FILE OR CLAIM -38390 -

Victoria Wharf, BC. May 9th 1936. HSH.

A. W. Tennant, Esq.,
Travelling Auditor,
Vancouver, B.C.

Dear Sir:-

Yours of May 8th. I had delayed advising you that we got a cheque from American Mail Line on the 7th., as we have been balancing the cheque and making up L.C sheets to cover.

I am attaching statement of figures appearing on the back of the cheque. You will note they have made a contra settlement.

The posting detail appear on L.C.sheets #36 & #37 of date and the payouts on sheets 1 & 2 supporting summary.

I would call your attention to W/B 853 sheet 1, paid out $5.50, but only $5.00 advanced out. Agent, Toronto, has been requested to collect the O/S difference of .50¢.

For Mr. Innes's information, we carried as due American Mail advances forwarded of $56.78, $24.89 $9.28, $5.40, and $5.40 on W/B C-4-5-6, 465-6 of Jan.22nd., These are evidently C.P.SS manifest charges, presume he has picked up.

I think from above and L.C. sheets, you will have no trouble balancing.

I would also call attention to the fact that the American Mail Line, in this contra settlement, have included charges due them for Jackson 53-E and McKinlay 53-E but have not yet paid us ours.

Victoria Wharf, B. C.
April 6th. 1936.

Mr. A. W. Tennant,
Travelling Auditor,
Vancouver, B. C.

Dear Sir :-

Yours of the 4th., am returning ledger account attached by you in error instead of ledger account covering "Grant" January 22nd/36, and also attach a ledger account of the "Grant", showing just how the $1364.20 should be applied.

I would call attention to waybill 462, $461.36 which was passed and paid for at this figure by American Mail Line and as Mr. Innes sent P.P.O for $183.32 on this waybill which so far I have not paid out, he should have this amount at special debit. I notified American Mail Line of the refund being due and stated same would be paid when we are square. To ask them to credit against their balances I think would probably delay other settlements.

I did not have time to check, to give you same day at Seattle, especially as April 1st. was a heavy day with payrolls etc.

In addition to consolidating charges on ledger account, we furnish American Mail Line separate statements, covering (1) Lighterage prepaid. (2) Prepaid beyonds. (3) Wharfages. (4) cargo rates and under new ruling will no doubt be making one for handling, and show bill of lading and waybill numbers against each item.

Yours faithfully,

H. G. Howard

Agent.
