A.U.C.E. Provincial
#1113 - 207 W. Hastings
Vancouver, B.C.

Dear Melody,

At a special meeting today we elected two delegates to the Convention next month -- they are Warren Willows and Rita Campese. We expect that our Provincial representatives, Dorris Andersen and Stan Strutin, will also attend.

I am enclosing a copy ⁽²⁾ of the Letter of Understanding Concerning Severance Benefits which we have negotiated with the N.D.U. Board of Governors. It gives our members fairly good protection in the event of closure or curtailment, and also some benefits in lieu of pension for those who are retained by the successor employer. If you'd like more copies let me know.

The uncertainty continues -- and probably will, right up to the wire, and beyond. None of our members has been terminated by our present employer -- but we do not yet know who the successor will be. We anticipate that these revelations will be made at the Provincial Cabinet meeting to be held in Nelson on 2 June. We hope we'll still be around to participate in the Convention.

Sincerely,

(Ms.) Shirley Bonney
