PETITION.

—o—

To the Hon. Mr. Speaker and Gentlemen of the Legislative Assembly of British Columbia now in Session in Victoria, British Columbia:

GENTLEMEN:

We, the undersigned, as miners and residents of the mining districts of Nanaimo, Wellington, and Comox, situated on Vancouver Island, beg to petition your Honourable Body to cause effective legal provision to be made to exclude Chinese and Japanese from working underground in any of the colleries of this Province.

Your petitioners keenly feel that the presence of Chinese or Japanese in the mines is a source of grave danger to the lives of those who are employed underground in mining coal, and that it will be in the public interests to prevent such risk to life by stringent legislative enactment.

And your petitioners, as in duty bound, will ever pray, etc.
