Dear Brother McDermott:

Further to our correspondence of June and August of last year, and in addition to having met with William Smalley and representatives of BCGEU, OTEU and CUPE, there is a request that the AUCE Provincial Executive wishes to make of the Canadian Labour Congress.

It is our understanding that the CLC Convention is scheduled for May of this year.

The request we wish to make of you is this: we would very much appreciate it if CLC Convention Delegates could be informed of the affiliation application made by this union and further we would ask that the CLC Executive make known to the delegates, the negative response and the reasons for the response.

We would appreciate an expedited response to this specific request. The AUCE Provincial Executive next meets on Saturday April 19th and Saturday May 10th; I hope to be able to report your reply to the AUCE Provincial Executive at those times.

I understand that you must be extremely busy with convention preparation and hope that you will be able to convey this request to the CLC Executive in spite of the fact.

With best regards for a successful Convention.

Sincerely,

Sheila N.L. Perret, Secretary-Treasurer
on behalf of the AUCE Provincial Executive
