Continue on to Hamilton, where luncheon will be served at the Bermudiana Hotel. Leave Hamilton in the afternoon for the return journey to St. Georges. Extra cost per person, including Cave and transfer, $5.00; omitting Cave and transfer, $3.75. Cave party limited to 200 persons.

HAVANA—City and Country Drive

Morning trip by motor car around the city and through the residential districts, including the Chapel of Christopher Columbus, where the first Mass was celebrated on March 9, 1828; The Cathedral; Presidential Palace; La Punta Castle; the Malecon; Maceo Park; Colon Cemetery, famous for its monuments; Tropical Garden; Columbia Camp, where the American Army had its headquarters in 1898; Marianao Village; Country Club; Casino; Yacht Club; Fifth Avenue; Shopping District; Central Park; Capitol and cigar factory. Extra cost per person, $3.50.

HAVANA—Night Life

Leave the ship about 8.30 p.m. and motor through the city and Chinatown. Next point of interest is the famous Jai Alai, the Spanish National Game, for which box seats will be provided. Thence to the Casino—the Cuban Monte Carlo. Leaving the Casino about 12.30 midnight, the party returns to the city for a visit to one of the popular cabaret night clubs. Return to the ship about 2 a.m.

All expenses, including admission fees and cover charge, are included in the rate. Party is accompanied by Canadian Pacific representative. Extra cost per person, $5.50 on the basis of five passengers to a 7-passenger car.

SHORE EXCURSIONS are optional at extra charge as shown above. Servants participating in shore excursions are required to do their sightseeing with their employer or other servants. Full fare applies for children on shore excursions.

Members are urged to avail themselves of these excursions, as they have been carefully organized with a view to seeing all that is worth seeing. Furthermore, in the case of motor trips, it should be borne in mind that each group of cars is accompanied by a Canadian Pacific representative; cars are not filled to capacity, and spare cars are supplied to avoid delays in event of breakdowns. Meals are also included in some instances. Local drivers in many places offer similar trips at reduced rates but members are warned to beware of such "bargains," as they afford none of the protection or services outlined above and the cars are usually crowded.

SHORE EXCURSION FARES may be increased at any time on account of the instability of rates of exchange. The Company will protect bookings at these fares provided a deposit is paid on each excursion prior to the date that an increase in shore excursion fares is announced.

GENERAL INFORMATION

SAILING HOUR: 8 p.m. E.S.T., December 22. Embarkation commences at 6.30 p.m.
9 p.m. E.S.T., December 28. Embarkation commences at 7.30 p.m.

CRUISE MEMBERS FROM THE MIDDLE WEST where Central Time prevails, are cautioned to advance their watches one hour to agree with Eastern Time immediately upon arrival in New York.

PIER NUMBER . . . I.M.M. Pier, North River, foot of West 21st Street, New York.

SAILING PERMIT . . . United States citizens do not require Sailing Permit.

Aliens resident in the United States must secure Sailing Permit. The U.S. Treasury Department regulations require all such Aliens to appear in person at Room 131, Custom House, Bowling Green, New York, bringing with them steamship ticket.

Canadians resident in Canada do not require Sailing Permit provided they are not deriving any income whatsoever from the United States and are merely passing through the United States for the purpose of embarkation at New York. It will be necessary, however, to show some evidence of being a bona fide resident of Canada to the Revenue Officer at the pier.

If any such Canadians arrive in New York a few days before sailing, and have time to visit the Custom House, Bowling Green, they should do so as it would eliminate the necessity for examination at the pier. Examination at the Custom House would take only a few minutes.

CANADIAN PACIFIC OFFICE IN NEW YORK . . . Is on the ground floor of Canadian Pacific Building at 44th Street and Madison Avenue. Telephone Vanderbilt 3-6666.

DECK CHAIR, RUGS and CUSHIONS . . . Four-day Cruise: Deck Chair $1; Rug $1; Cushion 50 cents. Eight-day Cruise: Deck Chair $2; Rug $2; Cushion $1.

CLOTHING FOR THE CRUISE . . . Lightweight clothing is required for the greater portion of the cruise. Sports clothes and masquerade costumes will be useful. Gentlemen will find a dinner jacket meets all ordinary requirements.

BAGGAGE . . . Although there is practically no limit to the amount of personal baggage which may be carried on the steamship, it is inadvisable for members to burden themselves with too many trunks and bags. Large trunks and other baggage not regularly needed or which cannot be conveniently accommodated in the apartment, will be placed in the baggage room, which will be accessible throughout the cruise. Trunks for apartments should not exceed fourteen inches in height.

Every care is taken in connection with baggage, but on board the liability of the Canadian Pacific is limited, and no responsibility is assumed ashore. Members are recommended to protect themselves by insuring their baggage against loss, damage or pilferage. This may be done at reasonable rates through booking agent or the purser.

Baggage may be checked from many points through to the ship at New York upon payment of the New York transfer charge. Consult your local Baggage Agent.

LAUNDRY . . . The EMPRESS OF BRITAIN has a modern laundry and members' work is given preferred attention at reasonable charges.

TRAVELLERS' CHEQUES . . . Members will find Canadian Pacific Express Travellers' Cheques convenient on the cruise. They are issued in denominations of $10, $20, $50 and $100, and may be obtained from any Canadian Pacific office at the regular rates.

PASSPORTS . . . are not required by members taking the entire cruise.

DINING SALOON SEATS are assigned by the Second Steward.

THE SHOP . . . THE EMPRESS OF BRITAIN has an attractive, modern shop at which may be purchased a variety of articles, such as books, candy, toilet requisites, photographic films, souvenirs, post cards and fancy goods.

PHOTOGRAPHY . . . As a cruise offers exceptional opportunities for photography, a staff of photographers is carried to develop and print films for members. Cruise members should not take a large supply of photographic films with them, as hermetically sealed films are required in the tropics and may be purchased at The Shop at regular prices. Cine Kodak films in sizes 8 mm. and 16 mm. are also available but must be processed on shore.

FACILITIES . . . The EMPRESS OF BRITAIN has every facility of the modern hotel—stenographer, barber, ladies' hairdresser, manicurist, chiropodist, masseur, masseuse, Turkish bath, surgeon, trained nurses, laundry, valet service, photographer, novelty shop, daily newspaper, etc. There are five passenger elevators which serve all decks.

WIRELESS AND TELEPHONE . . . The EMPRESS OF BRITAIN is equipped with long range wireless for the handling of news dispatches and members' messages, also long range telephone for communicating with shore stations while at sea. Telephone your Christmas and New Year greetings!

RELIGIOUS SERVICES . . . Divine Service will be held on Sundays. An altar set is also provided for the celebration of Holy Mass. There is usually a Roman Catholic priest among the members.

MANAGEMENT . . . The EMPRESS OF BRITAIN is owned and operated by the Canadian Pacific; the Shore Excursions are arranged and supervised by the Canadian Pacific—one management throughout—one standard of service—the best.

Canadian Pacific representatives, experienced in cruising, will accompany the cruise to attend to the comfort of members aboard and ashore.

GENERAL CONDITIONS . . . All bookings and carriage of passengers on the Company's steamers are subject to the conditions in the Company's usual form of passage ticket. The Canadian Pacific acts only as agent for the passenger in matters relating to travel away from the EMPRESS OF BRITAIN, whether by steamship, railway, automobile, or any other means, and as such is free of responsibility for any delay, loss, accident or sickness occasioned by fault or negligence of any person or company, or from whatever cause. The right is reserved to withdraw the cruise, subject to refund of net fare received by the Company. Should it be deemed necessary or desirable by the management on any account to make changes in the itinerary, or to omit any section or port named in the program, such change may be made, and no member shall be entitled to compensation on such account. The right is also reserved to decline to accept or retain any person as a member of the cruise, at any time, but in such cases where money has been received, the full or a proportionate amount will be returned, according to circumstances. In the possible contingency of quarantine, any additional expenses, living or otherwise, must be defrayed by the member.

Ports of Romance

BERMUDA

You'll like the quaint, idyllic beauty of this pleasure isle of coral sands—where the automobile is banished in favor of the leisurely, dignified horse and carriage and the English bicycle. Turquoise blue water, pink coral houses with dazzling white roofs, the lush green of the sub-tropical vegetation, all make brilliant color harmonies. You'll enjoy the English shops, the many interesting places to visit, including the famous Crystal Caves and sightseeing in the Colony's two resorts, St. Georges and Hamilton. Bermuda is visited on both the Christmas and the New Year cruises of the Empress of Britain.

HAVANA

Largest and most fascinating city of the West Indies, Havana will captivate you with its rich, Latin-American atmosphere, its fine public buildings, and its luxuriant parks. Here you will see old fortresses; new, gay casinos; busy cigar factories; yacht clubs—all the pulsating life of one of the world's great pleasure cities. And here, on the New Year Cruise, you'll spend the most thrilling New Year's Eve of your life—with Casino, cabaret, bright lights and jollity.

NASSAU

Famed for its sea bathing and for the smart set it attracts during the season, Nassau offers colorful and varied interests for the cruise visitor. Paradise Beach, historic buildings, luxurious hotels and clubs, a picturesque native quarter and one of the world's largest sponge markets are among the many attractions. Nearby are forts famous alike in pirate legend and in the romantic history of Nassau.
