Grant Mahood Buys Claims On Salmon

Head of Newly Organized Company Gets Busy in the Salmon River District.

TWO mining deals of considerable importance were consummated this week, Grant Mahood on behalf of the Mahood Mines, Ltd., purchasing a one-half interest in the Daly & Sullivan group from James Macdonald, contractor of Victoria, and the Devil's Punch Bowl from Jancowski brothers of Stewart. Both groups are situated on Salmon River.

The Daly & Sullivan comprises four claims and was located several years ago. It has a splendid showing but no work was done last year. The group has been crown granted for years. Mr. Mahood at one time staked some of the same ground himself. Since this section received a new lease of life by the high price of silver, Mr. Mahood has been trying to acquire the Daly & Sullivan, as he considers it among the best promising groups on Salmon River.

The Punch Bowl adjoins the Bush United property on the northwest and between the Bush and Mineral Hill Mound. It is a location of early last season and what work was done last year disclosed good ore from which assays of a satisfactory nature were obtained. The group comprises six claims.

GENERAL LECKIE START WORK ON HERCULES GROUP

General R.G. Edwards Leckie, formerly commanding officer of the Coast Artillery division, who returned to private life recently, is again occupied with his mining interests and arrived last Sunday's boat. He was accompanied by Joe Fall, another of the pioneers of 1910 here. In 1910 General Leckie became interested in the Hercules group, on which a good showing of ore was developed. The property was Crown granted. No work was done for some years and none last season. It is reported development will proceed this season.

CAMPBELL'S BAKERY NOW OPEN.

A long-felt want in the town was filled Thursday by Howard Campbell who opened a bakery in the old Frizzell store premises. Howard is an artist by business but of late years had not followed his trade. But he could not resist the opportunity offered the line of business here. Thursday morning a lineup of bachelors awaited the opening of the bakery doors.

NOTICE.

Inquire that the following parties would communicate with me: Margaret LePage, Flossy Piercy, Alfred Brown, Frank E. Hull, Cora R. Stowe, Jack [illegible] Clegg, Roy E. Flynn, Philip A. [illegible]har, Arthur C. Little, George S. Fa[illegible]er, Anslem Keeler.

F.M.McLEOD,
803 Dominion building,
Vancouver, B.C.

CASH HAS BIG INFLUENCE ON EVERY BUSINESS

The Sslmon River Trading Co. desires to furnish its many friends and patrons with as complete stock of supplies as can be obtained in a badly disorganized market. Retail dealers throughout the country find that ready money forms a great factor with their supply houses for complete and prompt service. This condition is forcing thousands of business houses to do business only on a cash basis. While this condition has not been put in practice in all districts, conditions are such that it may be one of the possibilities. To avoid the inconvenience prompt settlements of accounts with your home dealer will be of great assistance. Thirty day accounts are always welcome, and those who have allowed their accounts to extend beyond that period are most earnestly asked to give us the assistance of prompt settlement.

SALMON RIVER TRADING CO.

SPECIAL CHURCH SERVICE.

Special Empire Day service will be held Sunday, 8 p.m. at St. Mark's church. Veterans will attend. Special music.

ALASKA OFFICIALS HERE.

Judge Jennings, Acting Governor Summers, Attorney General Switzer and other court officials of Alaska arrived on the patrol boat Cedar Thursday. While in Hyder they will investigate the claims of Ketchikan to part of the Hyder recording district.

GRILL CHANGES HANDS.

The popular Northern Grill in the King Edward hotel is now under new management, George Smith retiring. Bill Lawley, Jimmy Toomey and Bill Black have formed a partnership to carry on the business.

Pat Burns, the cattle king, accompanied by Blake Wilson, president of the Vancouver Board of Trade, made the round trip to Stewart on the Prince George last Sunday.

A.D.McQuarrie, a Vancouver contractor, is here and is busy getting things lined up for the summer.

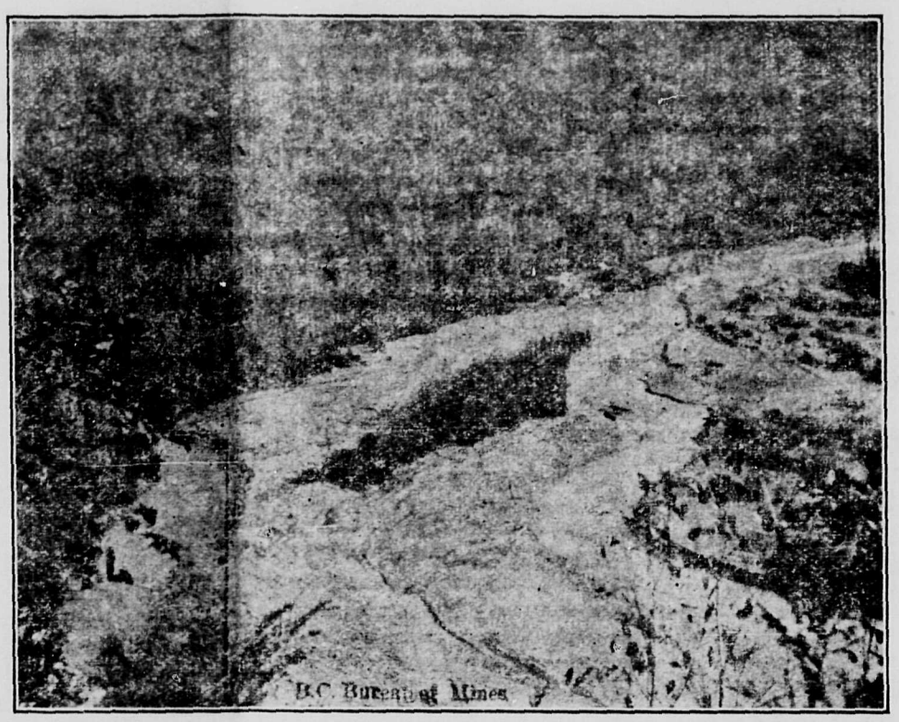
NOTICE

NOTICE IS HEREBY GIVEN that in accordance with an Amendment to the "Townsite Proportionate Allotment Act" passed at the last session of the Legislature any person holding an agreement for sale from the Crown in respect to the purchase at Auction of Town or City lots or lands within the site or suburb of a town payment for which has not been made in full and who wishes to obtain a proportionate allotment of such land in consideration of the moneys already paid must file application in that respect on or before the 1st day of September, 1920, on which date the privilege of obtaining a proportionate allotment will cease and any person in arrears of payment under an agreement for sale as aforesaid failing to make application as stipulated will thereafter be debarred from taking advantage of such privilege and will be subject to the fulfilment of the terms of the sale and the provisions of the "Land Act" governing overdue purchase money in connection with which special attention is drawn to the notice appearing in the current issues of this paper.

GEO. R. NADEN,
Deputy Minister of Lands.

Department of Lands,
Victoria, B.C.
May 5th, 1920.

Bitter Creek Glacier is Great Body of Ice.



MINING activity on Bitter Creek already this spring has resulted in a small stampede in that section and a number of claims have been staked there. The gratifying results from the operations of C.N. Tubman and his associates at the L.L. & H. group, owned by Jack Harkley of Stewart, have shown a lead 27 feet wide with good assay returns in gold and silver and a large development program is about to be undertaken.

Bitter Creek, like other sections of the district in 1910, caused considerable excitement, but not sufficient work was done, the low price of silver and the financial depression soon afterward, not being any incentive to development. But conditions are changed now and Bitter Creek is once more in the public eye.

OUT TO CLEAN UP ALICE ARM

With a much better team than a year ago when Alice Arm defeated Stewart 1-0 the Stewart baseball team will leave for Alice Arm early Sunday morning for the Empire Day game and first in the Portland Canal League schedule.

The Stewart team is the most promising aggregation of ball-tossers this far north, say those who have seen the team in practice. and they are expected to win the silver cup offered by Col. Hiam. In Tiny Daly the team has a flinger with a fast ball that has already won him a reputation. Billy Smitheringale is a southpaw heaver with a well educated ball that saved Stewart a worse defeat last season.

In Buchanan the team has a man who can hold Daly, which is saying a mouthful. Moose Baxter on the first sack has been playing for years and in fast company. The team averages well with the stick.

The line-up—Buchanan, c; Daly and Smitheringale, p; Roy Priest, ss; Baxter 1b; J. McKnight, 2b; Slim Grey, 3b and Smith, Stone and Benson in the field.

A number of substitutes will be taken as well.

TO WHOM IT MAY CONCERN:

Take notice that the partnership firm of Brett and Murray is hereby dissolved and J.C. Murray has no authority to act for or bind either the said partnership or the undersigned in any way.

Dated at Vancouver, B.C., this 13th day of May, 1920.

WM. B. BRETT.

LUMBER HERE FOR APPROACH

A scowload of lumber with which to replank the approach to the wharf arrived today and work is to begin at once. Repairs have been needed for a long while as the approach has become very dangerous on account of the holes

At a meeting of the Fire Brigade Thursday W.C. Ross was appointed secretary to succeed W.E. Reinhard who is leaving for Vancouver on the Sunday boat.

Bert Wing and M. MacInnes came up from Swamp Point for a few days this week.

Pete Herod of Kamloops was a Stewart visitor this week.

D.C. Scott of Vancouver came in this week.

Roy Moseley, proprietor of the King Edward hotel left for the outside last Sunday on a well earned vacation.

The bar in the new Baldwin Hotel on Columbia street will be open Monday. Bill Dann, proprietor. expects to hold an old fashioned opening soon.

Mrs, Ernie Crawford has arrived from Vancouver.

Mrs. Bibeau has returned from a trip to Minnesota.

T.R. Mackenzie of the Dominion Rubber System is visiting Stewart.

Jack Crawford of Crawford Bros. has returned from Porcher island with packhorses which wintered there. A considerable number of the animals died during the winter.

Help spread information about this district by subscribing to Portland Canal News.

GRAND TRUNK DUE SUNDAY

In spite of the strike the G T.P. is giving the coast a good service, Stewart included. Last Sunday the Prince arrived late on account of having made a call at Anyox. Advices received from G. A. McNicholl, assistant general freight and passenger agent, are that the Prince George will continue to make the same schedule until further notice. She is due in Stewart Sunday evening, returning to Prince Rupert in time to make the southbound trip at 10 a.m. Monday, the trip ending at Vancouver.

PRINCE RUPERT MERCHANT SEES TOWN

George D. Tite, exclusive dealer in house furnishings and who supplies much of these goods used in this district, made the round trip on the Prince George. He expressed great pleasure with the growth of Stewart and the evidences of progress he saw.

E. E. Campbell, mine manager at Anyox, visited Stewart this week.

NEW BUSINESS BEING BUILT ON MAIN STREET

Building activity in Stewart continues in spite of the lumber shortage. Eleven new building have just been completed or are nearing compietion. Carpenters are receiving good wages and, though things have slackened up a bit in the last few days, there are evidences that busy times in the building line are ahead. A shortage of not only lumber but material is felt.

The new buildings practically completed include the Gibson block on Fifth street, two storeys, which will be occupied by the Prospectors' Club; the Newell Block on Fifth street, two storeys, to be occupied by Wm. Newell's barber shop, bathhouse, downstairs and rooms upstairs; Kate Ryan's block on the corner of Fourth and Victoria, with stores on the ground floor and rooms. The Miners' Rest bunkhouse built by Jack Stanier on Fifth street three weeks ago and is a popular addition to the rooming accommodation of the town.

A number of old buildings have been rebuilt and occupied. These include the old Burns block on Fifth, now occupied by the Frizzell market. The News office moved last week to the old Falconer building on Fourth street.

New residences are being built in every direction.

OFFICIAL OF FORTY NINE MINE HERE

Silas P. Silverman, secretary of the Forty Nine Mining Co., arrived from Vancouver last Sunday and will remain here some days in connection with the property which is working under Wesley W. Warren as consulting engineer and Harry Howson as superintendent. The Forty Nine has developed sensationally rich silver-gold ore and plans for its development are extensive.

EARLY DAY EDITOR SEES CAMP AGAIN

Capt. Percy F. Godenrath, a 1910 pioneer of the Portland Canal, visited Stewart Sunday, having been at Prince Rupert with the war pictures which he is exhibiting for the Government. In 1910 Capt. Godenrath started the Portland Canal Miner and also the Stewart Trust Co. These institutions occupied the Belmont block which he built. It was his energy and optimism was responsible in great measure for the building of Stewart in the early days and which had much to do as incentive to important discoveries which are being developed today.

HANSON OPENS BATHHOUSE.

Harry Hanson, the bum plumber, last week was talking about fitting up a shower bath for himself and friends and the idea grew so popular with circulation that this week instead of putting in a mere shower for his own use he has branched out with an establishment of two tubs and a shower. The bathhouse is being artistically panelled and made attractive. As soon as everything is in shape it will be so arranged that it be given over exclusively for women and children on Tuesdays and Thursdays.

Chess Pike and Milt Cunningham, of Vancouver, have arrived in Stewart and have brought the town its first exclusive tobacco shop. They are located in the Stewart Hotel.

P.C. Hanley, field manager for Boyle Bros., diamond drill contractors, has arrived in connection with the season's operations in this district.

Land notices, $7.
Coal notices, $5.
No advertising accepted for First Page.

STEWART, B.C., May 21, 1920

This newspaper is one year old today. It has received a steady increase in advertising business and the circulation increase is an evidence of the appreciation of readers of the mining news of the district ann the local news of Stewart and vicinity. Stewart has grown surprisingly during the past twelve months. It has been said that a town's barometer is its newspaper. The town is full of business, optimism and good will.

Very soon now Portland Canal News will increase its size. We believe we have been delivering the kind of goods the residents here and those interested in progress and mining development here appreciate.

A year ago Stewart presented the heroic spectacle of a town arising from adversity and wreckage. The heavy snows of the past few years had crushed many of its buildings and adversity had broken its spirit—a'most. Today there are few signs of wreckage left. Optimism is the keynote everywhere and the town looks it. Those courageous families whose faith in the district kept them here through all the lean years wear smiles that wont come off for prosperity beckons at last and their faith is being rewarded.

Not alone the high price of silver which caused the renewal of development in this district, but the proven permanence of ore bodies assures an era of prosperity which is already in evidence. Large development proprams are being undertaken by several mining companies. Many more companies are undertaking preliminary work. An influx of prospectors means exploration of potential mineral area.

Yes, indeed, things are different from a year ago.

BRITISH COLUMBIA
The Mineral Province of Western Canada

Has produced Minerals valued as follows: Placer Gold, $75,436,103; Lode Gold, $97,121,786; Silver, $46,839,631; Lead, $42,294,251; Copper, $145,741,069; Other Metals (zinc, iron, etc.), $13,929,817; Coal and Coke, $187,147,652; Building Stone, Brick, Cement, etc., $28,843,272, making its Mineral Production to the end of 1919 show

AN AGGREGATE VALUE OF $637,353,581.

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, $94,547,241; for five years, 1896-1900, $57,605,967; for five years, 1901-1905, $96,509,968; for five years, 1906-1910, $125,534,474; for five years, 1911-1915, $142,072,603; for the year 1916, $42,290,462; for the year 1917, $37,010,392; for the year 1918, $41,782,474.

PRODUCTION DURING LAST TEN YEARS, $313,976,022.

Lode mining has only been in progress for about 20 years, and not 20 per cent. of the Province has been even prospected; 300,000 square miles of unexplored mineral-bearing land are open for prospecting.

The mining laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

THE HON. THE MINISTER OF MINES, Victoria, British Columbia.

Now is the time to have that plumbing done

Synopsis of Land Act Amendments

Minimum price of first-class land reduced to $5 an acre; second-class to $2.50 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of $10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made preportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of $200 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of $10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from for one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.

Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS.

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfilment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING.

Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock-owners may form Associations for range management. Free, or partially free, permits for settlers, campers or travellers, up to ten head.

WILL WORK SILVER CREST

S.W. Miller & Co., a well known brokerage house of Vancouver, announces that development of the Silver Crest group on Salmon River will be undertaken this season. P.W. Racey, M.E., will direct operations. He is due in Stewart soon after June 1. Silver Crest group comprises eleven claims on Salmon River and a wide vein from which high silver assays have been obtained has been exposed.

A. S. Knowles of St. Louis was a Stewart visitor this week.

WATER NOTICE.
Diversion and Use.

TAKE NOTICE that Lawrence & Workman whose address is Stewart, B. C., will apply for a license to take and use five cubic feet of water out of Barney's Gulch, which flows westerly and drains into Bear River about one mile from Stewart tidewater.

The water will be diverted from the stream at a point about 800 feet from foot of mountain and will be used for power (industrially) purpose upon the land applied for at foot of mountain.

A copy of this notice was posted on the ground on **the 13th day of May 1920,** A copy of this notice and an application pursuant thereto, and to the "Water Act, 1914", will be filed in the office of the Water Recorder at Prince Rupert. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within **thirty** days after the first appearance of this notice in a local newspaper.

LAWRENCE & WORKMAN,
By G.B. Lawrence, Agent

The date of the first publication of this notice is May 14, 1920.
