Dear President:

I am writing to you on behalf of the Fundraising Committee of the Johanna den Hertog NDP Campaign in Vancouver Centre. You may have already been contacted by one of our members.

As you are undoubtedly aware, the NDP placed a close second in the last Federal campaign in Vancouver Centre. With a strong effort, we believe that we have an excellent chance of winning Centre this time. Johanna, as you know, is a committed trade unionist and can be expected to be a strong voice for trade union issues as a Member of Parliament.

We would very much appreciate any financial support that your union could provide to our campaign. Other kinds of support, such as materials, and more importantly, campaign volunteers and Election Day workers would also be of great assistance to us.

If anyone in your union would like specific information about our campaign, they could contact either of the offices listed below. Thank-you very much for your consideration of this urgent request for assistance.

In Solidarity,

*Don A. Sinclair*
