My Dear Sir:

Application has been made to me, to-day, to take Bail for Lee Took Bon charged before you with aiding and abetting the Entry into the United States of a Chinese person.

Quong Ching was produced as surety, but I do not Consider him as sufficient. I however took his recog. and delivered it to the Dep. Marshal who will return it to you, with a view to its being supplemented by another Bond satisfactory to you. In the mean time the prisoner has been taken to the Penitentiary.

Respy Yours

C. D. Emery
