The Empress Hotel

VICTORIA, BRITISH COLUMBIA

Overlooking the inner harbour, set in 10 acres of beautiful gardens, facing the lawns of the Provincial Parliament, the ivy-clad Empress Hotel is the heart of Victoria, British Columbia.

At the southern-most tip of Vancouver Island, Victoria is famous for its temperate climate, its leisured English atmosphere and the 534-room hotel that is host to year-round holiday-makers.

In this land of all-year golf, tennis, riding, fishing and sailing the Empress offers charm, hospitality and Canadian Pacific service to its guests. Annual events include the Empress golf tournament in the Spring, a four-day Garden Party, and Christmas-New Year festivities that capture the ancient spirit of Yule.

At every season masses of bloom surround a plashing fountain in the Conservatory and warmed sea-water fills the nearby, glass-roofed, heated Crystal Pool for year-round swimmers.
