

defend the 18

Six cases have been before the courts and the legal defence fund has been exhausted. The seven cases and at least one appeal which remain will require an estimated \$20,000 for legal expenses.

The SFU 18 need your support to defend themselves and the trade union movement from this attack on the right to strike.

In March, 1979, the RCMP attacked the AUCE Local 2 picket line at Simon Fraser University and arrested eighteen picketers. No warning was given and no injunction was obtained by the police before their violent intervention against the picket line.

The SFU 18 have been charged with two offences under the Criminal Code and face maximum penalties of two and a half year jail terms and \$1,500 fines.
