RULES

- 1 The distance of each Race will be once round the Course
- 2 Two Dice will be used for each race, the **Red** die indicating the number of the yacht to move and the **White** die the number of spaces the yacht moves. The result of the throw will be called out by an Umpire to the "Clerk of the Course" who will move the yachts as called for, e.g., Number 3 (yacht) —4 means number 3 yacht moves 4 spaces
- 3 In all races, when a yacht requires a throw of six or less to win, the actual number must be thrown. Notwithstanding that should any lesser number be thrown the yacht will be moved accordingly,
- 4 Betting—"Pari-Mutuel" System for win only. Tickets 25 cents each or equivalent, no limited to number of tickets purchased. Betting will open for each race on the sounding of the gong and close on the second sounding—five minutes before "the Off." During the running of the race the Odds to be paid will be advertised.
