Dear Mr. Albertini,

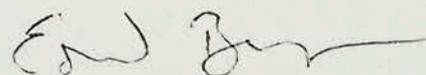

Re. AUCE Local One Section 54 application

Our Section 54 application names the successor as the University Employees Union. Unfortunately, CUPE 116 at UBC has objected to our choice of name. The name on their charter is the University of British Columbia Employees Union, and they felt that the similarity of names would lead to confusion. Consequently, we have decided to call ourselves the Canadian University Employees. We request, therefore, that our Section 54 application be amended to reflect this change.

This development has been discussed fully with Ann Burton, and she has received copies of the documents enclosed, namely the notice of motion that was mailed to our members, the minutes of our last general membership meeting, and our amended constitution and bylaws.

Thank you for your attention to this matter. Please call me if you have any questions.

Yours truly,

Ted Byrne
Union Coordinator
