GOVERNMENT LIQUOR STORES.

On July 20th, 1935, a Government Liquor Store was established for the sale of liquor at Field.

Arrangements were made to occupy new premises at Princeton and Penticton on December 1st, 1935, and March 1st, 1936, respectively. On September 25th, 1935, the Government Liquor Store at 820-822 Howe Street, Vancouver, was closed for the sale of liquor, and new premises situate at 822-826 Hornby Street, Vancouver, were opened instead.

A number of adjustments in rentals paid for Government Liquor Stores were made during the period, the saving to the Board in connection therewith amounting to \$3,960 per annum.

STAFF.

The Board takes pleasure in acknowledging the co-operation and loyalty of the various members of the staff throughout the Province. The number of employees of the permanent staff of the liquor Control Board as at March 31st, 1936, was 298.

STOCKS.

The value of the stocks of liquor on hand at March 31st, 1936, amounted to \$817,776.51, being an increase of \$131,568.28 over the inventory figure at the end of the fiscal year immediately preceding.

SALES.

The total sales of \$11,169,436.86 show an increase over the previous period of \$973,501.99.

During the fiscal period under review, Customs duty on imported spirits was reduced, and these reductions necessitated adjustments to the price-list on May 1st, 1935, and the benefit of the decrease in price was passed on to the general public.

The increase in sales, therefore, must be taken as an indication of the general improvement in conditions throughout the Province.

For comparative purposes classification of sales is given hereunder for the fiscal years ended March 31st, 1935, and 1936:—
