

# A.U.C.E. *Travel Club*

THE ASSOCIATION OF UNIVERSITY & COLLEGE EMPLOYEES LOCAL 1  
IN CO-OPERATION WITH P. LAWSON TRAVEL - U.B.C.

## OBJECTIVE:

To bring together members of A.U.C.E. Local 1 with a common interest in travel, and to organize a group travel programme throughout the year based on members' requests, thus obtaining maximum benefits from group rates, etc., and to further the social side of our Association's activities.

## ELIGIBILITY:

All members of A.U.C.E. Local 1 and their guests. No fee required.

\*\*\*\*\*

This is our initial travel programme based on members' suggestions. We welcome your comments and wish to know where YOU want to go - if it's "Timbuktu", let us know as someone else may have the same idea and we can get you together and set up a "mini-group", wherever possible.

All prices given are based on the most appropriate air fares and good quality accommodation (not cheapies!). As the idea is to form good sociable groups from our members and friends, we have based everything on two people sharing a twin room. If you have a particular friend with whom you wish to travel, please book together. No prices are shown for a single room or for children's fares, but this can usually be arranged if such requests are received on the application. We will advise you of the rates by mail. Please do not telephone for special rates as the volume of calls might be horrendous!

All prices are based on current air, hotel and tour rates and may be up-dated at time of travel, but we will try and hold these quoted rates wherever possible.

NO RESPONSIBILITY IS ACCEPTED OR IMPLIED BY THE A.U.C.E. TRAVEL CLUB OR P. LAWSON TRAVEL, WHICH ACTS ONLY AS AGENTS FOR THE AIRLINES, HOTELS AND TOUR COMPANIES INVOLVED.
