Chase High School Pupils Visit Kamloops

Students Enjoy Interesting Exploration Of Kamloops Business Centres.

The High School and Grade 8 students of Chase Superior School spent Friday, April 12, on an interesting and enjoyable trip to Kamloops. The students left at 9 a.m. by truck driven by Mr. Roy Linville and arrived in Kamloops about 11. First, they spent a few minutes getting organized and then went to visit Radio Station CFJC, a trip that proved most educational and interesting then they all went on to the Kamloops Bottling Works. After lunch the students assembled at the Kamloops Sentinel offices. The school paper staff stayed at the Sentinel offices to publish their paper "The Zenith". The rest of the students visited the Fire Hall, the Court House, the Museum, the Cold Storage Plant, and thus the afternoon was filled. After supper some students attended the K.A.A. Gym Revue and others went to the show. All met at 9:30 p.m. for the ride home after a memorable day.

DISPLAY TO CLOSE PRO REC SEASON

The Chase Pro Rec will present a Pro Rec display on April 18 to close a very successful season. There will be two showings, one at 7 and one at 9 p.m. Only ticket-holders may be admitted, and tickets may be obtained from Oscar Lynn, The Steak House, Gordon's Store, Colegrave & Conchie, The Underwood Hotel or from Jenny Larson. There will also be some entertainers from Kelowna attending, who will show everyone what Pro Rec students will learn next year.

The Chase unit has done very well for their first year. There are juniors, intermediates, and nine seniors. The instructors were Miss Jean Porterfield and Mr. Albert Bianco of Salmon Arm.

Don't forget, kids, that the Easter holidays start on Thursday, April 18, and end on Sunday, April 28. So take advantage of them, more holidays will not come until June.

Chase School Bank Accounts Grow

The number of accounts and the amounts of deposits have increased steadily since the Chase School Bank was organized last January The bank is operated by Grade 9 students, with Jack Herman as bank manager, Jean Linville and Evelyn Crocker as accountants, Ben Granberg, Sibyl Linville, Irene Silander and Tom Christy as tellers.

At present all seven of the school activities have accounts. There are also private savings accounts. Deposits to date are $114.30.

The bank has proved of great value in teaching the Grade 9 pupils how to operate a bank, and in teaching the rest of the students how to deposit money in a bank.

STUDENTS PLAN EASTER DANCE

The Students' Council gives forth with the news that they are sponsoring an Easter Monday Dance on April 22.

The posters have been made by Grade 8. The Grade 8 pupils are also planning to decorate the hall with Easter motifs. Refreshments will be made and served by the High School girls with the aid of Fred Morrison, who will make the coffee. Arrangements have been made for the music of the trio "Firmin, Mel, and George".

The proceeds from the dance will be used for awards offered to the pupils for their work during the term, and also for sports equipment and school activities.

SCHOOL STORE DECLARES 40% SHARE DIVIDEND

Ivan Waddell, manager of the Chase School Co-op Store, declared a 40 per cent dividend on each ten-cent share on April 8.

The store was organized by the Grade 10 students by selling shares to the students of the school. Since its organization in September 1945 a large amount of school supplies has been sold.

A showcase to hold the school supplies was made by the Grade 9 boys. The girls of Grade 10 are the clerks of the store. Each week deposit slips are made and money is deposited in the school bank. Books are kept by the manager and each month are inspected by the school's auditors' board.

In the future the C.S.C.S plans to buy large quantities of school supplies and sell them at a discount to the students on the re-opening of the school term.

HOBBY CLUB FORMED

The hobby club has been divided into three groups: Photography, Stamp - Collecting, and Practical Arts. Since there are so many in a group we have been trying to find teachers that are good at such work as stamp-collecting, coin collecting, carving (wood and leather) fancy work, photography.

We have succeeded in finding two people who have volunteered to give us some help. They are Mrs. Farris for embroidery, and Mr. Montgomery for photography.

If anyone in the Chase district has done any of the things mentioned above, their advice would be greatly appreciated.

"She walked across the room and the radiator her."

Girls Fail 24-16 To Repel Boys' Softball Challenge

The Division 2 boys, led by Johnny Andersen, captain, beat the High School girls in the season's first softball game, Tuesday, April 9.

Despite the fact that the girls led with a score of 9-2 in the first inning they failed to show their superiority at the end of the game. The final score was 24-16. The return game is scheduled for this week.

DIVISION II PLANS EASTER PARTY

Division 2 is having an Easter Party with a little entertainment which consists of five plays and a few songs and other items.

A small amount is being charged, and the proceeds will go to Division 2 welfare. There will be no tickets sold at the door. So remember Division 2 Easter Party April 17, 1946, at 7:30 p.m. in the Chase Community Hall.

Students Form Photography Club

There are now 20 members in the Photography club. An amount of $10.50 has been raised. It was decided to use this for the four different class groups.

With the aid Mr. Montgomery has given the Photography club, they will soon be ready to start developing their own pictures in the Chase Superior School.

HOUSE "B" LEADS IN ACTIVITIES

During the winter months arrangements were made for the pupils to take P.T. in the hall. We had P.T. every Tuesday afternoon. The girls from 1 till 2 and the boys from 2 to 3. The pupils were divided in three different houses, "A", "B" and "C".

There were points given for attendance, punctuality, exercises, games, and citizenship.

Team "B" was ahead with 444 points; "C" second with 416 points, and "A" third with 406 points.

WEATHER FORECASTED

An activity arising out of Grade 10 science course has been the forecasting of the weather in Chase.

The students have constructed a mercury barometer and a hygrometer.

They used the following four points to forecast the weather: the atmospheric pressure, relative humidity, temperature, velocity, and the wind direction.

So far they have had 80 per cent of the reports correct.

EDITORIAL

THIS month the editorial staff has had the privilege of being able to print the Zenith in the Kamloops Sentinel. We are deeply grateful for having this opportunity and would like to thank everyone who made any contribution to help in the publication of the Zenith.

Perhaps you would like to know how the Zenith has progressed. During the months of October-February inclusive we have had a circulation of 695. We have taken in $46.19. Total expenses for the paper and incidentals have been $22.14. We have now a total profit of $24.05.

Our paper has been very successful due to the fine response the advertisers and the community have given us in advertising and in buying the paper.

JENNY LARSON,
Editor.

BADMINTON CLUB

The Badminton Club has come to an end for the season. The majority of the members seemed to have enjoyed themselves and have become good players considering that they were beginners at the start of the season. There were 24 members in all. Each one had to pay an entry fee of 50 cents and a nickel a night. Badminton was played every Monday night from 7:30 to 11. The girls of the club put on a tea on January 12 and made $8.62 which helped very much toward our expenses. We, the members, would like to thank the community for their kindness in giving us the clubroom free of expense. We, the executive, hope that the members will carry on the club during the next school term.

AUDITOR'S REPORT

The monthly report from the Auditors committee has been received by the Students' Council. It contained financial statements for the month of March for the school paper, the Badminton club, the School store, the Lost and Found organization, the Library, the Junior Red Cross and the Students Council. All statements were found to be correct.

The assets of the different organizations ranged everywhere from one cent in the Lost and Found to $28.74 in the Students Council. (The Students Council at present has over $43. The Auditors committee is made up of Ivan Waddell and Tommy Sakaki.

Grade 8 Puppet Show

As an art and practical art project the Grade 8 students have constructed a puppet show. The boys made the stage complete with lighting and miniature curtain. The girls painted scenes on cardboard for the back of the stage and they have also dressed the dolls for the first show.

The show to be presented is "Canada's Visitors," and it will depict the different nationalities who make up Canada's population. The first showing will be at Division 2's party on April 17.

SOME HAND EH?

Last night I held a little hand
So dainty and so sweet
I surely thought my heart would break
So wildly did it beat.
No other hand in all the world
Could greater solace bring
Than that sweet hand I held last night
Four Aces and a King.

CHASE STUDENTS TAKE PART IN GUILD PLAYS

A number of pupils of Chase school are taking part in the plays to be produced in Chase April 25 and 26 by the Chase Amateur Drama Guild. Some of the pupils are taking parts in the play and others are helping with the numerous other jobs so necessary for a good production.

Pat Goodridge is playing the part of Anna Maria, the maid in the play "Ici On Parle Francais". Rose Roos akes the part of Suzanne Dale in "Mrs Harper's Bazaar". There are school-members appearing in the play "Quiet Home Wedding"; Shirley Riddell plays the part of Connie, the bride; Marge Christy is the reporter, Miss McSnoop; Ron McNary plays the part of Bill Gadwood; and Rae Robillard is Jody Dodd. Others helping with the production are Margaret Danks, who is assisting as a prompter, and Bob Quibell and Charlie Anderson, who are making certain properties for the plays.

STUDENTS COUNCIL

So far the Students Council has had a very successful year. Every Saturday night they have sponsored dances of which 40 per cent of the total goes to the building fund. Once a month the Students Council takes 40 per cent.

The Students Council has elected an Auditors Board which checks the books of the different school activities, at the end of every month. They have also bought lumber with which Grade 7 are making a museum.

At the end of the school year the Students Council expects to sponsor a Graduation banquet and dance. In the near future it is expected that the Students Council will buy some sports equipment.

THE ENQUIRING REPORTER

Question: "What are you going to do in the Easter holidays?"

Dot Wittner — "You'd be surprised." (That's what she thinks.)

Don Wittner—"Wait until they get here first."

Ben Granberg—"What I'm doing now." (As he lazily absorbed up all the sun leaning against the school building.)

Shirley Riddell—"Nothing." (She's going to be busy.)

Irene Silander—"I'm going bike-riding."

Noreen Anderson—"I'm not."

Rose Roos—"Go farming."

Irene Loen — "I'm going to Savona."

Frances Monteith — "Anything crazy."

Margaret Riddell—"Run around." (Who with, I wonder?)

Bill Goodridge—Wolf around, I guess, and forget school. (That won't be very hard to do.)

Jack Herman—Anything but school work. (He can afford that.)

Pat Brooke—"Loaf."

Pat Goodridge—"That's a good question."

Jim McNary—"I don't know."

Jean Linville—"Work, I suppose."

Aileen Fraser—"Kamloops, here I come."

Della-Rae West—"I can't go anywhere 'cause Gramma sold her farm."

Louise Crocker—"Stay at Chase." (I wonder what Chase has?)

Bill McNary—"I'm going to the ranch and herd pigs."

Students Organize Forum Club

On November 2 the High School Students organized a Forum club. It was decided to elect a new president and secretary every month. The meetings of the Forum club are held every Friday. The program is made up of discussions, talks, speeches and debates. So far all the students have presented papers in different subjects. It is planned now to have two minute-speeches of the student's choosing. The purpose of the club has been to give the students practice in parliamentary procedure and public speaking. Before the term is finished we expect to have numerous orators in the class.
