RE: PACKAGE TO BE MADE UP MARCH 5th FOR DECISION JOINING CUPE

I think that it would be helpful if an overview could be typed up telling the new members in the Union when AUCE was formed and why we decided to agree to this 2 year contract with CUPE.....so that people have a bit of an idea to our history. Also that two years ago we were discussing other Unions but that we came to this agreement with CUPE. Even just a page noting dates and decisions.

Thanks. You did a good job for your first meeting even though it was quite difficult. Keep up the good work!!
