Mr. G. Green to The Hon: The Chf Comr of Lds Works and Mr. Gl.

Copy.

New Westminster.

14th November, 1865.

Sir,

I beg to inform you that according to your instructions I have inspected the Douglas Street Road.

I find it is in a very bad condition nearly the whole way, and I am of opinion that to put the road in any thing like a passable condition it will cost $1500, and in my opinion after this amount of money has been spent

$1500. will merely clean out the drains and do as much Corduroying as will make the road passable.—

spent, if there is any heavy traffic on the road it will give out in many places which appear now to be in good Condition, as the material is of a nature that will not bind, and on account of the flat district that the road runs through and thickly timbered, it is not possible for the road ever to be dry or firm. —

I am &c. —

Signed — G. Green.
