FARES Except those for single cabins are applied on a two in the room basis, but the Canadian Pacific reserves the right to berth each room to its full capacity.

DEPOSIT A deposit of 25 per cent. of the steamship fare is required to be paid on securing reservation, the balance on delivery of ticket or upon demand of Company's agent but not later than three weeks prior to sailing date. No accommodation will be considered as engaged until such deposit has been made.

TRANSFER TO LATER SAILING If passenger is prevented from availing himself of a passage at the period for which it is taken, a transfer of the passage to a subsequent Canadian Pacific steamship may be effected, on notice of not less than three weeks being given prior to the departure of the steamer for which passage was booked, without forfeiture of the deposit made, and accommodation will be allotted as similar as circumstances will permit.

HOMEWARD RESERVATIONS Must be paid for in full at the time outward tickets are issued.

CANCELLATION Should notice be given the accommodation will be placed on sale and if resold refund of the amount paid (subject to cancellation fee). If not resold or if notice of cancellation is given only after ship has sailed the Company reserves the right to demand a forfeiture of the entire amount. Refunds will be made to original purchaser only.

CHILDREN'S FARES One year to twelve years of age, one half of the fare for adult passengers. For children twelve years of age and over, the adult passenger's fare. Two children desiring exclusive use of a room will be charged the one-in-room fare. The charge is based on the number of fares, not persons. Two halves equal one whole.

INFANTS' FARES Under one year of age, 10% of the fare for adult passengers. If separate berth required charge half fare.

MISSIONARIES CLERGYMEN, ETC. Accredited Missionaries, Clergymen, Salvation Army officers, Y.M.C.A. and Y.W.C.A. officers engaged in Missionary work in the Orient and dependent members of their families, upon presentation of a certificate signed by an authorized official of the Society or Board under whose auspices they are travelling, certifying that Person or Persons named are bona fide members of such Society, and engaged in Missionary work in the Orient, are entitled to a reduction of 10% off the first class minimum fares from Victoria or Vancouver to points in the Orient. INTERPRETERS French, Italian, Japanese and Chinese interpreters are carried on all White Empresses of the Pacific.

MASS Facilities are available for celebration of mass on all White Empresses of the Pacific.

STOP-OVERS Stop-overs are permitted at all ports on first class tickets, but passengers must reach their destination within limit of ticket. Passengers desiring stop-overs should notify the Purser well in advance, and will be required to make reservation of accommodations before continuing journey.

Pursers, when issuing stop-over vouchers, will endorse them with particulars of the accommodation for which the original ticket provided, stating the additional amount paid in the case of premium accommodation, and these stop-over vouchers will then be honored for similar accommodation on the connecting steamer selected, if available. in cases of premium accommodation not being available, refund of the additional amount paid for premium accommodation beyond stop-over point will be arranged on application at any of the Company's shore offices.

Passengers deciding to continue on same vessel, after having completed arrangements for stop-over, thereby relinquishing further right to the reservation occupied, may do so in same or similar accommodation, if available, or in higher priced accommodation upon payment of difference in fare.

Tourist class passengers will be permitted stop-over privileges under conditions shown but stop-over vouchers are not interchangeable and passengers must proceed by Canadian Pacific Steamship.

CONTINUATION FARES Provided application is made to Purser before arrival at port of debarkation, a one way first class or tourist class ticket may be extended to a more distant destination in the direction in which it reads, or a first class ticket may be converted into a round trip ticket, upon payment of the difference in fares from point of origin. In the case of a through ticket between Europe-Orient, the difference in fares from point of origin will be charged. A ticket thus extended will permit stop-over at point where it originally ended.

Round trip tickets may be extended to a more distant destination in the direction in which they read upon payment of the difference in fares from point of origin.

Continuation fares cannot be obtained after the passenger leaves the ship.
