

G R E E T I N G S .

On behalf of the City of Vancouver it gives me great pleasure to extend greetings to the Chinese community at the commencement of our Golden Jubilee celebrations.

We are very proud of the work the Chinese have done towards the establishment of a Chinese village for the Jubilee and wish them every success in their endeavour.

Our festival of celebration is dedicated to the youth of today and to world peace. We celebrate because we are proud of our record and because we have faith and confidence in our future.

We welcome Chinese visitors to our Jubilee and trust all may enjoy the festivities provided for their enjoyment.
