Dear Mr. Simson

Could You kindly send up by Freight as far as Clinton in Care of Robert Fraser Two or 3 Boxs of Apples (MacIntosh Reds) And I will pay You for them when I come down for C.P. Lee's Bulls if that would suit You the Reason I'm writing ahead is; that I will have a good Chance to send them on up before it Freezes too hard trusting this will be satisfactory to You, Perhaps to Identify myself I might explain that I was down at Your place two years ago and got Bulls for Lee Before

Yours Truly

T. P. Morgan

P.S Will be down about the 10th or 18 Don't know yet as to day for certain
