Dear Libby:

Re: Lunchtime Meetings in Personnel Services

It has come to the attention of the Union that in July, staff in Personnel Services were required to attend a meeting during their lunch time. Furthermore, it is our understanding that the meeting was called at such short notice that our members did not have their lunches available. Naturally, the Union does not condone this treatment of its members and so we are requesting the following actions.

1. That Personnel Services provide the union with a list of those members that were ordered to attend the meeting.
2. That these members be paid overtime for attending the meeting on their lunch time (Article 29.02), and that the list of who was paid overtime and on which pay cheque they received it be sent to the Union Office.
3. That overtime payment will always be given when CUE members are required to attend staff meetings on their lunch time.
4. That in future, one week's notice must be given to any member that is expected to attend lunch time meetings.

Thank you for your attention to this matter.

Yours sincerely,
