TENDERS CLOSED ON SEVERAL CONTRACTS

Tenders for the supply of materials and work on several jobs closed on Monday of this week. Among the most important were the grading of the South Westminster school grounds and adjacent roads for the municipality of Surrey, the piling and wharf construction for the market site New Westminster, fire alarm equipment, Victoria, stone dust and sand, Victoria and the machine shop equipment, Victoria. It is expected that all of these contracts will be awarded immediately.

WILL AWARD PILING CONTRACT THIS AFTERNOON

NEW WESTMINSTER—Tenders for the piling and wharf construction involved in the extension of the new market site to the harbor line were opened at the regular weekly meeting of the council on Monday night, and referred to the engineer for tabulation and report. It is probable that the contract will be awarded at the meeting this afternoon. No figures were announced at the Monday evening session.

FIRE ALARM EQUIPMENT AND MACHINE SHOP PLANT

Equipment, Victoria—Bids for fire alarm equipment and for machine shop plant were before the council, the time within which tenders were submitted expiring Monday afternoon. The fire alarm equipment consists of the new signal system which will be installed at fire headquarters in a fire-proof structure to be built adjoining the new police station. The equipment for the machine shop will provide for the putting into operation a necessary adjunct to the works department. The new plant will be installed in the building erected at the city yard, Garbally Road

CLARK DRIVE SEWER WORK TO START SOON

Sewer, Vancouver—Work on the Balaclava trunk sewer is expected to be finished by April 15. There is now only 150 feet of tunneling to finish, and in the open cut on Tenth avenue at Vine street, men are laying concrete in the bottom half of the pipe. As soon as the gangs are free from the Balaclava work, they will be started on the Clark drive sewer which is to be done by day labor also.

It is expected that tenders will be called in a short time on some of the materials to be used.

BROOM FACTORY WILL BE STARTED IN KELOWNA

Factory, Kelowna—A new industry is likely to be started in Kelowna in the near future in the shape of a broom factory. The possibilities of such an enterprise has lately attracted the attention of Mr. D. W. Sutherland, of Kelowna, and after careful investigation he is making arrangements for the planting of about 10 acres of the corn as a preliminary experiment. The necessary plant for the manufacture of brooms is to be installed at once.

VICTORIA SIDEWALK.

VICTORIA—The formal motion for laying a concrete sidewalk from Government street to Douglas street on the South side of Fisgard street was introduced in Council on Monday night. It will pass the market yard property.

COURTENAY, B.C.—A house owned by Mr. Ashenfelder has been completely destroyed by fire.

NOTICE GIVEN OF NEW MONEY BYLAWS

VANCOUVER—Some of the money by-laws which it is proposed to bring down this year were intimated in the notices of bylaws presented to the city council on Monday night. Ald. McBeath gave notice of a bylaw for the erection of an office building for civic purposes on the City Hall site and Ald. Rogers gave notice of bylaws for waterworks and for grading streets, lanes and boulevards and planking streets and lanes.

URGES CITY TO PROCEED WITH BRIDGE CONSTRUCTION

Bridge, Victoria—Alderman Todd has recommended that the city proceed at once with the construction of the Rock Bay Bridge. He urged that the Government's order, insisting upon a swing span, be complied with, and as the cost of the bridge with a span can be covered by the $7,500 voted by the Council, it is probable that the permanent work will be carried out immediately.

TO SUBMIT BYLAW FOR HYDRO ELECTRIC PLANT

KAMLOOPS—An extension by-law for $50,000 for repairs and alterations to the hydro electric plant at Barriere will be submitted to the people on April 9th. DuCane, Dutcher & Co., Vancouver, who will handle the work for the city report that the plans will be completed in a very short time and that work can be started in the very near future.

TENDERS FOR POLES.

Poles, Victoria—W. Galt, city purchasing agent, will receive tenders up to Monday, April 12th, for thirty-five 45-foot poles and fifteen 35-foot poles, for the City Electric Light Department. Specifications may be had at the office of the purchasing agent.

WORKING ON FLOOR

NEW WESTMINSTER — Work on the construction of the sectional floor in the Horse Show arena at the park has commenced and within a very few days the work of laying the floor will commence.

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it —it won't curl up.
Congoleum Rug Borders, laid next to a [illegible] carpet, give the actual appearance of polished

GREAT NORTHER PROPOSALS AFFECT BRIDGES ALSO

In accordance with the wishes of the Civic Railways and Bridges Committee, the Great Northern Railway Company placed in writing its proposals for a two years' extension of the time set for the completion of its terminals in False Creek and the application as now presented to the committee, is that the extension shall apply to the separate agreement for the construction of the remaining bridges over its big cut in Grandview.

In their communication they point out that if their station is to be built nearer the Canadian Northern line so that it would better serve the purposes of a union station or be in closer proximity to the Canadian Northern terminal station, much more filling would be necessary to be done in that section, and they were prepared to begin at once filling 25,000 cubic yards a month, employing 20 teams and a good many laborers. Regarding the bridges they stated that with a certain amount of repairs and improvements the present structure would be sufficient for all traffic for some time to come.

FIRE HALL MAY BE ERECTED IN QUEENSBOROUGH

Fire Hall, Queensborough—If negotiations now under way are successful, the new firehall to be built in Queensborough will be located on a corner of the Provincial government reserve fronting on Ewen avenue. Last week Mayor Gray, Alderman Annandale and Mr. Thomas Gifford, M.P.P., interviewed the Hon W. J. Bowser in Vancouver with a view to securing a site, and the Attorney-General promised favorable consideration of the request.

ESQUIMALT WATERPIPE

The installing of a line of water pipes on the old Esquimalt Road and Lampson Street, near Craigflower Road, is at present occupying the attention of a large gang of workmen. The Esquimalt Water Works Company is carrying on the work, and these pipes will take the place of the smaller ones formerly used. The principal reason for making this change is in order to give a better supply of water in case of fire.

NOTICE TO CONTRACTORS.

COURTHOUSE AT DUNCAN, B. C.

Sealed Tenders, superscribed "Tender for Courthouse, Duncan," will be received by the Honorable the Minister of Public Works up to 12 o'clock noon of Friday, 2nd of April, 1915, for the erection and completion of a Courthouse at Duncan, B. C.

Plans, specifications, contract and forms of tender may be seen at the office of Maitland-Dougall, Government Agents, Duncan; J. Mahony, Government Agent, Courthouse, Vancouver, B. C.; and the Department of Public Works, Victoria, B. C.

Intending tenderers can obtain one copy of plans and specifications by applying to the undersigned, together with a deposit of twenty-five ($25) dollars, which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honorable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer, Department of Public Works.

Cut Your Selling Cost

The more sales you make the less is the cost per sale.

Advertising will help increase sales; give it a chance.

The *British Columbia Building Record* reaches the architect, the contractor. Do you sell them?

A favorable impression is made for your goods, for your service, and the selling cost is cut down. Let's talk it over.
