CHATEAU FRONTENAC IN FRIENDLY OLD QUEBEC

The majestic Chateau Frontenac, one of the show places of the world, dominates the sky line of Quebec, the only walled city in North America. This magnificent Canadian Pacific hostelry was the scene of two Churchill-Roosevelt meetings to determine world strategy.

Commanding a delightful vista of the St. Lawrence River, the Chateau Frontenac stands on the site of the ancient Chateau St. Louis, residence of the early governors of New France. This famous hostelry, built in the style of a sixteenth century French chateau, is the centre of the social and recreational life of Quebec.

Plan a holiday in Old Quebec. Enjoy dining, dancing and gracious living at the Chateau, at moderate cost. Explore the quaint, historic city, shop for handicrafts and homespuns, ride in a calèche, golf on the Royal Quebec course at Boischatel, fish in the Laurentide Park, visit Ile d'Orléans, Montmorency Falls and the world-famous shrine of Ste. Anne de Beaupré.

The attractions of the Chateau Frontenac for summer vacations are only equalled by its winter sports. Ski in the nearby protected Lac Beauport Snow Bowl or enjoy cross-country skiing at Valcartier, within bus reach. The Chateau's Ski-Hawk School offers expert instruction in the popular Parallel Technique. Then there's curling . . . available to guests of the Chateau. Snow-shoeing, ski-joring and skating.

For further information, reservations, etc., communicate with hotel manager or your nearest Canadian Pacific representative. The Sleeping Car Conductor will be pleased to wire ahead, without charge, to any of the Company's hotels for your hotel reservations.
