Dear Sir

When leaving Port Essington  
some weeks ago I left some  
freight at Morrow & Frigg's  
wharf, which Mr Clark promised  
he would send on to Vancouver  
for me, I have wrote to him  
about it, but perhaps he has  
left Port Essington

Would you be good enough  
to enquire if they have been sent  
and by what boat, as I am very  
anxious & cannot locate the  
freight anywhere. If you would  
kindly reply I shall be obliged

2 Cases Dry goods  
1 Bundle Bedding  
1 Bed Spring

Yours Respectfully  
W. J. W. Frost
