Dear Sir:-

We are now re-vising and making complete our directory of Canadian hotels for our Information Bureau.

Will you kindly fill out and mail to us the enclosed postal card, giving the population of your town, the hotels, with name of proprietor in each case, rates per day and the number of rooms, or approximate number.

This Information Bureau is for the purpose of giving free information to the travelling public regarding the hotel accommodation anywhere and everywhere in Canada. It is the only information Bureau on Canadian hotels in existence, and we wish it complete.

Thanking you in advance for this favor and trusting to hear from you at your earliest convenience, and, further, hoping to be able to often help your town in return,

Yours very truly

ASS'T. MANAGER.
