Dear Brothers and Sisters,

I have been directed by the Executive of Local One to inquire as to when we might expect to receive the five dollar assessment from your members.

We have been informed by the Provincial that until all of the assessment money is received, the contributions thus far will be held in trust. We understand that no steps have been taken at your Local to collect the assessment.

The assessment is intended to help Local One recover from the 1980 strike. Please let me know at your earliest convenience when the money will be available to us.

Yours truly,
