TO ALL CUPE LOCALS

Greetings,

This is my annual appeal to you to financially support the Labour College of Canada. Please read the enclosed brochure for details concerning the 1987 Residential Program.

Over the years, CUPE Locals have carried their fair share in making financial contributions to the Labour College. Unfortunately last year our contributions were down slightly.

This is an appeal to you to:

- (a) become one of the locals supporting the college for the first time,
- (b) continue or increase your present donation,
- (c) make a contribution on a regular basis and include it in your local union's annual budget.

Any amount, large or small, will be greatly appreciated. Cheques should be made to the Labour College of Canada. You may send your cheque directly to the Labour College or to the CUPE Education Department in Ottawa.

I hope your local will be generous in its support of the Labour College.

In solidarity,
