One thousand and eighty-four orders of revocation of orders of interdiction were made pursuant to section 99 of the "Government Liquor Act, 1953." Of this number, 646 were made by the Board. They were revocations of all orders of interdiction made from the inception of the Board, in 1921, to December 31st, 1945, and which were in effect at the latter date. Four hundred and eighty-nine of these notices of revocation to the interdict from the Board were returned unclaimed.

PENALTIES AND PROCEDURE

Appendix B, Law Enforcement, shows in detail all prosecutions reported to the Board under section 150 of the "Government Liquor Act, 1953."

Disposition of liquor seized and forfeited to the Crown was carried out in accordance with the provisions of sections 108 and 109 of the "Government Liquor Act, 1953."

INSPECTION DEPARTMENT

The following is an analysis of inspections made by Inspectors of the Liquor Control Board during the period under review:—

Premises covered by public-house licences	9,419
Premises covered by dining-room licences	1,874
Premises covered by dining-lounge licences	960
Premises covered by lounge licences	3,232
Total number of visits to liquor stores	531
Total number of investigations	989
Total number of interviews	2,617
Total number of miles travelled by various means of transportation	152,493

Improvement in the existing hotels has continued throughout the Province, both in the hotels proper and licensed premises, involving an expenditure of $3,112,814.22.

New hotels (new structures) that provide first-class accommodation for the travelling public in all departments have been erected for a capital outlay of $2,906,951. In each instance the hotels are a credit to the hotel industry.

The problem of minors is still an existing factor in the operation of licensed premises. Licensees are now taking upon themselves to prosecute when minors are found in licensed premises, and it is hoped that this will act as a deterrent in regard to this problem.

This Department has enjoyed the utmost co-operation in the proper administration of the licensed premises from the individual licensees, as well as the British Columbia Hotels' Association, the Hotel and Innkeepers' Society of British Columbia, the Provincial Command of the Canadian Legion of the B.E.S.L., Provincial Command of the Army, Navy and Air Force Veterans in Canada, and the Canadian Restaurant Association (Vancouver Branch).

Since the inauguration of dining-room, dining-lounge, and lounge licences, very little trouble has arisen in connection with these types of licences.

The Inspection Department has enjoyed the fullest co-operation from the various police forces and Government departments, for which the Board expresses its thanks.
