Dear Ms. Nason,

Re. Payroll and Financial Services Grievances

In your letter of May 26, 1986, regarding the Financial Services Grievance, you requested 'a written statement from (me) on the Union's claims and proposed remedies in this matter'. My four page letter of June 6 was a response to that request. I cited the articles being grieved, gave our reasons for grieving them, and specified the remedies we are seeking. I do not know what you mean when you say that you have not received 'full particulars on these grievances'. Please call me if you wish to discuss this any further.

We have considered Bruce Greyell as an arbitrator, and have decided against him. We propose at this time that you accept Bruce McColl as arbitrator.

Yours truly,

Ted Byrne
Union Representative
