June 7, 1986

Dear Mary and Anne:

First of all, I must explain who I am. My Mother, Annie MacDonald, was born in Knockaline, N. Uist, and my father was Ewen MacLellan. I was born in Trumisgarry, N. Uist.

I have been a missionary to W. Africa and a pastor in Canada for many years. My wife comes from Saskatoon. I retired from the ministry in 1977. I have a daughter, married to a pastor in Calif. and my son, Jim, was in the Army for 11 years, and now lives 4½ miles from us. Actually, we retired in Ontario, but came out here nearly 2 years ago, to be near our son.

I do not have a charge now, but do quite a bit of preaching when other pastors are on holiday or off due to illness.

My brother Calum, in Glasgow, sent me your addresses.

I understand that Clan Donald is not too far from us. We live in a little village, Irma, 20 miles west of Wainwright.

My mother was an aunt of Chrissie MacMillans. Calum keeps in touch with her. I believe you were visiting in UK in 1985.

We would like very much to meet with you. If you come in the vicinity of Wainwright, we would be happy to have you call on us. Our phone number is 403-754-3923.

We trust you are both keeping well, and hope to meet you soon.

God bless you richly.

Very sincerely,

Your Cousin'
Archie MacLellan.

TEACHER REINSTATED

To the many outsiders who have shown concern and interest, the following will explain why the parents and ratepayers have been up in arms here for the past two months.

The notice of termination of the contract of Mr. H. S. Hibbert (Clandonald school teacher) was recently rescinded by the County School Committee.

Mr. Hibberts' contract had previously been terminated, with termination to take effect on February 6, 1974.

The recommendation for termination of Mr. Hibberts' contract was made by Mr. A. Cleveland, Superintendent of schools, for the following reasons.

1. Failure to maintain satisfactory standards of pupil discipline.
2. Failure to provide for Health Education and Social Studies classes.

Failure to implement the suggestions regarding the planning of learning activities given by the Superintendent of Schools, as outlined in his letter dated October 23, 1973.

Mr. Hibbert is a native of Jamaica in the West Indies, and has taught at Clandonald for over three years. He has B.A. and M.A. Education degrees from the University of Puerto Rico, and is doing graduate work at the University of Saskatchewan.

As a condition, for remaining on the staff of the Clandonald School for the remainder of the school year, Mr. Hibbert has tendered his resignation effective as of June 30, 1974.

April 30th 1958.

Dear Mrs. Lawrence,

I am sorry that you lost a brother during the war, and I shall be happy to take a picture of his grave for you. I expect we shall go sometime in June. As it's 60 miles from here we like to go when the weather is really nice and make a nice day's outing of it.

We visit the cemetery twice a year, and we always put flowers on the graves we have photographed, so we shall put some flowers on your brother's grave for you.

It's a lovely cemetery, the Canadian section is 1½ miles in from the road so you can't hear any traffic. It's surrounded by trees, and the only sounds you can

Lead is the birds singing. In the Canadian section maple trees are planted, whereas in the Australian section Australian gum trees are planted.

The Canadian Veteran's Association in this country hold a memorial ceremony in Brookwood on the last Sunday in June each year. Mr. Diefenbaker was here last year.

I know Worthing. I suppose he was killed in an air raid. That's how a lot of them at Brookwood seem to have died.

Sincerely,
Eileen Pettitt.

8th July 1958.

Dear Mrs. Lawrence,

My Husband and I visited Brookwood cemetery on June 16th. and I enclose a photo of your ~~so~~ brother's grave. You can see the bunch of carnations which we put on his grave. There is a border in front of the graves in which are planted rose bushes and heather.

I don't think I told you that the headstones will never deteriorate. Every so often they are scrubbed, and if the writing on them starts to fade, they carve it out again. The 1914-18 headstones are as white and new looking as the 1939-45.

We shall be going again in August, and we will put some more flowers on his

grave. I will also take a picture of the part of the cemetery where your brother is, so that you can see it for yourself.

Yours sincerely,
Eileen Pettitt.
