To Constable Forsyth of

Dear Sir

Port Essington

I am dropping you a line to let you know I am still in Prince Rupert, and would like to know if I satisfied you in my duties in Port Essington if so, would you kindly write out a recommendation signed by yourself, so that if there is no place on the Provincial Force I would like to put in an application on the City, if I stay up here for the winter, or in case I wish to get on down in Victoria. Send it as soon as possible, as they are calling for men for the first of the month. Mr Mackie is still over here with me, but expects to go down on Friday.

Hoping you are having fine weather over there. We are having lots of snow here.

Kindly oblige, if you think I deserve it.

Good by for the present, I remain  
Yours Truly, Walter Rutherford Carmichael.
