A recent survey of AUCE members has shown a strong need for housing, especially located close to our place of work. It is imperative that we ask the Provincial Government to agree to non-profit housing on the Endowment Lands.

NOTICE OF MOTION

THAT AUCE Local One endorse the Blue Heron Housing Co-operative's request to place non-profit co-operative housing on the Endowment Lands. Because of the present housing crisis, we encourage the Provincial Government to make available a small portion of the Endowment Lands for this purpose.
