Dear Lindsey:

I took your request regarding your assessment deduction to the Executive on January 20th. After some debate, it was decided by the Executive that deductions would be made as per the attached letters, to R.A. Grant and to Bob Seeley. It was further determined at that meeting that a decision had been made in the past to deduct people on the basis of their present work status, at the time the assessment is taken off the paycheques.

Therefore, the assessment of two \$10.00 deductions for you as a currently employed full time AUCE member is correct. I hope I have made myself clear. If you have any questions, please call me.

Yours truly,
