VOL. II. ARMSTRONG, B. C., FRIDAY, JULY 6, 1906. NO. 12.

OUR DOMINION DAY

Armstrong's Fifteenth Annual Celebration Most Successful.

ARMSTRONG'S fifteenth annual celebration of Dominion Day held last Monday in no way proved an exception to the list of successes on similar occasions for the past number of years.

In fact, from many points of view this year's celebration provided the most satisfactory day's entertainment yet given in the town.

From the surrounding district the people began gathering early, and by the time of the arrival of the large crowd on the special excursion train at 9:30 the town was literally swarming with the hundreds of holiday-makers. The regular daily train half an hour later still further swelled the crowd, among its passengers being the Salmon Arm base ball team and its liberal contingent of loyal supporters from that town.

BASE BALL.

The first event on the program was the base ball contest between the Salmon Arm twirlers and the home team. In this event lovers of base ball were treated to a splendid exhibition of the national American game. The Salmon Arm aggregation is composed of a mixture of men of varied callings—engineers, clerks, operators, cowpunchers and farmers—every one of whom know something about base ball, and who unitedly comprise one of the most jovial and all round good lot of fellows that is ever met on an athletic field. As the score shows the game was easily anybody's game all the way through and the final count—8-7—gave the game to the visiting team by only a small margin. Several errors on the part of the home team due to the lack of efficient practice cost them the game. A. E. Armitage officiated as umpire to the general satisfaction of the players.

BOYS' NOBBIES.

The sports of the afternoon opened with a game of nobbies by the boys in which teams representing Larkin and Armstrong were matched. This game is a comparatively new one, played on the same principles as lacrosse, and furnishes a good means of recreation for the small boys as well as splendid training for the playing of the greater and more national game a few years later. The little fellows go into the game with all the energy they possess and create a lively interest among the spectators. The game ended in a score of 2 to 1 in favor of Armstrong.

ATHLETIC SPORTS.

The athletic sports were run off in the order announced and without a hitch or unpleasant feature of any kind. Entries were lacking in none of the events and all met with manifest interest on the part of the spectators. The following is the result in the various events:

Boy's hose race—In this two teams composed of boys captained respectively by Freddie Murray and Harry Armstrong engaged. The race was won by the latter, the time being 25 seconds.

Men's 100-yd. race—1st, Geo. Smith, 2nd Watson Jones.

Boys race, 17 under—Watson Miller 1st; Freddie Simington 2nd.

Men's relay race—Watson Jones, Frank Moffet, Ira Jones and Mohr 1st; Geo. Smith, R. Main, Frank Barnes and Ira Daniels 2nd.

Obstable race, boys under 17—Fred Simington 1st; Orphy Jones second.

Boys' race, 14 or under—Harry Daniels 1st; Alex Crawford 2nd.

Fat men's race—H. Schneider 1st; C. J. Becker 2nd,

Boys, race 12 or under—Charley Shary 1st; Percy Reid 2nd.

Men's 3-legged race—Len Farr and Sid Holtby 1st; Geo. Smith and Watson Jones 2nd.

Girl's race 16 or under—Florence Nichol 1st; Hester Bradley and Maggie Watson tied for 2nd.

Men's blindfold race—Arthur Patchett 1st; Robt. Main 2nd.

Girls' race 14 or under—Hester Bradley 1st; Edith Christian 2nd.

Girls, race 12 or under—Ella Lynn 1st; Tena Patchett 2nd.

Boy's sack race—Harry Daniels 1st; Russell Hunter 2nd.

Men's sack race—F. Simington 1st; Geo. Smith 2nd.

Boy's 3-legged race—H. Daniels and F. Simington 1st; Alex Crawford and Charley Shary 2nd.

Girl's egg and spoon race—V. Daniels 1st; Anna Patchett 2nd.

Boy's wheel barrow race—R. Marshall and Alex Crawford 1st; Harry Daniels 2nd and G. Lynn 2nd.

Men's running long jump—W. Jones 1st; Geo. Smith 2nd.

Men's running high jump—Art Patchett 1st; Geo. Smith 2nd.

Standing broad jump—W. Jones 1st; Ira Daniels 2nd.

Standing high jump—Art Patchett 1st; R. B. Main 2nd.

Running hop-step-and jump—W. Jones 1st; Art Patchett 2nd.

Pole Vault—Art Patchett 1st; L. Farr 2nd.

Girls' race (special)—A. Patchett 1st; A. Bradley 2nd.

Pie eating contest—Dan Crozier 1st; Andrew Fruno 2nd.

Diving contest for 25¢ pieces—W. Ehmke 1st; A. Fruno 2nd.

BASE BALL.

At 4:00 o'clock the second base ball game of the day began—Salmon Arm vs. Enderby. From the beginning it was evident that the Enderby team, who had treated Vernon to a sound walloping—22 to 9—in the morning, were to be too much for the Salmon Arm fellows. Billy Mack's cannon balls seemed swifter and his twisters crookeder than ever and it was with considerable difficulty that his opponents struck him at all, while the fellows from the Arm failed to do as good work in the field as they did in the morning game. It was, however, a nice game from a spectator's point of view, although one-sided, and was characterized by the good-nature and friendly feeling shown by all the players. Walter Wolfenden umpired in his usually satisfactory manner. The score was 14-7 in Enderby's favor.

LACROSSE.

The junior lacrosse game between Enderby and Armstrong was anxiously awaited by the spectators and did not prove disappointing as one of the interesting attractions of the day. The teams were evenly matched in point of size, and gave a good amateur exhibition of the game. There was a noticeable absence of rough play and no illfeelings were in any way incurred among the players. Bert Francis refereed and in that capacity gave general satisfaction to all concerned. The score was 3-0 in favor of Asmstrong.

MOUNTED SPORTS.

The mounted sports proved to be among the most interesting of the day's attractions. A large number of entries were made and the contests in the various events were so close as to necessitate the running off of sevreal ties. The mounted wrestling was especially prolonged by the evenness of the contestants. The following were the winners:

Potato and Bucket race on horse back—Josh Blackburn 1st; Gus Swanson 2nd.

Mounted wrestling match—Fred Leduc 1st; Harry Logan 2nd.

Victoria Cross race—Harry Logan 1st; Gus Swanson 2nd.

FOOT BALL.

The conclusion of the sports was the foot ball game between Enderby and the home team. Practically the whole of the crowd remained and watched the game with a deep interest. Considering the lack of practice on the part of both teams, some good playing was done and the contest was closely waged, the game ending with Enderby having to their credit the only score made.

THE BAND DANCE.

The ball given in the I. O. F. hall in the evening by and for the benefit of the town band proved a most successful conclusion to a successful celebration of Dominion Day. The music was furnished by the orchestra and this together with the spacious dancing space afforded in the hall maintained the reputation of Armstrong among those who revel in the dance as the dancing centre of the Okanagan. About seventy-five couples participated and continued the revelry till well into Tuesday morning. The supper was catered to by Mrs. Shary and was a most satisfactory feature of the dance. Financially, the band boys did not clear a large sum, but at least have the satisfaction of knowing another successful social function is added to their credit.

* *

NOTES OF THE DAY.

Prizes were paid in full and promptly as fast as won.

* *

According to the best authority at hand there were in the neighborhood of 1200 people in attendance.

* *

The band created a favorable expression of opinion upon the selections of music rendered during the day.

* *

The best of order prevailed and the municipal coffers were not replenished with the results of any holiday over-indulgences.

* *

Joe McDonald as chairman of the day put in a hard day's work and to him is due no small portion of the credit for the success of the day.

* *

A. Shary, Asahel Gray and Arthur Armstrong, and Fred Murray and Frank Hassard had booths on the grounds and did a big business during the day.

* *

Only ten tickets were sold at this station for Vernon—hence only ten people were disloyal to their own town and these we believe returned on the afternoon train.

* *

Andy Curry is an important adjunct to the Salmon Arm base ball team, and his inimitable "rooting" should certainly lend encouragement to their operations on the diamond.

* *

Red and white ribbon—Armstrong's colors—were everywhere in evidence and the attractive souvenir badges vended by Harry Armstrong met with a ready sale.

* *

Druggist Burns furnished the crowd with neat and useful fans. Besides an efficient means of advertising, the heat of the day made them most acceptable and much appreciated by the recipients.

* *

Thos. Cummings took in the admission at the gate, while Sandy Grant and John B. Bird officiated at the grand stand. All three made trusty and careful officials and stayed at their posts attentatively throughout the day.

* *

On future occasions the townspeople should give more attention to the decoration of their individual properties. A residence nicely decorated on the birthday of the Dominion shows that the owner possesses a pride in his country.

* *

The weather of the morning opened to perfection, although toward noon it grew very warm. The heat during the middle of the day was almost unbearable, yet with the mercury at 100 in the shade the program was carried out without cessation.

* *

Salmon Arm and Silver Creek settlements furnished the most liberal quota of the attendance from points outside our own district, and the Armstrong people will feel themselves under obligations to them on the occasion of future public demonstrations at that place.

* *

Taken all in all, the day passed most successfully; without a jar or hitch of ony kind. The committees in charge had matters well in hand and the various events were pulled off in rapid succession with no tedious delays or waits between. In this last respect Armstrong has long since stood out pre-eminent among the towns of the valley.

* *

The business men of the town are to be commended for their enterprise which so generously assisted to make the celebration a financial success. Public-spiritedness is appreciated by the general public, and while some business men may not realize the returns for their donations directly the most generous giver will indirectly profit by his liberality.

* *

The energetic ladies of the Methodist church recognized a golden opportunity and arranged for the new agricultural hall for the serving of ice cream and fruit. This made an excellent place for the comfortable accommodation of the public and the ladies were kept on the jump. Their receipts reached the magnificent sum of $146, out of which is added a very creditable sum to their treasury.

* *

One thing the celebration settled for once and for all—and that is that Armstrong is no longer dependent upon other town of the valley. What we mean to say is that, while we are glad to have the other towns of the valley celebrate with us and allow Armstrong the day exclusively as in former years, the mere fact of other towns breaking away from this rule and celebrating on their own hook by no means handicaps the success of Armstrong's undertakings.

* *

Dominion Day this year commemorated the 30th anniversary of the founding of the Dominion of Canada. Of the Fathers of Confederation, or those men who drafted the terms of the treaty by which the Maritime Provinces and the remainder of Canada were joined in the formation of one vast Dominion, only two are now living. These are Sir Charles Tupper and Sir Hugh John Mcdonald, two of those time-honored statesmen having passed away during the past year. The progress and achievements of Canada during the first thirty-nine years of confederation are not only known to the people of the Dominion but have placed her alongside the most progressive of the liberty-giving countries of the world.

MIDWAY & VERNON AGAIN.

Reports That Construction Is Soon to Begin Again Rife.

Dispatches appearing in the daily papers during the week state that it is now an assured fact that work on the Vernon & Midway railway will be resumed this year. It is definitely stated that the charter has been disposed of either to the C. P. R. or the Great Northern. It is understood the details of the agreement will be made public in a few days. To either of these great railways the Midway & Vernon would be a most desirable branch. This would be especially so in the case of the C. P. R., as it would give them a direct route for the rich agricultural products of the Okanagan to the mining districts of the Boundary. The residents of the Okanagan hope the road will be constructed soon.

Municipal School Attendance.

The following is the attendance of the schools of Spallumcheen municipality for the month of June:

SCHOOL	PUPILS ATTENDING	AVERAGE ATTENDANCE	PER CENTAGE
Armstrong, 3rd div.	47	42.04	91.57
Lansdowne	18	15.81	87.83
Armstrong, 2nd div.	42	36.71	87.40
Deep Creek	13	10.41	80.07
Knob Hill	21	15.61	74.38
Armstrong, 1st div.	54	37.95	70.27
Otter Lake	20	13.55	67.75
Pleasant Valley	13	8.55	65.77

The total number of pupils who have attended the municipal schools during the year just closed is 314. To encourage the regularity of attendance and punctuality the trustees will during the coming year offer an attendance shield to be competed for by the various schools to be retained alternately by the winner for three months.

The Advance

PUBLISHED EVERY FRIDAY AT ARMSTRONG, B. C.

EUGENE RHIAN, . . Publisher.

Subscription $1.50 per year in advance. If not paid in advance $2.00.

Advertising rates given on application.

JOB PRINTING A SPECIALTY.

Notices of church services and entertainments where no admission is charged inserted free. Other notices at usual rates. Cards of thanks $1.

The Advance is published in the interests of the town and district in which it exists and cordially solicits the patronage of the public.

PUBLIC SCHOOL CLOSING.

Principal Wilson Retires to High School.

The town school closed last Friday with fitting exercises. The forenoon was occupied with the ordinary school work, during which time the various rooms were visited by a large number of parents of the children and other friends of the school. In the primary and intermediate rooms the parents were enabled to witness the methods employed by the respective teachers in the thorough teaching of the various branches included in their curriculum. In the senior room Principal Wilson employed the forenoon in making some interesting chemical experiments for the purpose of impressing some of the lessons taught in the high school course. "All work and no play makes Jack a dull boy" has long been recognized among the best educators as a true and trite saying, hence the afternoon was given entirely to the enjoyment of the children in their various sports. That they took full advantage of the opportunity offered them may easily be imagined and a long list of sports was heartily indulged in and quite as heartily enjoyed by a liberal attendance of older people.

With the closing of this term ended the services of Principal Eli Wilson in connection with the Armstrong public school. For with the opening of the new school year he takes up his duties as principal of the lately-established Armstrong high school, in which capacity will be given greater opportunity for the exercise of his abilities as an instructor in the higher branches of study. During the three years that Mr. Wilson has been at the head of the Armstrong school he has established a record for the school that not only reflects most creditably upon his abilities but has enabled Armstrong citizens to point with pride to their public school as one of the best in the province. The success of his labors is best shown by the excellent percentage of his pupils that have yearly successfully passed the entrance examinations. Prompted by the desire of a number of young people of the community for the advantages of high school instruction his untiring energies led him to take up high school work in addition to his regular labors. This work he has done outside the regular school hours, so that his duties in the public school were not slighted and while his regular work has been successful his special labors have proven none the less so, and it may truly be said that it was through him that the need of a regularly-established high school was made apparent. While the public school will regret the loss of Mr. Wilson s services, the high school will profit through having his undivided attention, while personally his physical condition will be materially benefited by the relief from the heavy strain of double duty.

The successor to the principalship of the public school is to be Garfield A. King, whom the trustees have engaged after careful investigation as to his qualifications. Mr. King's last school was at Cranbrook, where, as elsewhere, he proved a most successful instructor. There nine out of ten of his leaving class passed the entrance examinations.

Preparing for Coming Fair.

A meeting of the directorate of the Spallumcheen Agricultural Society was held last Saturday. The principal business before the meeting was in connection with the approaching fall fair, which the directors now have well in hand. The most important matter under consideration was that of sheds for the accommodation of live stock at the exhibition. The matter was left in the hands of the grounds committee whose members were authorized to provide suitable sheds before the date of the fair. The matter of judges was also taken up and the secretary instructed to arrange if possible for live stock judges appointed by the provincial government. That the directors have in so good season taken up details in connection with the fair augers well for the successful management of the affair and with the prospects for opportunity for representative exhibitions of the various products of the district it is now only reasonable to predict that the fair on the 10th and 11th of October next will be the best exhibition that has ever taken place in the Okanagan. And, by the way, this success can only be obtained by the united cooperation of those who can possibly assist by bringing exhibits, and in this connection it is not now too early to begin collecting for the same. Grasses and early garden products should now be gathered and preserved for the coming exhibition.

Armstrong School Report.

The following is the standing of the pupils of the Armstrong school for the month of June, the first three names in each class being given in order of merit:

Honor Roll—Proficiency, Beatrice Hamill; Deportment, Laura McGie; Regularity and Punctuality, Aleck McDonald.

High School, Sr.—M Daykin. 1st Jr.—E Pringle, E Marshall, S Matheson. 2nd Jr.—G Harris, L Hayes, M. Moser.

4th Sr.—P Becker, L McGie, A Francis.

4th Jr.—N Watson, W McDonald, W Daniels.

Sr. 3rd—Zella Leverington, Ernest King, George Taylor.

Jr. 3rd—May Davis, Mary Williamson, Cecelia Watson.

Sr. 2nd—Frank Hassard, John McDonald, Edna Francis.

Jr. 2nd—Harry Batho, Grover Burnett, Willie Ehmke.

PROMOTIONS

From Jr. 4th to Sr. 4th—N Watson, W McDonald, W Daniels.

From Sr. 3rd to Jr. 4th—Cassie Hunter, Ernest King, Mary Williamson, Richard Ferguson.

From Jr. 3rd to Sr. 3rd—Maggie Watson, Cecelia Watson, May Davis, Nettie Schneider, Bertha Williamson, Gordon Gray, Ernest Daykin, Willie Ferguson, Russel Watson, Frank McDonald, Ethel Ferguson.

From Sr. 2nd to Jr. 3rd—Edna Francis, Violet Hamill, George Patchett, Beatrice Leverington, John McDonald, Frank Hassard, Charlie Shary, Illa McPherson, Vernon Daniels.

From Jr. 2nd to Sr. 2nd—Harry Batho, Charlie Watson, Willie Ehmke, Herbert Bird, Grover Burnett, Dorothy Smiley, Earl Lumsden, Nellie Schweb.

From 1st Reader to Jr. 2nd—Alta Hassard, Marguerite Armitage, Verna Murray, Harry Armitage, Olive Levar, May Daniels.

From 2nd Primer to 1st Reader—Geo. Campbell, Doris Moberly, James Needham, Gladys McPherson, Percy Reid, Grace Munsell, Leapline Patchett.

From 1st Primer (a) to 2nd Primer—Gladys Hardy, Winifred Wright, Thelma Kelly, Thos. Lumsden, Edna Tucker, John Hamill, Nellie Hunter, Pearl Needham.

From 1st Primer (b) to 1st Primer (a)—Ross McGie, Edith Gray, Pearl Reid, Elsie McDonald, Bertha Vollrathi, Vera Batho, Dorothy Bourne, Geoffrey Smiley.

From Junior Class to 1st Primer (b)—Howard Watson, Fred Reid, Dudley Schubert, Arthur King, Minnie Ratledge, Ernest Hunter.

Poultry Wanted

..Local and General..

Mrs. J. W. Bacon, of Enderby, has visited her sister, Mrs. M. Levar, several days the past week.

Miss Mable Gass, of the primary department of the local school, left Saturday to spend her holidays at the coast

Geo. Armstrong was down from Silver Creek Wednesday. Haying is now the order in that locality, for which that district is especially adapted. The crop this year is a very good one.

W. C. Potts, the needle artist in Armitage & Paul's tailoring department, left Monday night on a three weeks' holiday trip to the coast cities. It is rumored that when Potts returns it will not be alone. Congratulations?

T. C. Gray, the genial and ever-pleasant manager of Wood, Cargill Co., wore an unusually broad smile on Dominion Day, caused not only by his inward pride in the celebration of the birthday of his country, but principally by the birth at his house that morning of a fine big daughter. Mother and child are doing nicely.

The local lacrosse players are glad to note that Geo. Wilson is reported as having played a star game for the Vancouver team in the great match with New Westminster last Monday. Although Vancouver went down to defeat by a score of 9-3, George is reported as having done some excellent stunts on the field.

Persons interested in fruit growing or floraculture should bear in mind the meeting to be held in the I. O. F. hall tomorrow evening, to be addressed by Thos. Cunningham, Henry Kipp and W. J. Brandrith. As the latter gentleman will deal fully with the growing of flowers the meeting should be attended by a number of ladies as well as the gentlemen of the district.

W. S. Fisher left Saturday for a trip through Alberta. Mr. Fisher will, besides attending to matters of private business, spend some time in endeavoring to enlighten the people east of the Rockies on some of the advantages to be gained by coming to the Okanagan and will no doubt be instrumental in attracting the attention of some of the prosperous farmers there in this direction.

Donald Graham, Jr., arrived Saturday for a two weeks' visit with his parents. Donald is now engaged in the C. P. R. station at Laggan where he is learning the many arduous duties devolving upon a railway station agent. We are pleased to note that he is meeting with success and promises to finally come out as a successful railroad man—we hope a second Shaunnessy or Jim Hill.

John Ratledge arrived from Morningside, Alta., the last of the week for a month's visit with his son, our genial tonsorial artist, and a look at the Okanagan. Mr. Ratledge was naturally somewhat surprised to see the advanced stage of vegetation here as compared with conditions in Alberta. Here he found new potatoes in general use for two weeks previous to his arrival while at his home potatoes were only a little more than through the ground. He may decide to locate here if he can dispose of his Alberta real estate.

Elsom & Kirby negotiated an important real estate sale on Saturday in the transfer of the Wilson Bros. farm on Knob Hill. The purchaser was Thos. Gordon, late of Aberdeenshire, Scotland. Mr. Gordon left this week for Rossland for a brief stay before taking up his residence here. Mr. Gordon represents several other Scottish families who are looking for suitable locations and hopes to be influential in bringing in quite a settlement to this district from his old home. The Wilson's will not leave the district, but will reinvest here.

Miss G. A. Wilson, of Vancouver, is visiting at the home of her cousin, Principal Eli Wilson.

J. F. Tupper came up from Penticton to celebrate Dominion Day and to spend a few days visiting friends here. He returned Wednesday.

H. Swanson was down town Saturday for the first time in five weeks. His many friends are glad to see him so nearly recovered from his trouble with his leg.

All first class shots must attend rifle range on Saturday, 7th inst., at 8 o'clock, a. m., as third shoot of Millitary League takes place. A rig will leave town at 7 a. m. sharp.

W. H. Tucker through Elsom & Kirby, this week purchased of A. Rourke the ten-acre tract recently purchased by the latter from Geo. Bowness on the Jackson-Morgan tract. Mr. Tucker will improve the same with a dwelling in the near future.

The weather all this week up to yesterday has been very hot, 100 degrees being registered in the shade on several occasions. Haying has been going on "while the sun shines". A clouded sky yesterday brought a pleasant respite from the beating sun.

Over 1000 candidates from the rural and city schools of the province wrote on the late high school entrance examinations. Judging from this number education is in a healthy state in this province and foretells a continued demand for high school facilities.

The schools of the municipality are now all closed and teachers and pupils enjoying a well-deserved holiday. Four new teachers will be employed in the municipality at the reopening of the schools—at Armstrong for first division, at Knob Hill, at Deep Creek and at Pleasant Valley.

Mr. and Mrs. R. R. Burns returned from their trip to the coast Friday. While in attendance at the meeting of the B. C. Pharmaceutical Society, Mr. Burns was honored with the position of vice-president of this society. His well-known activity in matters of interest to the trade will no doubt make him a valued official in his new capacity.

The instruments for the new band being organized in town by members of the L. O. L. have been ordered. We are requested to state for those taking the lead in the matter that the organization of the new band is not in any way desired to be taken as any reflection on the present town band, nor do they intend to take any action that will in any way militate against the success of the present town band, the new band being purely a lodge organization.

Eli Wilson, principal of the Armstrong high school, left Saturday on his holidays, which will be spent in the service of the Dominion department of Geological Surveys as assistant to Prof. Lamb to the south of Kamloops. Mr. Wilson's knowledge of geology and his special liking for this class of work should render him an able assistant to the governmental staff and his outing will no doubt be a pleasant one and very beneficial to his somewhat exhausted physical condition caused by overwork in the school room.

Rev. Duncan Campbell, moderator of the synod of B. C. of the Presbyterian church, returned home Saturday from London, Ont., where he has been in attendance at the General Assembly of the church in Canada. He reports the meeting as having been an exceptionally interesting one. British Columbia was separated from Alberta and now constitutes a new synod of itself. Among other matters of interest to British Columbia was the appointment of a committee to report on the advisibility of the opening of a theological college within the province.

Hot! Good weather for crops and hay.

Wm. Ratledge returned Saturday from Hedley, where he spent the winter.

Amos Hill has his new residence nearly completed. The new building is two stories and will afford ample room for the family

Otter lake has proved attractive to the young men and boys of town and swimming parties have been popular to that body of water during the week.

J. Reid, for some time employed in C. T. Daykins store, has severed his connection there and expects to again take up expert machine work.

A meeting of the board of directors of the Okanagan Flour Mills Co. was held on Saturday at which was transacted routine business of interest to the mill company.

J. M. Bird is building a temporary residence for S. Reid on his recently purchased 40-acre tract off Donald Graham. Mr. Reid expects to give possession of his farm near the creamery to John Phillips next week.

The next regular meeting of the W. A., in connection with St. James church, will be held at the residence of Mrs. Hamill on Tuesday evening, July 10th. at 7:30 o'clock. All the ladies of St. James' church are very cordially invited to be present.

The special train to the Salmon Arm celebration next Thursday leaves Armstrong at 7:45. The Armstrong base ball team goes over to play ball. Spallumcheen lodge will likely be represented by a goodly portion of its large membership.

A. N. Ratledge, barber, has disposed of his billiard equipment to W. C. Potts, who will operate the billiard hall after the removal of the barber shop to the new brick block. The latter will be improved to make it a strictly modern barber shop, with baths, massage appliances, etc.

H. Schneider has had R. S. Pelly, P. L. S., engaged during several days of the past week in surveying into 80-acre tracts the 320 acres formerly comprising the John Glanzer place which he purchased last week. These parcels of land will be offered for sale at very reasonable prices. They lie four miles east of town.

Passengers on Monday's northbound train might have been the victims of a train wreck south of town but for the careful attention to duty on that day of Section Foreman Lary Long. The excessive heat of the sun on that day had caused a large bend in one of the rails which was discovered by the section foreman just ahead of the approaching train which was held until after repairs were made.

The Entrance Examinations.

The record made by the pupils of Principal Wilson, of the Armstrong public school, in the recent entrance examinations is one of which he may justly feel decidedly proud and one very creditable to his abilities as an instructor. From the town school thirteen pupils went up to the examination out of which ten passed with markings as follows: David McNair, 695; Beatrice Hamill, 672; Benj. Harry, 669; Steele Fisher, 658; Bertha Ball, 604; Freddy Simington, 585; Albert Barnes, 577; Maggie Levar, 569; Elva Young, 560; Annie Levar, 552. Those three pupils of the town who were subjected to disappointment were Pearl Leverington and May and Wilfrid Hardy. From the Glenemma school Pearl Ferguson was the only candidate and passed with 550. From Pleasant Valley school Ada Graham and Ida Schubert passed with 617 and 589 respectively. A comparison of percentages of the Armstrong school with other rural schools of the Okanagan places this school at the head of the list, the percentages being Armstrong 76%; Kelowna 70%; Enderby 66%; Pleasant Valley 66%.

Synopsis of Homestead Regulations.

ANY available Dominion Lands within the Railway Belt in British Columbia, may be homesteaded by any person the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres more or less.

Entry must be made personally at the local land office for the district in which the land is situate.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) If the father (or mother, if the father is deceased) of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by residence upon said land.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land

Six months' notice in writing should be given to the Commissioner of Dominion lands at Ottawa of intention to apply for patent.

Coal lands may be purchased at $10 per acre for soft coal and $20 for anthracite. Not more than 320 acres can be acquired by one individual or company. Royalty at the rate of 10 cents per ton of 2,000 pounds shall be collected on the gross output

W. W. CORY,
Deputy of Minister of the Interior
N. B.—Unauthorized publication of this advertisement will not be paid for.

Poultry. PURE-BRED Brown Leghorn and Plomouth Rock Poultry and Eggs. Some exceptionally good young Cockerels now on hand.

MASONIC INSTALLATION.

Men of the Compass and Square Enjoy Elaborate Banquet.

The eighteenth annual installation of officers of Spallumcheen Lodge No 13, A. F. & A. M. was held on Tuesday evening last. Right Worshipful Bro. J. Highman, D. D. G. M., district No. 3, officiated.

The following officers were installed:—W. M., F. C. Costerton; S. P. M., J. B. Bird; Sr. W., T. K. Smith; Jr. W., R. R. Burns; Sr. D., F. N. Daniels; Jr. D., W. Smith; In. G., T. Clinton; Tyler, J. Bird.

After the installation the brethern adjourned to Armstrong Hotel where a sumptuous banquet had been prepared. After enjoying the good things prepared by "Mine Host" Winters, the toast list was proceeded with:

"The King and the Craft"—Musical honors.

"The Grand Lodge of B. C."—Proposed by W. M. Costerton; responced to by D. D. G. M. Bro. J. Highman, and W. B. Barns, G. S. B.

"Visiting Brethern"—Proposed by W. M. Costerton; responded to by Bro. J. Pringle, Enderby; Bro. Niven, Kaslo; Bro. W. Barns, Enderby; Bro. Weeks, Vernon,

"Spallumcheen Lodge"—Proposed by Rt. W. Bro. Highman; responded to by Bros. Costerton, Becker and Pelly.

"Retiring Officers"—Proposed by W. M. Costerton; responded to by Bro. J. B. Bird, Bro. H. Sturt.

"Incoming Officers"—Proposed by Rt. W. Bro. Highman; responded to by the officers-elect.

"The Masons' Wives and Bairns"—Proposed by Bro. Costerton, responded to by Bros. R. S. Pelly and R.W.T. Kirby.

"Our Host and Hostess"—proposed by Bro. Costerton, responded ro by T. Skyrme on behalf of Host Winters.

"The Junior Warden's Toast"—by Bro. R. R. Burns.

The toast list was interspersed with songs, recitations and monologues by Bros. Clinton, Weeks and Tucker.

The Masons present speak in the highest terms of praise of the excellent arrangements and the elaborate menu provided by Landlord Winters.

A Worthy Tribute of Esteem.

The following taken from the Alberta Advocate, published at Red Deer, Alta., is the high tribute paid to one of our recent settlers by his friends of his former home:

It is with regret that we have to announce the departure from our town of Mr. G. A. Love and family who will reside from now in the Okanagan Valley, where Mr. Love will engage in fruit culture.

Mr. Love was our rival editor and established and conducted the Conservative journal published in Red Deer. We have had occasion from time to time to cross swords with Editor Love, but neither on our side nor on his was there any vernom on our swords' point.

Our friend has lived a number of years in this town and district and has been closely identified with the town's growth and upbuilding.

Some years since he was elected to the honorable position of mayor of this town and has been president of the board of trade for two years.

We are glad to place on record our appreciation of Mr. Love's services to this town.

As president of the board of trade we have been closely brought into touch with him. He made an admirable chairman and was most regular and punctual in his attendance.

Mr. Love is personally greatly esteemed by a large circle of friends and acquaintances and his qualities of both head and heart are such as to endear him to many and give him favor in the sight of most men.

The town as a whole; the church; the board of trade, and other institution which are for the advancement and elevation of mankind, are all the poorer for the departure of George Albert Love.

Mrs. Love the bright, sympathetic, genial helpmate of our friend, will be greatly missed, as she was greatly beloved for her qualities of disposition and her work for others in church, school and philantrophic endeavors. Knowledge of our friends gives us cause thus to write and we are glad to know that as our duty is toward worthy citizens, so also is this our pleasure, and we are glad to know that in all the strife of political life or trade competition the late editor of the "News" and ourselves always had sense enough, (perhaps we may be allowed to say breadth of mind enough) to remain as we hope, ever on terms of high regard.

Stenography.

Miss J. S. Johnstone is prepared to accept public stenography or typewriting, or to teach same to any parties wishing to take it up. May be seen at Farmers' Exchange office.
