

Chief Constable's Office,

Prince Rupert, B.C.

June 18th, 1917.

Sir:-

Mr Jno. P. Babcock, Assistant to the Commissioner of Fisheries, informs me the Commissioner of Fisheries has ordered, I direct Constables and Fishery Overseer's to demand the display of the Provincial Cannery Licences under which the plant is being operated. In case the Superintendent or Manager cannot display the licence, you are to notify him that the licence must be obtained from the Department.

Please report on the number of canneries that are in operation in your District, and mention those that have a licence.

All cannery managers are being notified by Mr Babcock to obtain their licences.

Obediently Yours

Ernest Samson

Chief Constable.
