Industrial Safety Division
Workers Compensation Board

Dear Mr. Askew:

It has come to our attention that Mr. Robert Grant (Industrial Relations Manager) for the University of British Columbia has requested a variance from Industrial Health and Safety regulations 4:04 and 4:06 with regard to the structure and functioning of the university's principle Industrial Health and Safety Committee (also known as the President's Advisory Committee on Safety, Security and Fire).

The Union would appreciate an opportunity to express, in writing to you, its objections to the university's request for a variance. Therefore, we respectfully request that the Board delay its decision until at least March 1, 1982.

Thank you for your consideration in this matter.

Yours truly,

Patricia House
Secretary-Treasurer
