Dear Sir:-

About thirty days ago we wrote all of the Patrons of the Association, whose subscriptions were still outstanding, requesting remittances. Many very kindly responded with cheques. You probably overlooked the matter owing to the pressure of other business matters. We have to advise you that we have now followed your original instructions and drawn on you through The Royal Bank of Canada for the amount pledged. We beg that you will meet the draft as the money is absolutely required to forward the work.

Thanking you again for your co-operation, and in advance for your compliance with the request herein.

We are, Dear Sir,

Your obedient Servants,

RAM/RKF
