Dear Darlene:

You were elected to the the Union's representative on the University Safety Committee at the union meeting of March 19, 1981. Please find enclosed a copy of a letter to Robert Grant, who is the head of the Committee, advising him of this fact. You will receive agendas and notices of meetings from him.

The Executive would appreciate reports from you from time to time as to the discussion taking place at the Committee. We might, from time to time, also want you to raise issues on behalf of the Union. If you would like to have space on the agenda of union meetings to make a report to the membership let one of us in the Union Office know.

Thank you for agreeing to stand for this position.

Yours truly,

Carole Cameron
