RAILWAY TICKET OFFICE

A Railway Ticket Office is located on board this steamer. The Rail Traffic Representative in charge is at the disposal of passengers to furnish every assistance in connection with inland rail journey.

To facilitate landing arrangements at port of arrival it would be appreciated if passengers would kindly note the following information and call at the Ticket Office AS EARLY AS POSSIBLE during the voyage.

1. Orders issued in Europe and calling for railway transportation from port of landing or otherwise are not good on trains, but require to be exchanged at ship's Ticket Office for actual railway tickets.
2. If passenger already holds railway ticket issued in Europe, attention is particularly directed to the necessity of having same stamped on back, in space provided, prior to arrival at port of landing, as train conductors are not authorised to honour any unstamped tickets.
3. Railway Tickets to all destinations in Canada and United States may be purchased at the Ticket Office.
4. Reservation of sleeping or parlour car accommodation for railway journey should be made in advance by EARLY application to the ticket agent.

CUSTOMS NOTICE TO PASSENGERS

CANADA

Residents of Canada are required to declare to the Customs Officer at port of landing in Canada all articles purchased or obtained abroad whether as gifts or otherwise. Failure to declare goods leaves same liable to seizure.

All goods, whether liable to duty or not, are required to be presented for Customs examination, and passengers are warned when in doubt as to whether or not an article is liable to duty, it should be produced for examination by the Customs Officer.

Tourists' Outfits—Temporary Admission—Persons visiting Canada for a limited period of time, for health or pleasure, may bring with them such articles of tourist's outfits or sportsmen's equipment, as they may require while in Canada for their own use and not for gain or hire, upon reporting same to the Customs Officer at the Canadian frontier port of entry, subject to departmental regulations.

The Customs Officer may require all packages of baggage to be opened for his examination ; and responsibility for opening, unpacking and repacking the packages rests with the passenger or his agent.

Bribery—Any person giving, offering or promising any bribe, recompense, reward or tip to an Officer is liable to severe penalties.

Through Baggage—Passengers **en route** to destinations outside of Canada may have their checked baggage forwarded "In Bond" to a frontier port under Customs Manifest without examination of same by a Customs Officer.

Samples (such as carried by commercial travellers) are required to be delivered to the Customs Officer for entry purpose, and invoice or statement in detail showing the price—wholesale—of each sample as sold for home consumption. Such invoice or statement should be attested to by the traveller.

Settlers' Effects—Free, if actually in use for six months before removal to Canada, but are required to be produced upon landing to Customs Officer for examination and entry.

UNITED STATES

United States Customs Inspectors are located at Canadian Atlantic Ports ; but they are not permitted to collect duties ; therefore, in order to avoid complications and payment of duties to the Canadian Customs, citizens of the United States returning from Europe should pack all new goods purchased or otherwise acquired abroad in one or more receptacles which may be checked to destination and forwarded in bond.

All checked baggage not containing dutiable articles, or new goods in excess of the exemption to which the owners may be entitled, will be examined and passed by the United States Customs Inspectors, and will not be subject to re-examination at the United States frontier or at destination.

Baggage checked to destinations in the United States is not examined by the Canadian Customs.

Baggage carried by passengers by hand, which should not contain dutiable articles, will be examined by the Canadian Customs at the landing port, and by the United States Customs Inspectors on the train at the United States border.

Passengers destined to the United States will be issued by the Purser on the voyage a form of United States Customs Baggage Declaration, which must be completed in duplicate and presented to the United States Customs Inspector at the time of Customs examination. All values must be shown in United States currency.

Returning residents of the United States **must declare all articles acquired abroad,** in their baggage or on their persons, whether by purchase, by gift or otherwise, and **whether dutiable or free of duty.** Exemption, however, will be allowed by Customs Officers of articles aggregating not over $100 in value, if suitable for personal or household use or as souvenirs or curios, and whether intended for the personal use of the passengers or as gifts or presents to others, provided the articles are not bought on commission for another person nor intended for sale. **Articles so exempt from duty must, nevertheless, be declared.** Each member of the family is entitled to the exemption of $100 for articles purchased abroad, and when a husband and wife and minor and dependent children are travelling togther the articles included within such exemption may be grouped and allowance made without regard to which member they belong.

Non-residents of the United States destined to that country must declare all articles in their baggage or on their persons which do not constitute wearing apparel, articles of personal adornment, toilet articles or similar personal effects, **whether intended for their personal use or for others.**

They must also declare all articles of wearing apparel, jewellery and other articles of personal adornment, toilet articles and similar effects **when not owned by them,** or when intended **for other persons or for sale.**

Professional books, implements, instruments and tools of trade, occupation or employment, in the actual possession of persons emigrating to the United States, owned and used by them abroad, are admitted free of duty.

TERMS AND CONDITIONS.

1. The word "Company" shall include any connecting express company subject to the Railway Act.

2. This agreement shall extend to and be binding upon the shipper and all persons in privity with him, claiming or asserting any right to the ownership or possession of the shipment, and shall inure to the benefit of any person or company to whom the shipment may be delivered for the performance of any act or duty in respect thereof, or in whose custody or charge the same may lawfully be, or on whose vehicles or vessels the same is being carried under this agreement, and shall apply to any reconsignment or return thereof.

3. The liability of the Company upon any shipment is limited to the value declared by the shipper and embodied herein, or, if less, to the actual value of the shipment at the time of the receipt thereof by the Company, including the express and other charges, if paid, and the duty, if payable or paid and not refunded. If the shipper does not declare the value of the shipment, liability is limited to fifty dollars, or, if less, to the actual value of the shipment. If the shipper desires the Company to assume liability in excess of fifty dollars, an additional charge will be made as provided by the classification.

4. Money, specie, completely signed and executed bonds, coupons, bank notes, and negotiable paper, or incompletely executed legal tender and bank notes, jewellery and precious stones shall not be packed, or included, with shipments of ordinary freight; and if so packed the Company shall not be liable for loss of, or damage to, such goods.

5. The Company shall not be liable:—

(a) For differences in weight or quantity caused by shrinkage, leakage, or evaporation, or

(b) For loss or damage occurring after forty-eight hours (exclusive of legal holidays) after notice of the arrival of the shipment at destination, or at point of delivery has been mailed to the address of the consignee.

Unless, in either case, such loss or damage is caused by the negligence of the Company;

(c) For any loss, damage or delay caused by the act of God, the King's or public enemies, the authority of the law, quarantine, riots, strikes, perils of navigation, defect or inherent vice, or the act or default of the shipper or owner;

(d) For any loss or damage caused by delay or by injury or destruction of the shipment, or any part thereof, from conditions beyond the control of the Company, unless such loss or damage is caused by the negligence of the railway company upon whose trains or property the shipment was at the time such loss or damage occurred.

(e) For any loss or damage occurring in Customs Warehouse;

(f) For any loss, damage or delay resulting from improper or insufficient packing, securing or addressing, or from chafing when packed in bales;

(g) For any loss or damage, if the provisions of Clause 4 be violated in whole or in part;

(h) For any damage to or loss of any fragile article, or to shipments consisting wholly or in part of or contained in glass, unless so described upon the package containing the same, unless such damage or loss is due to the negligence of the Company, its agents or employes;

(i) For loss or damage from delays beyond its control, or caused by the refusal of any railway, steamboat, stage, or other transportation line to receive or forward the said property owing to any unusual or unforeseen movement of or interference with traffic;

(j) For loss or damage in any way arising out of the examination by or partial delivery to the Consignee of C.O.D. shipments;

(k) For any loss or damage to shipments of live objects arising from the conduct or acts of such objects to themselves or to each other or arising from the condition of such objects when received for shipment, or from their nature or propensities, or for delay, injury to or loss of such object, unless such delay, injury or loss is caused by the negligence of the Company;

(l) For any damage, partial loss, or shortage, unless written notice thereof is given at any office of the Company within thirty days from delivery.

(m) For any loss or damage occurring to shipments addressed to stations where there is no agent of the Company after such shipments have been left at such station.

(n) For non-delivery or loss or destruction of the shipment in Canada, unless written notice thereof is given at any office of the Company within four months from the time delivery should, in the ordinary course of transit, have been made

6. Duty and Custom House expenses are guaranteed by the shipper.

7. (a) At points where the Company has delivery service, tender of the shipment for delivery to the consignee will be made at the address given, if within such delivery limits.

(b) Where there is no delivery service, the Company will forthwith notify the consignee, at the address given, of the arrival of the shipment.

(c) The Company's liability to deliver to addresses outside delivery limits shall be governed by the Classification or Special Tariffs.

(d) If no express company subject to the Railway Act has an office at the place to which the shipment is addressed, then, unless otherwise routed, the Company only agrees to carry the same to its office, or that of some other express company subject to the said Act, most convenient for furtherance to destination, and upon arrival there, the Company may so notify the consignee, or, upon direction of the shipper or consignee, will, or upon its own discretion may, deliver the shipment to any connecting carrier for furtherance to destination.

(e) If the shipment is delivered to an express company or carrier not subject to the Railway Act, the Company shall act as the agent of the shipper in effecting such delivery, and contracting for further transportation, and the liability of the Company shall thereupon cease.

8. If any sum of money, other than the charges for transportation, is to be collected from the consignee upon the delivery of the shipment, and the same is not paid within thirty days, the Company may return the same and collect the charges for transportation both ways, and the liability of the Company shall be that of warehousemen only while the shipment remains in its possession for the purpose of making such collection.

(a) This agreement is issued subject to the classification authorized by the Board of Railway Commissioners for Canada, and all the clauses of said classification, not inconsistent with this agreement, are incorporated herewith.

(b) The Post Office Act gives the Postmaster General the exclusive right of conveyance of letters within Canada. This includes circulars, etc., enclosed in envelopes, sealed or ready to be sealed at the point of destination.

(c) Heavy penalties are imposed for violation of the Act.

(d) The Company does not accept for transportation packages containing such letters or circulars.

CLAUSES ET CONDITIONS:

1. Le mot "Compagnie" s'applique à toute Compagnie d'Express corespondante, assujettie à la Loi des Chemins de Fer.

2. Ce contrat sera censé engager et lier l'expéditeur de même que toute personne qui fait affaire avec celui-ci réclame ou revendique un droit de propriété ou de possession des effets expédiés, et pourra être invoqué par toute personne ou par toute compagnie, à laquelle les effets peuvent être délivrés, dans l'accomplissement de toute démarche ou de tout droit se rapportant à ces effets, ou bien aux soins ou à la garde desquelles ils ont pu être légalement confiés, ou encore aux voituriers qui en ont entrepris le transport aux termes de ce contrat, et s'applique à toute réexpédition ou tout retour des marchandises.

3. La responsabilité de la Compagnie, à l'égard de toute marchandise expédiée, est limitée à la valeur déclarée par l'expéditeur et spécifiée aux présentes, ou, si elle est moindre, à la valeur réelle des marchandises au moment où la Compagnie en a pris livraison, y compris les frais d'express et autres, si tels frais ont été payés, et les frais de douane, si payables, ou payés, et non remboursés. Si l'expéditeur ne déclare pas la valeur de la marchandise expédiée, la responsabilité est limitée à cinquante dollars, ou à la valeur réelle de la marchandise, si elle est moindre. Si l'expéditeur désire que la Compagnie soit tenue responsable pour plus de cinquante dollars, il sera perçu un taux supplémentaire suivant qu'il est prévu par la Classification.

4. Les valeurs monnayées ou en papier, les obligations signées et scellées, les coupons, les billets de banque et effets négociables, les billets ayant cours légal et les billets de banque non complétés, les bijoux et les pierres précieuses ne doivent pas être empaquetés ou inclus dans des colis expédiés dans les trains de marchandises ordinaires; la Compagnie n'est pas responsable de la perte ou de l'avarie des effets ainsi empaquetés.

5. La Compagnie ne sera pas tenue responsable:—

(a) Des différences de poids ou de la qualité résultant de la pression du chargement de l'écoulement des liquides, ou de leur évaporation, ou

(b) Des pertes ou avaries arrivées quarante huit heures (les jours fériés non compris) après que le destinataire aura été notifié par la poste de l'arrivée des marchandises à destination, ou au lieu de livraison.

A moins que dans l'un ou l'autre de ces cas, telle perte ou avarie, ne soit causée par la négligence de la Compagnie.

(c) Des pertes, avaries ou retards causés par force majeure, par les ennemis du Roi ou de la paix publique, par autorité de justice, par les quarantaines, émeutes, grèves, les périls de la navigation, par les défauts ou vices inhérents à la marchandise, ou par le fait ou négligence de l'expéditeur ou du propriétaire.

(d) Des dommages et pertes provenant de délais, d'avaries, de perte ou de destruction (totale ou partielle) des effets expédiés, dûs à causes qui sont hors du contrôle de la Compagnie, à moins que ces dommages et pertes ne soient causés par la négligence de la Compagnie de chemin de fer sur les trains ou sur la propriété de laquelle se trouvaient les effets expédiés lorsque les dommages et les pertes ont été occasionnés.

(e) Des pertes ou avaries arrivées dans les entrepôts de la douane.

(f) Des pertes, avaries ou retards résultant de l'emballage mal fait ou insuffisant, du défaut d'adresse distincte ou de la friction quand il s'agit de marchandises en ballots.

(g) Des pertes ou avaries en cas de contravention totale ou partielle à la clause 4 du présent contrat.

(h) De la perte d'un article fragile ou de l'avarie de tel article, ou des marchandises consistant en tout ou en partie en verrerie, à moins que la nature de ces marchandises ne soit spécifiée sur le colis qui les contenait, pourvu que cette perte ou avarie ne soit pas due à la négligence de la compagnie, de ses agents ou de ses employés.

(i) Des pertes ou avaries à la suite de retards résultant d'évènements incontrôlables, ou causées par le refus de la part d'une compagnie de chemin de fer ou de navigation, ou d'un voiturier quelconque, de recevoir ou d'expédier la dite marchandise, sous prétexte de mouvement inaccoutumé ou imprévu ou de dérangement dans le trafic.

(j) Des pertes ou avaries résultant de l'examen par le destinataire des marchandises expédiées contre remboursement, ou de la livraison partielle des marchandises au destinataire.

(k) Des pertes d'expéditions d'animaux ou des blessures occasionnées à ces animaux à la suite de leur contact ou de leurs faits et gestes réciproques, ou encore à la suite de leur condition au moment où ils sont acceptés pour l'envoi, ou de leur nature ou de leurs tendances naturelles, ou pour les retards, pertes d'animaux ou blessures infligées, à moins que ces retards, pertes ou blessures ne soient causés par la négligence de la Compagnie.

(l) Des avaries, pertes partielles, ou manquements, au sujet desquels on n'aura pas notifié le Compagnie dans les trente jours qui suivent la livraison.

(m) Des pertes ou avaries arrivées à des marchandises adressées à des stations où il n'y a pas d'agent de la Compagnie, après que telles marchandises ont été laissées à ces stations.

(n) De la non livraison, la perte ou la destruction de marchandises expédiées au Canada, à moins qu'un avis écrit ne soit donné à cet effet à l'un des bureaux de la Compagnie dans les quatre mois qui suivent l'époque où, dans le cours ordinaire du transport, la livraison aurait dû s'effectuer

6. Les droits et frais de douane sont à la charge de l'expéditeur

7. (a) Aux endroits où la Compagnie a des services de livraison, il sera fait au destinataire à l'adresse indiquée une offre de livraison de la marchandise expédiée, pourvu que ce soit dans les limites du service de livraison.

(b) La où il n'y a pas de service de livraison, la Compagnie previendra immédiatement le destinataire à l'adresse indiquée, de l'arrivée des marchandises.

(c) La responsabilité de la Compagnie en ce qui concerne la livraison en dehors des limites du service, sera régie par la Classification ou les tarifs spéciaux.
