To the Honourable CLEMENT F. CORNWALL, *Lieutenant-Governor of the Province of British Columbia.*

MAY IT PLEASE YOUR HONOUR,—

In accordance with Section 14 of the "Statutes and Journals Act, 1879," I have herewith the honour to present the following Report.

I have the honour to be,
Sir,
Your obedient servant,
T. B. HUMPHREYS,

5th January, 1882.

MEMO.—In noting the quantity of work performed for the year, it should be borne in mind that the majority of the tabular work was printed in very small type (Nonpareil), nearly all the pages containing not less than 6,600 ems, and that, according to established rules, double composition should be allowed for this description of work, which would increase the total number of pages from 1,605 to 2,068. Although the above Return shows the net result for the year, yet a large amount of unavoidable additional work was necessitated by making alterations from the original drafts in Bills submitted to the Legislature, and in reports of Ministers and other documents, which it is impossible to include in this Return.
