To Whom It May Concern:

I am writing to enquire about your comprehensive benefit packages. We are presently in the process of reviewing the benefit plans currently in use at U.B.C., as per a letter of agreement negotiated between U.B.C. and the clerical and library worker's Union, A.U.C.E. Local I. Our goal is to improve our total benefit package.

In view of this, I would appreciate receiving any information you may have on the following:

1. Comprehensive plans, including any or all of: Medical, Dental, Group Life & Disability, Extended Health Plans.
2. The overall influence, if any, of average age or percentage of males versus females in a specific group.
3. Possible cost factors for a group of approximately 1500 members.

If you think it would be useful to meet with one of your representatives to discuss this matter in depth prior to our negotiations with the University, please do not hesitate to contact me at 224-2308 at your earliest convenience.

Yours truly,

Wendy Bice
Union Co-ordinator
