PETITION.

To the Honourable the Speaker and Members of the Legislative Assembly of the Province of British Columbia :—

GENTLEMEN,—We, the undersigned voters and residents of the Municipality of Chilliwhack, in the Province of British Columbia, respectfully represent to your Honourable House the necessity for a thorough revision of the laws relating to the Liquor Traffic in this Province. Your petitioners believe that it would be in the interests of all concerned if the maximum number of licences issued were fixed so as to bear a certain proportion to the population ; that licensed places be closed on the Lord's Day (commonly called Sunday) and during certain hours on week nights, and that provision should be made for the efficient administration and enforcement of such regulations as may be adopted.

Wherefore your petitioners humbly pray that your Honourable House may be pleased to pass a law embodying the foregoing and such other provisions as you in your wisdom may deem necessary to constitute a good licence law.

And your Petitioners, &c.,
