Newcastle has all required facilities to ensure the success of the smallest party or the largest picnic—field kitchens with brick stoves, spacious sinks with liberal hot water supply, picnic tables for everyone, placed to command a beautiful view of the Gulf.

Add to all this the spacious Pavilion, with its huge Dance Floor, Lunch Room, Soda Fountain and attractive Verandah Restaurant, where two hundred and fifty people may be served at one time, an outdoor checkerboard, concrete shuffle-boards, a Japanese Tea Garden under big umbrellas on the lawn and you have some conception of the wonderful outing ahead of you.

By all means, see Newcastle Island this year.

# Come to NEWCASTLE ISLAND

IN a brief few years Newcastle Island has become British Columbia's favourite outing spot. Hemmed in by wooded Islets, ringed by the mountains of Vancouver Island, Newcastle Island lies in a scene of matchless beauty; sheltered, yet sunny, its waters are sun-warmed and invigorating.

By speedy, comfortable "Princess" ships of Canadian Pacific B. C. Coast Service, this island beauty spot lies but a scant two hours from Vancouver and is easily accessible from Vancouver Island through Nanaimo, a quarter of a mile distant.

The rallying ground of picnickers from Vancouver Island and the mainland, they meet at Newcastle on common ground, to fish, swim, hike, play ball, chat and loaf.

Cares of the business world evaporate in Newcastle's sprightly sunshine, and headaches engendered by weeks of the office grind are blown helter-skelter by the salty breezes wafted inshore from the Gulf of Georgia.

A BETTER outing could not be devised for the children than a day at Newcastle Island. For the Junior members of the family no place offers quite so much fun and enjoyment—and parents can be assured of complete safety for their charges at all times.
