F. Doering, pastor of Peace Lutheran Church in Abbotsford. Rev. Doering served for 34 years as a missionary in New Guinea. After his return from the mission field he spent one year in Saskatchewan before taking up his present duties in Abbotsford last September.

Paper Collection Saturday

This Saturday morning, Feb. 7th will see the boys from the Fort Langley scouts and cubs around asking for your waste newspapers again. The boys will appreciate you having the paper tied securely in bundles and placed near the front of the property to save them time and effort in the many houses they have to visit.

A monthly scout campfire will be held same night as the paper collection, Feb. 7th. The place is the lodge at the McLean Park on North Bluff Road, and the time is 8 p.m.

Visitors are most welcome at this meeting.

Rev. and Mrs. A. Hippe, former pastor of Immanuel Church left last Wednesday by air for an extended vacation to Palm Springs, California.

SPORTS

Saturday Exhibitions

were two.
At City Park division 9 Milner
Colts, ably handled by Bob Grant
stood off the murderous first
half assaults of a very powerful
Coquitlam club and knifed thru
for a fine brace of goals in the
second half. End product: Mil-
ner Colts 2, Coquitlam 0.
At the Fort, Ken Robinson's
div. 6 Fort club was edged 2-1
by Langley Sports Club -- a very
near thing and most interesting
when one considers that at the
season's beginning Sportsclub
would have chased them off the
field. The moral here is: hard
work and dedication pays off.

Sunday Exhibitions

Georgians of division 5 drop-
ped a 2-0 decision to Surrey
Royals at Bear Creek Park. This
was the club's first Sunday out-
ing since Christmas and the lads
did not appear as sharp as they
had in their Saturday match.

Div. 4 Langley Kin tackled a
good one in Coquitlam Braves.
The visitors had a strong back-
field and terrific breaking power.
Only steady man-to-man check-
ing kept the shutout alive.

Russell Bradley broke the ice
in the first half, ramming home
John Kenyon's corner kick. The
second counter came from the
corner after the interval.

Steensma and LaBelle relayed
to Pedersen who shot on goal.
Bridson tapped home the rebound.

X-Borsato tackled a tough one
in juvenile division 2 Scot Town
Drugs. At last report the seniors
were still in deep shock. Scott
Town 8 - X-Borsato 2.

League Action Sees Showdowns

On Sunday at the Fort Simonds
and the home eleven held a show
down for third spot in division 9.
The encounter climaxed three
previous draws between the clubs
and it was not until the dying
minutes that a Simonds rush re-
sulted in a goal. Simonds 1 --
Fort 0. They may meet again in
cup rounds.

At Douglas Park IOOF seem to
have forced a playoff with Ab-
botsford as a result of their 3-0
victory over Sports Club.

At Fort Community Park, offic-
iated by Frits Jacobsen. North-
west Langley United took a point
away from Langley Rotary. The
0-0 encounter was the result of
herculean efforts by both sides
and it was also the last of a series
of four league matches between
the pair during this season. The
year's completion has fostered
quite a warm relationship among
the adults involved and they lin-
gered for quite some time after
the final whistle animatedly dis-
cussing aspects of the afternoon's
competition.

Langley Prestons of New West-
minster's div. 2 maintained their
deadlock for head spot by ham-
mering a lacklustre Riverdale ag-
gregation for five unanswered
counters. If the local outfit can
dump Blue Mountain in their
final scheduled game next Sun-
day they shall force a playoff
with Scott Town Drugs of X-Bor-
sato fame.

Borsatos of the Fraser Valley's
senior div. 1 continued their fight
toward the league crown by com-
pletely whitewashing Sasquatch
4-0. Lacking two regulars in-
cluding centre forward Wayne
Sater, the meat men looked like
winners all the way. Art Higgs
reports that the next victim will
be Semiahmoo Saints.

Bradner Upholds Valley Honor

Stature of Fraser Valley soccer, in the minds of authorities on the sport, grew considerably Wednesday evening. Many felt that a 1-1 outcome in the first New Westminster Blues - Red Shirt clash was a flash in the pan. The Vancouver Sun intimated that on the sand pitch at Callister the Royal City's Coast League club would have an easy time.

No way!
Bradner fell 2-1 it's true, but not before putting on a show that made the Blues appear lack

lustre in comparison. Until the fifty-second minute it was a scoreless deadlock. At that point Ken Ferrier of the New Westside hit the cords. Wayne Ross, of Bradner's left wing drifted in a cross pumped home by Jim Horner and Glen Roadhouse was robbed of his chance on a go-ahead. It was not until the dying minutes that Don Wilson beat Bob Brady with the big one.

Although a game was lost, a point was made.

Fraser Valley players can hack it with anyone in the province.

Scores Still Close, But

League Soccer Finish Gradually

Division nine teams in the local house league continued play Saturday -- and any resemblance to the inept little urchins who began the season last fall was purely incidental.

Scores are still close -- but no longer because few players are incapable of guiding a ball the length of the field.

Aldergrove Cardinals reversed Fort's last 1-0 victory, and by an identical score.

Aldergrove Jets won by that same margin in their City Park match with Murrayville Jets. The final half saw Murrayville in full attack, and many a goal mouth-scramble but the Grove backfield never faltered.

Simonds clipped Murrayville Goldiggers 2-0. The miners dominated throughout the first half but were thwarted by the brilliant net minding of Tim Compton. Half-time score was

0-0. The hill at City Park is a big factor with eight-year-old players.

Division 8 saw Aldergrove thump Peterson Road 3-0, their first loss of the year, but so close has league play been that this nullifies Peterson's chances of a league title.

In the other division 8 fixture Simonds and Milner sawed off a 0-0 after a rather desperate struggle. Both clubs had one real chance. Simonds missed on a penalty shot and Milner shot a wide one on a clear break.

With the sevens; Legion 2 -- Hawks 0 -- a hard fought effort with Hawks getting no scoring opportunities but holding firm. Final goal was notched late in the game.

Aldergrove Doing Well

Aldergrove Navy trounced Abbotsford Pups 3-0. Randy Jensen, besides being partly responsible for the shutout, came out of goal long enough to notch all three markers. Chris Larsen assisted on two and Randy Twist on one.

Division six IOOF slipped into a tie for head spot, ending on an even term with Mission City; a 0-0 finish.

The fives had Aldergrove Legion winners over Abbotsford. The 4-0 outcome does not truly indicate the situation as Legion coach Wolf Zillich had bolstered the visitors' eight-man crew with three of his own players to make the contest a little bit more interesting.

Georgians continued to amaze returning from a clash with the Maple Ridge first string. Score was 2-2. Stand-in coaches Logan and Massey have requested that the press cease to refer to their secret pattern as "Routine Twelve" -- lest some of the opposition coaches get the impression that they are using an extra man. Thanks to Georgians' new "Routine Eleven," Aldergrove Legion is again inhabiting first place.

Local division four sides rammed seventeen goals past their startled opponents Saturday. Playing side by side at City Park Sportsclub overcame a 1-0 deficit to thump Maple Ridge 7-1 and Kin hammered Sumas for a 10-1 difference. Neither game was what could be called first-class entertainment although some rather pretty soccer was played. Main problem to both players and fans was a little gale laced with a stinging rain.

The only division three league match had Rotary administering yet another thorough lacing to the hapless Sumas squad. This time 7-0.

A Real Sportsman In The Boxing Game

Craig Greenfield who won the Emerald Gloves 139 lbs. championship trophy uncontested, turned up at the Concord gym Thursday evening carrying a brown paper bag. He went over to Keith Hunter who lost a very debatable final in the 126 lbs. class. "Keith," he said, "they gave me this trophy for doing nothing and I don't want it. You earned a trophy and they robbed you. I want you to have it." -- As fine a gesture as any of us had ever seen.

Bradner 4-1

Bradner dropped a 4-1 verdict in provincial cup play to Legion 118 of the city and Mission City, fielding a full team for one of the first times in months, drubbed Semiahmoo Saints 6-2.

The second division of the Fraser Valley senior league had Chliwack over Fleetwood 2-0; Bradner Royals tied with Chehalis 2-2, and Haney (Paradise Inn) over Cloverdale 6-2.

Lucky Lagers Take Lead

THURSDAY LADIES LEAGUE
The Lucky Lagers have taken over the lead with 77 points as they overtook the Tea Leaves who have 75-1/2 points.

The Birds are next with 71 followed by the Guifers with 62, the Dynamos with 60-1/2 and the Blowhards with 53.

Mary Miller has the league's high average of 168.

IMPORTANT UNRESERVED

AUCTION

OVER \$225,000 . IN LATE MODEL
CARS WITHOUT RESERVE OR MINIMUM

CARTER PONTIAC BUICK LTD
4550 Lougheed Hwy at Willington Ave
Burnaby 2 B C (indoors) ph 291-2266

Considering Gas? Call the man from H.A.S.

Dial B.C. Hydro's **Heating Advisory Service**. They'll answer any questions you have, provide the information you require. And if you like, you can have a H.A.S. man call at your home to advise you on the best home heating program for you.

There's no charge; you're under no obligation. You'll learn what Gas Heat can do for your home; get an estimate on what it will cost.

And you'll find out the very good reasons why 9 out of 10 new homeowners on the Lower Mainland install Gas Heat. Economy. Dependability. No storage problems. And gas burns silently clean.

Pick up the phone. Call your local B.C. Hydro office and ask for the **Heating Advisory Service**. Or call your own dealer if you prefer. Small effort. BIG Benefit! B.C. HYDRO
