We are unable to locate files for the following two people:

Shannon Loughrey [REDACTED] (the only thing I can find is an Appointment Notice dated November 17, 1982 indicating a temporary appointment in the Dean's Office, History) could she have changed her name?

CAMPBELL, David (I have an Appointment Notice dated November 15, 1982 indicating he is a Printing Operator 2 - I can find nothing else) It is unlikely he has changed his name.

Your assistance in providing information on these two people would be appreciated.

Yours truly,
