Dear Katarina:

On February 16th Carole Cameron and myself trotted over to VGH to hold our informal meeting with the AUCE members there. We were located down in the basement of the Surgical Daycare Centre in a small room and absolutely no one paid us a visit.

We thought that this was perhaps because it was held on a Monday, and also because we were located in an out of the way place. However, it could have been an indication of the lack of interest in our visit.

I would really appreciate it if you could ask around, maybe speak to Cheryl Jolliffe in the Biomedical Library as well, and let me know if there seems to be sufficient interest to warrant our trying again next month.

I look forward to hearing from you, Katarina.

Yours truly,
