COLOR FILMS
SOUND

THE CANADIAN C-287
Two reels of vibrant colour of Canada's only all-stainless steel streamliner on a trip across Canada. Magnificent views obtainable only from the high level scenic dome reveal new beauties of Quebec, Ontario, the Prairies, Canadian Rockies and the Pacific Coast. Specially composed musical score, interesting commentary, beautifully lighted interiors and top notch photography and direction combine to make this travel feature a natural for a well-rounded programme. *(T.V.)*

20 minutes

CANADIAN PATTERN C-286
Weaves the scenic beauty, industrial and urban development of Canada into a design for holiday living. *(T.V.)*

32 minutes

BANFF AND LAKE LOUISE C-276
Happy holiday in the Canadian Rockies. Banff National Park and its two famous resorts come to life — with sports, luxurious living, scenery, wild animals — as the stars of this attractive melange of outdoor and indoor living at Banff Springs Hotel and Chateau Lake Louise. *(T.V.)*

14 minutes

BANFF'S GOLF CHALLENGE C-288
Featuring the Banff Springs Hotel Golf Course and its unsurpassed scenic setting. *(T.V.)*

21 minutes

JACK PINE JOURNEY C-289
A vivid picture of a canoe cruise through the spectacular lake and river country of northern Ontario. *(T.V.)*

20 minutes

COLOR FILMS
SOUND

SNOWTIME HOLIDAY C-285
In the Snowhills of Quebec, winter is a gay season of sunshine and sport. Skiing — Skating — Hockey — Tobogganing and Sleighing. *(T.V.)*

19 minutes

HIGH POWDER C-284
Within a fifty-mile radius of Banff in the Canadian Rockies is a scenic ski terrain unsurpassed for skyline touring, open downhill runs and powder snow. *(T.V.)*

22 minutes

KLONDIKE HOLIDAY C-283
No lust for gold now lures people North to Alaska and the Yukon, but the urge to holiday in a land of storied deeds and great beauty. *(T.V.)*

22 minutes

CANADA'S TACKLE BUSTERS C-282
A fast moving fishing story in brilliant colour. Exciting action and a good conservation film. *(T.V.)*

21 minutes

CANADA'S EAST COAST PLAYGROUND C-281
Down on Canada's east coast are the seaside playgrounds of Nova Scotia and New Brunswick. *(T.V.)*

20 minutes

COLOR FILMS
SOUND

ALASKA AND THE YUKON C-277
A "Princess" steamer summer cruise from Vancouver by the "inside passage" via Alert Bay, Prince Rupert, Taku Glacier and Juneau to Skagway and Dawson City. *(T.V.)*

11 minutes

RIDING HIGH C-278
With the Trail Riders of the Canadian Rockies. This popular holiday activity introduces the more remote scenery of the shining mountains, sure-footed mountain ponies and picturesque, friendly "wranglers". *(T.V.)*

18 minutes

TRANSATLANTIC EMPRESS C-279
The colourful, authentic story of a modern two-way voyage filmed in Montreal, across the Atlantic in Canadian Pacific "Empresses" and in London. Life at sea in a passenger liner has never been so fully presented *(T.V.)*

27 minutes

CARIBBEAN CRUISE C-280
Exotic scenes, colourful native costumes, the sun-bathed architecture of romantic cities of the Spanish Main combine with authentic "Empress of England" shipboard fun to create the true cruise atmosphere. *(T.V.)*

22 minutes

NOTE
Running time is shown in description of each film.

Sound films must **not** be run on silent projectors.

Canadian Content Numbers shown against each title.

CANADIAN PACIFIC

Motion Picture Film Service

All the films listed in this catalogue are available to your organization without rental charge, but the borrower is expected to pay shipping charges. To borrow films, apply to your nearest Canadian Pacific office stating the date you wish to show films and naming the titles you wish to include in your programme. In case these titles are not available on the date planned, name alternative subjects that will be of interest.

Films will be shipped to you in ample time for your programme and their return will be appreciated not later than the day following your programme together with a report on the number present at the showing or showings of the pictures.

Most Canadian Pacific offices have sound projectors on hand and can arrange special programmes for clubs and other organizations if advised well in advance.
