To an Order of the House for copies of all correspondence, tenders, accounts, and vouchers, in connection with supplying vitrified drain pipe for the new gaol at New Westminster, stating size of pipe for which tenders were asked, size and quantity supplied, price per foot, name of contractor, quantity of pipe used, disposition of pipe not required, the name of the superintendent of the work of constructing the gaol, and by whom recommended to the Government.

WM. SMITHE,

Chief Commissioner of Lands and Works.

*Lands and Works Department,
23rd February, 1886.*

NEW WESTMINSTER, B. C.,

7th August, 1885.

*W. S. Gore, Esq.,
Surveyor-General, Victoria.*

SIR,—We hereby tender to supply thirteen hundred feet of eight-inch vitrified iron-stone sewer piping @ 70c. per foot, F. O. B. wharf, New Westminster, B. C.

We have, &c.,
(Signed) WOODS, TURNER & GAMBLE.

Memo. of Mr. Cunningham's offer to supply 8-inch diameter pipe for New Westminster Gaol:—

8-inch sewer pipe will cost about 60c. per foot—1,300 feet.

VICTORIA, B. C., 11th August, 1885.

*Jas. Cunningham, Esq., M.P.P.,
New Westminster, B. C.*

SIR,—Your proposition for the supply of sewer pipe for the gaol has been favourably considered, but instead of 8-inch, which is deemed too expensive, it has been decided to lay 6-inch pipe. The great fall from the site of the building will insure a constant scouring of the pipe and prevent any possibility of its becoming choked.

Will you kindly drop me a line to say that you have ordered the pipe, &c., and please mention about what the price will be.

As soon as possible, the chain-gang should be ordered to do the excavating for the sewer, and also excavate to grade line for the gaol fence.

I have, &c.,
(Signed) W. S. GORE,
Surveyor-General.

NEW WESTMINSTER, B. C.,

August 12th, 1885.

W. S. Gore, Esq.

DEAR SIR,—Sewer pipe, six-inch, will cost laid down, with our commission, thirty-seven cents per foot if ordered now, owing to our contract for freight expiring this month. We take no risk in breakage or loss at this price. We will order it and charge 5 % on cost price. Your agent can inspect the bills here. We will get the number of feet from Kennedy and order it probably by this evening's mail. As there is an abundant supply of water on the premises, the six-inch will sweep everything into the river.

Truly yours,
(Signed) JAMES CUNNINGHAM & Co.

NEW WESTMINSTER, B. C.,
September 14th, 1885.

W. S. Gore, Esq.

DEAR SIR,—Kennedy gave us the measurement two thousand feet. I know nothing of its correctness. Presume it is not far out, as the ground is not level. We have now a great rain, and smoke and fog all gone.

Truly yours,
(Signed) J. CUNNINGHAM.

VICTORIA, B. C., Sept. 17th, 1885.

SIR,—I have the honour to enclose herewith a voucher for \$716.63, in payment for sewer pipes supplied for new gaol.

You will be good enough to sign this voucher and return it to this office, when a cheque for the amount will be remitted.

James Cunningham, Esq., M.P.P.,
